LEGAL MATTERS

The validity of the Company's Common Units being offered hereby has been passed upon for the Company by Todd Walker, Esq., Secretary for the Company. Mr. Walker beneficially owns Common Units of the Company.

Item 6. Indemnification of Directors and Officers.

Under the Company's partnership agreement, in most circumstances, the Company will indemnify the following persons, to the fullest extent permitted by law, from and against all losses, claims, damages or similar events:

- (1) the general partner;
- (2) any departing general partner;
- (3) any person who is or was an affiliate of the general partner or any departing general partner;
- (4) any person who is or was a partner, officer, director, employee, agent, or trustee of the general partner, Valero GP, LLC, or departing general partner or any affiliate of the general partner, Valero GP, LLC, or departing general partner; or
- (5) any person who is or was serving at the request of the general partner or departing general partner or any affiliate of the general partner or departing general partner as an officer, director, employee, member, partner, agent, or trustee of another person.

Any indemnification under these provisions will only be out of the Company's assets. Unless it otherwise agrees in its sole discretion, the general partner shall not be personally liable for any of the Company's indemnification obligations, nor have any obligation to contribute or loan funds or assets to the Company to enable us to effectuate indemnification. The Company maintains a policy of director's and officer's liability insurance, and has entered into indemnification agreements with the directors and certain officers of the Company, providing for indemnification on the terms set out in the partnership agreement of the Company.

Item 9. Undertakings.

A. The Company hereby undertakes:

(1) to file during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement (a) to include any prospectus required by Section 10(a)(3) of the 1933 Act, (b) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment hereof) which, individually or in the aggregate, represents a fundamental change in the information set forth in this Registration Statement (except, as regards (a) and (b), to the extent covered by reports filed under the 1934 Act and incorporated herein by reference), and (c) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

(2) that, for the purpose of determining any liability under the 1933 Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The Company hereby undertakes that, for purposes of determining any liability under the 1933 Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the 1934 Act and each filing of the Plan's annual report pursuant to Section 15(d) of the 1934 Act that are incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers, and controlling persons of the Company pursuant to the foregoing provisions or otherwise, the Company is advised that, in the opinion of the Commission, such indemnification is against public policy as expressed in the 1933 Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by a director, officer, or controlling person in connection with the securities being registered, the Company will, unless in the opinion of counsel for the Company the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.

Re: Valero GP, LLC (formerly Shamrock Logistics GP, LLC) 2000 Long-Term Incentive Plan ("Plan").

Ladies and Gentlemen:

I am counsel for Valero L.P., a Delaware limited partnership (the "Company"). The Company expects to file with the Securities and Exchange Commission on or about January 31, 2002 under the Securities Act of 1933, as amended, a Registration Statement on Form S-8 (the "Registration Statement") for the purpose of registering 250,000 shares of common units representing limited partnership interests of the Company ("Common Units") issuable under the Plan .

In connection with such filing, I have examined the Plan and such other documents, records, and matters of law as I have deemed necessary for the purpose of this opinion and based thereupon, I am of the opinion that the Common Units that may be issued and sold or delivered pursuant to the Plan will be, when issued in accordance with the Plan, legally issued, fully paid, and nonassessable.

I hereby consent to the filing of this opinion as an exhibit to the Registration Statement filed by the Company with the Securities and Exchange Commission to register the Common Stock under the Securities Act of 1933, as amended.

Sincerely,

/s/ Todd Walker
