Item 1.01 Entry into a Material Definitive Agreement.

Agreement and Plan of Merger

NuStar Energy L.P., a Delaware limited partnership (the “Partnership”), has entered into an Agreement and Plan of Merger, dated as of February 7, 2018 (the “Merger Agreement”), by and among the Partnership, Riverwalk Logistics, L.P., a Delaware limited partnership and the general partner of the Partnership (the “General Partner”), NuStar GP, LLC, a Delaware limited liability company and the general partner of the General Partner (“NuStar GP”), Marshall Merger Sub LLC, a Delaware limited liability company and a wholly owned subsidiary of the Partnership (“Merger Sub”), NuStar GP Holdings, LLC, a Delaware limited liability company (“NSH”) and Riverwalk Holdings, LLC, a Delaware limited liability company and a wholly owned subsidiary of NSH. Pursuant to the Merger Agreement, Merger Sub will merge with and into NSH with NSH being the surviving entity, such that following the merger the Partnership will be the sole member of NSH (the “Merger”).

The terms of the Merger Agreement were unanimously approved by the Conflicts Committee (“NSH Conflicts Committee”) of the board of directors of NSH (the “NSH Board”) and the Nominating/Governance & Conflicts Committee (the “NuStar GP Conflicts Committee”) of the board of directors of NuStar GP (the “NuStar GP Board”), each comprised solely of independent directors, and were approved by the NSH Board and NuStar GP Board, with Mr. William E. Greehey (“Mr. Greehey”) and Mr. Bradley C. Barron recusing themselves.

Pursuant to the Merger Agreement and at the effective time of the Merger, the Sixth Amended and Restated Agreement of Limited Partnership of the Partnership shall be amended and restated, substantially in the form attached as Annex A to the Merger Agreement (“Seventh Amended and Restated Partnership Agreement”), to, among other things, (i) cancel the incentive distribution rights held by the General Partner, (ii) convert the 2.0% general partner interest in the Partnership held by the General Partner into a non-economic management interest and (iii) provide the holders of common units representing limited partner interest in the Partnership (“Partnership Common Units”) with voting rights in the election of directors of the board of directors of NuStar GP.

At the effective time of the Merger Agreement, each outstanding unit representing a membership interest in NSH (“NSH Unit”), other than NSH Units held by NSH or its subsidiaries, will be converted into the right to receive 0.55 of a Partnership Common Unit. All NSH Units, when converted, shall cease to be outstanding and shall automatically be cancelled and no longer exist. No fractional Partnership Common Units will be issued in the Merger; instead, each holder of NSH Units otherwise entitled to receive a fractional Partnership Common Unit will receive cash in lieu of such fractional Partnership Common Unit. Furthermore, the 10,214,626 Partnership Common Units currently owned by subsidiaries of NSH will be cancelled by the Partnership and will cease to exist.

The Merger Agreement contains customary representations and warranties and covenants by each of the parties. Completion of the Merger is conditioned upon, among other things: (i) approval of the Merger Agreement by the affirmative vote of holders of a Unit Majority, as defined in the Second Amended and Restated Limited Liability Company Agreement of NSH, as amended (“NSH Unitholder Approval”); (ii) the effectiveness of a registration statement on Form S-4 with respect to the issuance by the Partnership of the Partnership Common Units in connection with the Merger; (iii) the absence of certain legal injunctions or impediments prohibiting the transactions; (iv) the receipt of certain tax opinions from a nationally recognized tax counsel; and (v) the approval for the listing of the Partnership Common Units on the New York Stock Exchange.

The Merger Agreement contains provisions granting both the Partnership and NSH the right to terminate the Merger Agreement for certain reasons, including, among others (i) by mutual consent of the Partnership and NSH; (ii) by either party if the Merger has not been consummated on or before August 8, 2018; (iii) if certain changes in rules or regulations prohibits the consummation of the Merger; (iv) if NSH fails to obtain NSH Unitholder Approval; or (v) if a breach of, or an inaccuracy in, the representations or warranties is not cured within thirty days. Furthermore, the Partnership may terminate the Merger Agreement in the event that, prior to NSH Unitholder Approval, NSH has intentionally and materially breached the non-solicitation covenants in the Merger Agreement or the NSH Board issues a change of recommendation pursuant to the terms of the Merger Agreement and NSH may terminate the Merger Agreement in order to accept a Superior Proposal (as defined in the Merger Agreement) so long as NSH (i) has not intentionally and materially breached certain provisions of the Merger Agreement and (ii) has paid the Partnership a termination fee.

After the Merger, the NuStar GP Board is expected to consist of nine members. Prior to the distribution of the Proxy Statement, NSH shall designate the three members of the NSH Conflicts Committee to serve as members of the NuStar GP Board and the six members of the NuStar GP Board immediately prior to the effective time of the merger shall continue to serve as members of the NuStar GP Board following the effective time of the Merger.

Support Agreement

The Partnership has entered into a Support Agreement, dated as of February 7, 2018 (the “Support Agreement”), by and among the Partnership, Merger Sub, WLG Holdings, LLC, a Texas limited liability company (“WLG Holdings”), Mr. Greehey (Mr. Greehey and WLG Holdings, together, the “Unitholders”) and, for limited purposes stated therein, NSH, pursuant to which the Unitholders have agreed to vote in favor of the approval and adoption of the Merger Agreement, the approval of the Merger and any other action required in furtherance thereof submitted for the vote or written consent of NSH Unitholders. The Support Agreement will terminate at (i) the effective time of the Merger, (ii) upon the termination of the Merger Agreement or (iii) if, by written agreement, the Unitholders and the Partnership terminate the Support Agreement.

(d) Further Rights in NSH Units. The Merger Consideration issued upon conversion of an NSH Unit in accordance with the terms hereof and any cash paid pursuant to Section 3.2, Section 3.3(c) or Section 3.3(e) shall be deemed to have been issued and paid in full satisfaction of all rights pertaining to such NSH Unit.

As promptly as practicable after the determination of the amount of cash, if any, to be paid to holders of

fractional interests, the Exchange Agent shall so notify the Partnership, and the Partnership shall, or shall cause the Surviving Entity to, deposit such amount with the Exchange Agent and shall cause the Exchange Agent to forward payments to such holders of fractional interests subject to and in accordance with the terms hereof.

(f) Termination of Exchange Fund. Any portion of the Exchange Fund constituting New Common Units or cash that remains undistributed to the NSH Unitholders after 180 days following the Effective Time shall be delivered to the Partnership upon demand and, from and after such delivery, any former NSH Unitholders who have not theretofore complied with this Article III shall thereafter look only to the Partnership for the Merger Consideration payable in respect of such NSH Units, any cash in lieu of fractional New Common Units to which they are entitled pursuant to Section 3.3(e), any unpaid distribution in respect of NSH Units pursuant to Section 3.2(a), and any distributions with respect to the New Common Units to which they are entitled pursuant to Section 3.3(c), in each case, without any interest thereon. Any amounts remaining unclaimed by NSH Unitholders immediately prior to such time as such amounts would otherwise escheat to or become the property of any Governmental Authority shall, to the extent permitted by applicable Law, become the property of the Partnership, free and clear of any Liens, claims or interest of any Person previously entitled thereto.

(g) No Liability. Neither the Partnership, the General Partner, NuStar GP, NSH nor the Surviving Entity shall be liable to any NSH Unitholder for any Common Units (or distributions with respect thereto) or cash from the Exchange Fund delivered to a public official pursuant to any abandoned property, escheat or similar Law.

(i) Withholding. Each of the Partnership, NSH, the Surviving Entity and the Exchange Agent shall be entitled to deduct and withhold from amounts otherwise payable pursuant to this Agreement to any Person (including any NSH Unitholder) such amounts as the Partnership, NSH, the Surviving Entity or the Exchange Agent, as applicable, is required to deduct and withhold under the Code or any provision of state, local, or foreign Tax Law, with respect to the making of such payment; *provided, however*, that the Partnership, NSH, the Surviving Entity or the Exchange Agent, as the case may be, shall provide reasonable notice to the applicable Person (including the applicable NSH Unitholders) prior to withholding any amounts pursuant to this Section 3.3(i). To the extent that amounts are so deducted and withheld by the Partnership, NSH, the Surviving Entity or the Exchange Agent, such amounts shall be (i) treated for all purposes of this Agreement as having been paid to the Person in respect of whom such deduction and withholding was made by the Partnership, NSH, the Surviving Entity or the Exchange Agent, as the case may be, and (ii) timely paid over to the appropriate taxing authority.

(j) Book Entry and Admission of Holders of New Common Units as Additional Limited Partners of the Partnership. Upon the issuance of New Common Units to the NSH Unitholders in accordance with this Section 3.3 and the compliance by such holders with the requirements of Section 10.4 of the Amended and Restated Partnership Agreement, which requirements may be satisfied by each holder of New Common Units by the execution and delivery by such holder of a completed and executed letter of transmittal, each NSH Unitholder shall be deemed to have made a capital contribution to the Partnership, the General Partner shall be deemed to have automatically consented to the admission of such holders as limited partners of the Partnership and NuStar GP, on behalf of the General Partner, shall reflect or cause to be reflected such admission on the books and records of the Partnership.

In the event of any subdivisions, reclassifications, recapitalizations, splits, combinations or distributions in the form of equity interests with respect to NSH Units or Common Units (in each case, as permitted pursuant to Section 4.3), the number of New Common Units to be issued in the Merger and the Common Unit Price determined in accordance with Section 3.3(e) will be correspondingly adjusted.

Section 3.5 NSH LTIP Restricted Common Units.

(a) (i) At the Effective Time, each award of phantom NSH Units granted under the NSH LTIP ("**NSH Restricted Unit**") outstanding immediately prior to the Effective Time shall, automatically and without action of the part of the holders thereof, be converted, on the same terms and conditions (except as provided in this Section 3.5(a)(i)) as were applicable to such awards immediately prior to the Effective Time, into an award to receive Restricted Common Units (and distribution equivalent rights, if any, with respect to Common Units). The number of Restricted Common Units subject to each such converted award shall be determined by multiplying the number of NSH Restricted Units subject to the award immediately prior to the Effective Time by 0.55, except that if the aggregate number of Restricted Common Units subject to the award after such conversion would result in a fractional Restricted Common Unit, then the aggregate number of Restricted Common Units subject to the award shall be rounded down to the nearest whole number, and upon vesting and settlement of the award, the holder shall be entitled to receive an amount in cash, without interest, determined by multiplying the Fair Market Value (as defined in the NSH LTIP, except where such definition refers to a "Unit" or "Units," such term shall mean "Common Unit" or "Common Units," as defined herein) by the fraction of the Restricted Common Unit that would have been subject to the award.

(ii) Prior to, or as of, the Effective Time, the NSH Board shall take all necessary actions, if any, pursuant to and in accordance with the terms of the NSH LTIP and the award agreements evidencing the NSH Restricted Units, to provide for the automatic conversion on the Effective Time of the NSH Restricted Units into Restricted Common Units in accordance with this Section 3.5.

(b) At the Effective Time, the Partnership shall assume all of the obligations of NSH under the NSH LTIP, each outstanding NSH Restricted Unit and the agreements evidencing the grants thereof. On, or as soon as reasonably practicable after, the Effective Time, the Partnership

shall deliver to each holder of an outstanding award granted under the NSH LTIP a new award agreement setting forth the terms of such individual's award of Restricted Common Units as a result of the automatic conversion of the participant's NSH Restricted Units as provided herein, which award agreement shall continue in effect the same terms applicable to the NSH Restricted Units under the NSH LTIP (subject to the adjustments set forth in [Section 3.5\(a\)](#)).

Section 3.6 Tax Treatment. The Partnership, the General Partner, NuStar GP and NSH intend to treat the Merger as an "assets-over" partnership merger within the meaning of Treasury Regulations Section 1.708-1(c)(3)(i) pursuant to which the Partnership is the "resulting partnership" in the Merger (within the meaning of Treasury Regulation Section 1.708-1(c)), and, as a result, (a) the receipt of cash in lieu of the receipt of fractional New Common Units in exchange for NSH Units in connection with the Merger shall be treated as a sale of such NSH Units by the NSH Unitholder and a purchase of such NSH Units by the Partnership for the cash so paid under the terms of this Agreement in accordance with Treasury Regulations Section 1.708-1(c)(4), and (b) upon the receipt of the NSH Unitholder Approval, each such NSH Unitholder who accepts cash shall agree and consent to the treatment described in clause (a) as a condition to receiving such consideration, in accordance with Treasury Regulations Section 1.708-1(c)(4).

(b) split, combine or reclassify any of its equity interests or issue or authorize, or propose the issuance of any other securities in respect of, in lieu of or in substitution for, its equity interests; or

(c) Each of such Party's Subsidiaries has been duly organized and is validly existing in good standing under the Laws of the jurisdiction of its organization and is duly qualified to do business and in good standing in the jurisdictions where its ownership or leasing of property or the conduct of its business requires it to be so qualified and has in effect all federal, state, local, and foreign governmental authorizations and permits necessary for it to own or lease its properties and assets and to carry on its business as it is now conducted, except where the failure to be so qualified, licensed or permitted, or to be in good standing, would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect on such Party.

With respect to NSH and the Partnership, each Party's annual report on Form 10-K for the fiscal year ended December 31, 2016, its quarterly reports on Form 10-Q for the quarters ending March 31, 2017, June 30, 2017 and September 30, 2017, and all other reports, registration statements, definitive proxy statements or information statements filed or to be filed by such Party or any of its Subsidiaries subsequent to December 31, 2016 under the Securities Act, or under Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, in the form filed, or to be filed (collectively, its "**SEC Documents**"), with the SEC (a) complied or will comply in all material respects as to form with the applicable requirements under the Securities Act or the Exchange Act, as the case may be, and (b) did not and will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading; and each of the balance sheets contained in or incorporated by reference into any such SEC Document (including the related notes and schedules thereto) fairly presents the financial position of the entity or entities to which it relates as of its date, and each of the statements of income and changes in such members' or partners' equity and cash flows or equivalent statements in the case of the Partnership in such SEC Documents (including any related notes and schedules thereto) fairly presents the results of operations, changes in such Party's equity and changes in cash flows, as the case may be, of the entity or entities to which it relates for the periods to which it relates, in each case in accordance with generally accepted accounting principles consistently applied

during the periods involved, except in each case as may be noted therein, subject to normal year-end audit adjustments in the case of unaudited statements. Except as and to the extent set forth on its balance sheet as of September 30, 2017, as of such date, neither such Party nor any of its Subsidiaries had any liabilities or obligations of any nature (whether accrued, absolute, contingent or otherwise) that would be required to be reflected on, or reserved against in, a balance sheet or in the notes thereto prepared in accordance with generally accepted accounting principles consistently applied. Notwithstanding the foregoing, NSH shall be deemed not to have violated or be in violation of this [Section 5.7](#) to the extent any such violation is or was caused by any failure of the Partnership or any of its Subsidiaries to timely provide NSH and its Subsidiaries with accurate information relating to the Partnership and its Subsidiaries.

Section 5.8 [No Brokers](#). No action has been taken by such Party that would give rise to any valid claim against such Party or any of its Subsidiaries for a brokerage commission, finder's fee or other like payment with respect to the transactions contemplated by this Agreement, excluding, in the case of NSH, fees to be paid to Robert W. Baird & Co. Incorporated, and, in the case of the Partnership, fees to be paid to Evercore Group L.L.C., in every case pursuant to letter agreements, the fee provisions of which have been heretofore disclosed to the other Parties.

As of the date hereof, neither such Party nor any of its Subsidiaries (x) has granted any requests, agreements, consents or waivers to extend the statutory period of limitations applicable to the assessment of any Taxes with respect to any Tax Returns nor (y) is a party to any Tax sharing or Tax indemnity agreement (excluding customary Tax indemnification provisions in commercial contracts not primarily relating to Taxes);

(e) in the case of the Partnership, each of the Partnership and its Subsidiaries has, at all times since its formation, been classified for U.S. federal income tax purposes as a partnership or "disregarded entity," as the case may be, and not as a corporation; and

(f) in the case of NSH, provided that the representation in [Section 5.9\(e\)](#) is true, each of NSH and its Subsidiaries has, at all times since its formation, been classified for U.S. federal income tax purposes as a partnership or "disregarded entity," as the case may be, and not as a corporation.

Notwithstanding the foregoing, NSH shall be deemed not to have violated or be in violation of Sections 5.9(a), (b) or (c) to the extent any such violation is or was caused by any failure of the Partnership or any of its Subsidiaries to timely provide NSH and its Subsidiaries with accurate information relating to the Partnership and its Subsidiaries.

Section 5.13 Operations of Merger Sub. The Merger Sub was formed solely for the purpose of engaging in the transactions contemplated by this Agreement and has engaged in no business other than in connection with entering into this Agreement and engaging in the transactions contemplated hereby.

Section 5.14 NSH Fairness Opinion. Robert W. Baird & Co. Incorporated has delivered to the NSH Conflicts Committee its written opinion to the effect that, as of the date the NSH Conflicts Committee approved this Agreement and subject to certain assumptions, qualifications, limitations and other matters, the Merger Consideration is fair, from a financial point of view, to the NSH Unaffiliated Unitholders, it being agreed that none of the Partnership, NuStar GP nor Merger Sub may rely upon such opinion.

Section 5.15 The Partnership Fairness Opinion. Evercore Group L.L.C. has delivered to the NuStar GP Conflicts Committee its written opinion to the effect that, as of the date the NuStar GP Conflicts Committee approved this Agreement and subject to certain assumptions, qualifications, limitations and other matters, the Exchange Ratio (as defined in such opinion) is fair, from a financial point of view, to the Partnership and the Partnership Unaffiliated Unitholders, it being agreed that no Person (other than the NuStar GP Conflicts Committee) may rely upon such opinion.

Section 5.16 No Other Representations or Warranties. Neither Party nor any of their Affiliates shall be deemed to have made any representation or warranty other than as expressly set forth in Article V of this Agreement and in any certificate delivered pursuant to Article VII and each Party expressly disclaims any such other representations and warranties.

In complying with the foregoing, neither it nor its Subsidiaries shall be required to take measures that would have a Material Adverse Effect on it and such Subsidiaries taken as a whole.

Section 6.2 NSH Unitholder Approval.

(a) Notwithstanding any other provision of this Agreement, and without prejudice to NSH's right to terminate this Agreement in order to accept a Superior Proposal pursuant to Section 8.1(d), unless this Agreement is terminated in accordance with the terms hereof, NSH shall submit the approval of this Agreement and the transactions contemplated hereby, including the Merger, to the NSH Unitholders, whether or not the NSH Board withdraws, modifies or changes its recommendation and declaration regarding this Agreement and the transactions contemplated hereby, including the Merger (whether or not permitted by the terms of this Agreement).

(b) Subject to the terms and conditions of this Agreement, NSH shall take, in accordance with applicable Law, applicable stock exchange rules and the NSH LLC Agreement, all action necessary to call, hold and convene an appropriate meeting of the NSH Unitholders to consider and vote upon the approval of this Agreement and the transactions contemplated hereby, including the Merger (the "**NSH Meeting**").

(c) Subject to Section 6.6(c), the NSH Board shall recommend approval of this Agreement and the transactions contemplated hereby, including the Merger, to the NSH Unitholders (the "**NSH Recommendation**"), and NSH shall take all reasonable lawful action to solicit such approval by the NSH Unitholders.

Section 6.3 Registration Statement.

(a) Each of the Partnership and NSH agrees to cooperate in the preparation of a registration statement on Form S-4 (the "**Registration Statement**") (including the proxy statement and prospectus and other proxy solicitation materials of NSH constituting a part thereof (the "**Proxy Statement**") and all related documents) to be filed by the Partnership with the SEC in connection with the issuance of New Common Units in the Merger as contemplated by this Agreement. Provided NSH has cooperated as required above, the Partnership agrees to file the Registration Statement with the SEC as promptly as practicable. Each of NSH and the Partnership agrees to use reasonable best efforts to cause the Registration Statement to be declared effective under the Securities Act as promptly as practicable after filing thereof. The Partnership also agrees to use commercially reasonable efforts to obtain any and all necessary state securities law or "Blue Sky" permits and approvals required to carry out the transactions contemplated by this Agreement. The Partnership agrees to furnish to NSH all information concerning the Partnership and its Subsidiaries, officers, directors, unitholders and any applicable Affiliates, other than NSH and its Subsidiaries, and NSH hereby agrees to furnish to the Partnership all information concerning NSH and its Subsidiaries and their officers, directors, unitholders and Affiliates, and each of the Partnership and NSH agrees to take such other action as may be reasonably requested in connection with the foregoing.

(b) Each of NSH and the Partnership agrees, as to itself and its Subsidiaries, that (i) none of the information supplied or to be supplied by it for inclusion or incorporation by reference in the Registration Statement will, at the time the Registration Statement and each amendment or supplement thereto, if any, becomes effective under the Securities Act, contain any untrue statement of a material fact or omit to state any material fact required to be stated

therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, and (ii) the Proxy Statement and any amendment or supplement thereto will, at the date of distribution to the NSH Unitholders and at the time of the NSH Meeting, not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Each of NSH and the Partnership further agrees that if it shall become aware prior to the Closing Date of any information that would cause any of the statements in the Registration Statement to be false or misleading with respect to any material fact, or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not false or misleading, it will promptly inform the other thereof and take the necessary steps to correct such information in an amendment or supplement to the Registration Statement.

(c) The Partnership will advise NSH, promptly after the Partnership receives notice thereof, of the time when the Registration Statement has become effective or any supplement or amendment has been filed, of the issuance of any stop order or the suspension of the qualification of the New Common Units for offering or sale in any jurisdiction, of the initiation or threat of any proceeding for any such purpose, or of any request by the SEC for the amendment or supplement of the Registration Statement or for additional information.

(d) NSH will use its commercially reasonable efforts to cause the Proxy Statement to be distributed to its unitholders as soon as practicable after the effective date of the Registration Statement.

Section 6.4 Press Releases. Prior to an NSH Change in Recommendation, if any, except for any investor presentation or material prepared by management in the ordinary course of announcing and discussing this Agreement and the transactions contemplated hereby in a manner materially consistent with the substance of the press release and other communications materials issued in connection with the announcement of such transactions, each of NSH and the Partnership will not, without the prior approval of the NSH Board in the case of NSH and the NuStar GP Board in the case of the Partnership, issue any press release or written statement for general circulation relating to the transactions contemplated hereby, except as otherwise required by applicable Law or the rules of the NYSE, in which case it will consult with the other before issuing any such press release or written statement.

Section 6.5 Access; Information.

(a) Upon reasonable notice and subject to applicable Laws relating to the exchange of information, each Party shall, and shall cause its Subsidiaries to, afford the other Parties and their officers, employees, counsel, accountants and other authorized representatives, access, during normal business hours throughout the period prior to the Effective Time, to all of its properties, books, contracts, commitments and records, and to its officers, employees, accountants, counsel or other representatives, and, during such period, it shall, and shall cause its Subsidiaries to, furnish promptly to such Person and its representatives (i) a copy of each material report, schedule and other document filed by it pursuant to the requirements of federal or state securities law (other than reports or documents that NSH or the Partnership or their respective Subsidiaries, as the case may be, are not permitted to disclose under applicable Law or that are otherwise

publicly available through their respective websites) and (ii) all other information concerning its business, properties and personnel as the other may reasonably request. Neither NSH nor the Partnership nor any of their respective Subsidiaries shall be required to provide access to or to disclose information where such access or disclosure would jeopardize the attorney-client privilege of the institution in possession or control of such information or contravene any Law, fiduciary duty or binding agreement entered into prior to the date of this Agreement. The Parties hereto will make appropriate substitute disclosure arrangements under the circumstances in which the restrictions of the preceding sentence apply.

(b) The Partnership and NSH, respectively, will not use any information obtained pursuant to this Section 6.5 or Section 6.6 (to which it was not entitled under Law or any agreement other than this Agreement) for any purpose unrelated to (i) the consummation of the transactions contemplated by this Agreement or (ii) the matters contemplated by Section 6.6 in accordance with the terms thereof, and will hold all information and documents obtained pursuant to this Section 6.5 or Section 6.6 in confidence (except as permitted by Section 6.6(b)). No investigation by either such Party of the business and affairs of the other shall affect or be deemed to modify or waive any representation, warranty, covenant or agreement in this Agreement, or the conditions to either such Party's obligation to consummate the transactions contemplated by this Agreement.

Section 6.6 Acquisition Proposals; Change in Recommendation.

(a) NSH agrees that from and after the date of this Agreement, it shall (i) immediately cease and terminate, and cause to be ceased and terminated, all of its, its Subsidiaries' and their respective Representatives' existing activities, discussions and negotiations (including any electronic data room access) with any other Person (other than the Partnership and its Subsidiaries and any of their respective Representatives) regarding any Acquisition Proposal or a proposal or offer relating to the acquisition of all or a portion of the GP Interest or the Incentive Distribution Rights, and (ii) promptly request that each Person that has entered into a confidentiality agreement in connection with its consideration of a possible Acquisition Proposal or a proposal or offer relating to the acquisition of all or a portion of the GP Interest or the Incentive Distribution Rights within the last twelve months return to NSH or destroy all confidential information heretofore furnished or made available to such Person by or on behalf of NSH and its Subsidiaries or the Partnership. From and after the date of this Agreement, none of NSH and its Subsidiaries shall, and NSH shall cause its Subsidiaries and shall use its commercially reasonable efforts to cause its and their Representatives not to, directly or indirectly, (i) knowingly initiate, solicit, encourage or facilitate any inquiries, proposals or offers with respect to, or the submission of, any Acquisition Proposal, the GP Interest or the Incentive Distribution Rights or (ii) knowingly engage, participate in, encourage or facilitate any discussions or negotiations regarding, or knowingly furnish or make available or cause to be furnished or made available to any person any non-public information or data relating to NSH, the Partnership or its Subsidiaries in connection with any Acquisition Proposal, the GP Interest or the Incentive Distribution Rights. Notwithstanding the foregoing, but subject to the limitations in Section 6.6(b), NSH may, prior to obtaining NSH Unitholder Approval, furnish any information to, including information pertaining to the Partnership or its Subsidiaries, and enter into or participate in discussions or negotiations with, any Person that makes an unsolicited bona fide written Acquisition Proposal that did not result from an intentional and material breach

of this Section 6.6 (such Person making such a proposal, a “**Receiving Party**”), if (i) the NSH Board after consultation with its outside legal counsel and financial advisors, determines in good faith (A) that such Acquisition Proposal constitutes or is reasonably likely to result in a Superior Proposal, and (B) that failure to take such action would be inconsistent with its fiduciary duties under applicable Law, as modified by the NSH LLC Agreement and (ii) prior to furnishing any Non-Public Information to such Receiving Party, NSH receives from such Receiving Party an executed Confidentiality Agreement. NSH agrees that any breach of the restrictions or obligations set forth in this Section 6.6 by NSH or any of its Subsidiaries or, to the extent directed by NSH or any of its Subsidiaries, any of its and their Representatives shall be a breach of this Section 6.6 by NSH.

(b) Prior to obtaining NSH Unitholder Approval, NSH may provide any Receiving Party with any non-public information or data pertaining to NSH, the Partnership or any of their respective Subsidiaries (the “**Non-Public Information**”) only if NSH has not intentionally and materially breached this Section 6.6 and then only if (i) the NSH Board determines in good faith, after consultation with its outside legal counsel and financial advisors that the provision of such Non-Public Information to the Receiving Party is reasonably likely to result in a Superior Proposal and (ii) NSH shall have first (A) required the Receiving Party to execute a Confidentiality Agreement, (B) furnished a copy of such Confidentiality Agreement to the Partnership and (C) notified the Partnership of the identity of such Receiving Party. NSH shall promptly (and in any event within 48 hours) provide or make available to the Partnership any Non-Public Information concerning NSH or any of its Subsidiaries that is provided or made available to any Receiving Party pursuant to this Section 6.6 which was not previously provided or made available to the Partnership. The Partnership shall provide to NSH and any Receiving Party that has executed a Confidentiality Agreement any Non-Public Information relating to the Partnership that NSH reasonably requests in connection with exercising its rights under this Section 6.6.

(c) Except as otherwise provided in this Section 6.6(c), and without prejudice to NSH’s right to terminate this Agreement in order to accept a Superior Proposal pursuant to Section 8.1(d), the NSH Board shall not (i) (A) withdraw, modify or qualify, or propose publicly to withdraw, modify or qualify, in a manner adverse to the Partnership, the NSH Recommendation, (B) approve or recommend, or publicly propose to approve or recommend, any Acquisition Proposal, (C) fail to include the NSH Recommendation in the Proxy Statement, (D) if any Acquisition Proposal has been made public, fail to issue a press release recommending against such Acquisition Proposal and reaffirming the NSH Recommendation, if requested by the Partnership in writing, within the earlier of (x) ten (10) Business Days of such written request, and (y) two (2) Business Days before the NSH Meeting; *provided, however*, that the Partnership may only make such request once with respect to any Acquisition Proposal unless such Acquisition Proposal is materially modified in which case the Partnership may make such request once each time such material modification is made or (E) resolve, publicly propose or agree to do any of the foregoing (any action described in this clause (i) being referred to as an “**NSH Change in Recommendation**”); or (ii) except for a Confidentiality Agreement, approve, adopt or recommend, or publicly propose to approve, adopt or recommend, or allow NSH or any of its Subsidiaries to execute or enter into, any letter of intent, memorandum of understanding, agreement in principle, merger agreement, acquisition agreement, option agreement, joint venture agreement, partnership agreement, or other similar contract or any tender or exchange

offer providing for, with respect to, or in connection with, any Acquisition Proposal. Notwithstanding the foregoing, at any time prior to obtaining the NSH Unitholder Approval, the NSH Board may terminate this Agreement in order to accept a Superior Proposal pursuant to Section 8.1(d) or make an NSH Change in Recommendation (x) following receipt of an Acquisition Proposal that did not result from an intentional and material breach of this Section 6.6 and that the NSH Board has concluded in good faith, after consultation with its outside legal counsel and financial advisors, constitutes a Superior Proposal or (y) solely in response to an Intervening Event, and in each case referred to in clauses (x) and (y) above, the NSH Board has concluded in good faith, after consultation with its outside legal counsel and financial advisors, that the failure to make an NSH Change in Recommendation would be inconsistent with its fiduciary duties under applicable Law, as modified by the NSH LLC Agreement; *provided, however*, that the NSH Board shall not be entitled to exercise its right to terminate this Agreement in order to accept a Superior Proposal in accordance with Section 8.1(d) or make an NSH Change in Recommendation unless NSH has (i) provided to the Partnership and the NuStar GP Board and the NuStar GP Conflicts Committee three (3) Business Days prior written notice (such notice, a “**Notice of Proposed Recommendation Change**”) advising the Partnership that the NSH Board intends to take such action and specifying the reasons therefor in reasonable detail, including, if applicable, the terms and conditions of any Superior Proposal that is the basis of the proposed action and the identity of the Person making the proposal and contemporaneously providing a copy of all relevant proposed transaction documents for such Superior Proposal (it being understood and agreed that any amendment to the terms of any such Superior Proposal shall require a new Notice of Proposed Recommendation Change and an additional three (3) Business Day period), (ii) during such period, NSH and its Representatives shall, if requested by the Partnership, be available to meet and engage in good faith negotiations with the Partnership and its Representatives to modify this Agreement in a manner that would obviate the need to make an NSH Change in Recommendation in response to such Intervening Event, (iii) at the end of such period, if the Partnership has agreed to modify the terms of this Agreement, the NSH Board (after taking into account any agreed modification to the terms of this Agreement) has determined that, if applicable, such Superior Proposal continues to be a Superior Proposal or such Intervening Event continues to be an Intervening Event, and in each case that the failure to terminate this Agreement to accept a Superior Proposal or make an NSH Change in Recommendation would be inconsistent with its fiduciary duties under applicable Law, as modified by the NSH LLC Agreement, and (iv) if applicable, provided to the Partnership all materials and information delivered or made available to or by the Person making any Superior Proposal in connection with such Superior Proposal (to the extent not previously provided). Any NSH Change in Recommendation shall not change the approval of this Agreement or any other approval of the NSH Board, including in any respect that would have the effect of causing any Takeover Law to be applicable to the transactions contemplated hereby or thereby, including the Merger. Notwithstanding any provision in this Agreement to the contrary, the Partnership shall maintain, and cause their Representatives to maintain, the confidentiality of all information received from NSH pursuant to this Section 6.6.

(d) In addition to the obligations of NSH set forth in this Section 6.6, NSH shall as promptly as practicable (and in any event within 48 hours after receipt) advise the Partnership orally and in writing of any Acquisition Proposal and the material terms and conditions of any such Acquisition Proposal (including any changes thereto) and the identity of the Person making any such Acquisition Proposal. NSH shall keep the Partnership informed on a reasonably current basis of material developments to the status and details (including any material amendments to the terms thereof) with respect to any such Acquisition Proposal.

(e) Nothing contained in this Agreement shall prevent the NSH Board from taking and disclosing to the NSH Unitholders a position contemplated by Rule 14d-9 and Rule 14e-2(a) promulgated under the Exchange Act (or any similar communication to NSH Unitholders) or from making any legally required disclosure to NSH Unitholders with regard to the transactions contemplated by this Agreement, if, the NSH Board after consultation with outside counsel, has concluded in good faith that the failure to disclose such information would reasonably be expected to violate its obligations under applicable Law. Any “stop-look-and-listen” communication by the NSH Board to the NSH Unitholders pursuant to Rule 14d-9(f) promulgated under the Exchange Act (or any similar communication to the NSH Unitholders) which does not effect an NSH Change in Recommendation shall not in and of itself be considered a failure to make, or a withdrawal, modification or change in any manner adverse to the Partnership of, all or a portion of, the NSH Recommendation. Notwithstanding the foregoing, nothing set forth in this Section 6.6(e) shall be deemed to (x) modify or supplement the definition of “NSH Change in Recommendation” or (y) permit NSH or the NSH Board to make an NSH Change in Recommendation except as otherwise permitted pursuant to Section 6.6(c).

Section 6.7 Takeover Laws. Neither Party shall take any action that would cause the transactions contemplated by this Agreement to be subject to requirements imposed by any Takeover Laws, and each of them shall take all necessary steps within its control to exempt (or ensure the continued exemption of) the transactions contemplated by this Agreement from, or if necessary challenge the validity or applicability of, any rights plan adopted by such Party or any applicable Takeover Law, as now or hereafter in effect, including, without limitation, Takeover Laws of any state that purport to apply to this Agreement or the transactions contemplated hereby.

Section 6.8 No Rights Triggered. Each of NSH and the Partnership shall take all steps necessary to ensure that the entering into of this Agreement and the consummation of the transactions contemplated hereby and any other action or combination of actions, or any other transactions contemplated hereby, do not and will not result in the grant of any Rights to any Person (a) in the case of NSH under the NSH LLC Agreement, and in the case of the Partnership under the Partnership Agreement or (b) under any material agreement to which it or any of its Subsidiaries is a Party.

Section 6.9 New Common Units Listed. In the case of the Partnership, the Partnership shall use its reasonable best efforts to list, prior to the Closing, on the NYSE, upon official notice of issuance, the New Common Units.

Section 6.10 Third-Party Approvals.

(a) The Partnership and NSH and their respective Subsidiaries shall cooperate and use their respective reasonable best efforts to prepare all documentation, to effect all filings, to obtain all permits, consents, approvals and authorizations of all third parties necessary to consummate the transactions contemplated by this Agreement and to comply with the terms and conditions of such permits, consents, approvals and authorizations and to cause the Merger to be

consummated and the Amended and Restated Partnership Agreement and the Amended and Restated NuStar GP LLC Agreement to be effective as expeditiously as practicable. Each of the Partnership and NSH shall have the right to review in advance, and to the extent practicable each will consult with the other, in each case subject to applicable Laws relating to the exchange of information, with respect to, all material written information submitted to any third party or any Regulatory Authorities in connection with the transactions contemplated by this Agreement. In exercising the foregoing right, each of the Parties hereto agrees to act reasonably and promptly. Each Party agrees that it will consult with the other Parties with respect to the obtaining of all material permits, consents, approvals and authorizations of all third parties and Regulatory Authorities necessary or advisable to consummate the transactions contemplated by this Agreement, and each Party will keep the other Parties apprised of the status of material matters relating to completion of the transactions contemplated hereby.

(b) Each Party agrees, upon request, to furnish the other Parties with all information concerning itself, its Subsidiaries, directors, officers and unitholders and such other matters as may be reasonably necessary or advisable in connection with the Registration Statement, the Proxy Statement or any filing, notice or application made by or on behalf of such other Party or any of such Subsidiaries to any Regulatory Authority in connection with the transactions contemplated hereby.

Section 6.11 Indemnification; Directors' and Officers' Insurance.

(a) Without limiting any additional rights that any director, officer, trustee, employee, agent, or fiduciary may have under any employment or indemnification agreement or under the NSH LLC Agreement, or this Agreement or, if applicable, similar organizational documents or agreements of any of NSH's Subsidiaries, from and after the Effective Time, the Partnership and the Surviving Entity, jointly and severally, shall: (i) indemnify and hold harmless each person who is at the date hereof or during the period from the date hereof through the date of the Effective Time serving as a director or officer of NSH or any of its Subsidiaries or as a fiduciary under or with respect to any employee benefit plan (within the meaning of Section 3(3) of ERISA) (collectively, the "**Indemnified Parties**") to the fullest extent authorized or permitted by applicable Law, as now or hereafter in effect, in connection with any Claim and any losses, claims, damages, liabilities, costs, Indemnification Expenses, judgments, fines, penalties and amounts paid in settlement (including all interest, assessments and other charges paid or payable in connection with or in respect of any thereof) resulting therefrom; and (ii) promptly pay on behalf of or, within ten (10) days after any request for advancement, advance to each of the Indemnified Parties, any Indemnification Expenses incurred in defending, serving as a witness with respect to or otherwise participating with respect to any Claim in advance of the final disposition of such Claim, including payment on behalf of or advancement to the Indemnified Party of any Indemnification Expenses incurred by such Indemnified Party in connection with enforcing any rights with respect to such indemnification and/or advancement, in each case without the requirement of any bond or other security. The indemnification and advancement obligations of the Partnership and the Surviving Entity pursuant to this Section 6.11(a) shall extend to acts or omissions occurring at or before the Effective Time and any Claim relating thereto (including with respect to any acts or omissions occurring in connection with the approval of this Agreement and the consummation of the Merger and the transactions contemplated by this Agreement, including the consideration and approval thereof and the

process undertaken in connection therewith and any Claim relating thereto), and all rights to indemnification and advancement conferred hereunder shall continue as to a person who has ceased to be a director or officer of NSH or any of its Subsidiaries or as a fiduciary under or with respect to any employee benefit plan (within the meaning of Section 3(3) of ERISA) after the date hereof and shall inure to the benefit of such person's heirs, executors and personal and legal representatives. As used in this Section 6.11: (x) the term "**Claim**" means any threatened, asserted, pending or completed action, whether instituted by any Party, any Governmental Authority or any other Person, that any Indemnified Party in good faith believes might lead to the institution of any action or proceeding, whether civil, criminal, administrative, investigative or other, including any arbitration or other alternative dispute resolution mechanism ("**Action**"), arising out of or pertaining to matters that relate to such Indemnified Party's duties or service as a director or officer of NSH, any of its Subsidiaries, or as a fiduciary under or with respect to any employee benefit plan (within the meaning of Section 3(3) of ERISA) maintained by any of the foregoing at or prior to the Effective Time; and (y) the term "**Indemnification Expenses**" means reasonable attorneys' fees and all other reasonable costs, expenses and obligations (including experts' fees, travel expenses, court costs, retainers, transcript fees, duplicating, printing and binding costs, as well as telecommunications, postage and courier charges) paid or incurred in connection with investigating, defending, being a witness in or participating in (including on appeal), or preparing to investigate, defend, be a witness in or participate in, any Claim for which indemnification is authorized pursuant to this Section 6.11(a), including any Action relating to a claim for indemnification or advancement brought by an Indemnified Party. Neither the Partnership nor the Surviving Entity shall settle, compromise or consent to the entry of any judgment in any actual or threatened Action in respect of which indemnification has been or could be sought by such Indemnified Party hereunder unless such settlement, compromise or judgment includes an unconditional release of such Indemnified Party from all liability arising out of such Action without admission or finding of wrongdoing, or such Indemnified Party otherwise consents thereto.

(b) Without limiting the foregoing, the Partnership and NSH agree that all rights to indemnification, advancement of expenses and exculpation from liabilities for acts or omissions occurring at or prior to the Effective Time now existing in favor of the Indemnitees as provided in the NSH LLC Agreement (and, as applicable, partnership agreement, limited liability company agreement, or other organizational documents of any of NSH's Subsidiaries) and indemnification agreements of NSH or any of its Subsidiaries shall be assumed by the Surviving Entity, the Partnership and NuStar GP in the Merger, without further action, at the Effective Time and shall survive the Merger and shall continue in full force and effect in accordance with their terms.

(c) For a period of six (6) years from the Effective Time, the limited liability company agreement of NSH shall contain provisions no less favorable with respect to indemnification, advancement of expenses and limitations on liability of directors and officers than are set forth in the NSH LLC Agreement, which provisions shall not be amended, repealed or otherwise modified for a period of six (6) years from the Effective Time in any manner that would affect adversely the rights thereunder of individuals who, at or prior to the Effective Time, were Indemnified Parties, unless such modification shall be required by Law and then only to the minimum extent required by Law.

(d) The Partnership shall, or shall cause the Surviving Entity to, maintain for a period of at least six (6) years following the Effective Time, the current policies of directors' and officers' liability insurance maintained by NSH and its Subsidiaries (*provided*, that the Surviving Entity may substitute therefor policies of at least the same coverage and amounts containing terms and conditions which are not less advantageous to such directors and officers of NSH than the terms and conditions of such existing policy from carriers with the same or better rating as the carrier under the existing policy *provided* that such substitution shall not result in gaps or lapses of coverage with respect to matters occurring before the Effective Time) with respect to claims arising from facts or events that occurred on or before the Effective Time, including in respect of the Merger and the transactions contemplated by this Agreement; *provided*, that the Partnership shall not be required to pay annual premiums in excess of 300% of the last annual premium paid by NSH prior to the date hereof but in such case shall purchase as much coverage as reasonably practicable for such amount.

(e) The provisions of Section 6.11(d) shall be deemed to have been satisfied if prepaid "tail" policies have been obtained by the Surviving Entity for purposes of this Section 6.11 from carriers with the same or better rating as the carrier of such insurances as of the date of this Agreement, which policies provide such directors and officers with the coverage described in Section 6.11(d) for an aggregate period of not less than six (6) years with respect to claims arising from facts or events that occurred on or before the Effective Time, including, in respect of the Merger and the transactions contemplated by this Agreement.

(f) If the Partnership, the Surviving Entity or any of their respective successors or assigns (i) consolidates with or merges with or into any other Person and shall not be the continuing or surviving corporation, partnership or other entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, proper provision shall be made so that the successors and assigns of the Partnership and the Surviving Entity assume the obligations set forth in this Section 6.11.

(g) The Partnership and NuStar GP shall cause the Surviving Entity to perform all of the obligations of the Surviving Entity under this Section 6.11.

(h) This Section 6.11 shall survive the consummation of the Merger and is intended to be for the benefit of, and shall be enforceable by, the Indemnified Parties and the Indemnitees and their respective heirs and personal representatives, and shall be binding on the Partnership, NuStar GP, the Surviving Entity and their respective successors and assigns.

Section 6.12 Notification of Certain Matters. Each of NSH and the Partnership shall give prompt notice to the other of (a) any fact, event or circumstance known to such Party that (i) is reasonably likely, individually or taken together with all other facts, events and circumstances known to such Party, to result in any Material Adverse Effect with respect to such Party or (ii) would cause or constitute a material breach of any of its representations, warranties, covenants or agreements contained herein or a change in such Party's condition (financial or otherwise) or business or any litigation or governmental complaints, investigations or hearings such that one or more of the conditions set forth in Section 7.2(a), 7.2(b), 7.3(a) or 7.3(b), as applicable, would not reasonably be expected to be satisfied.

Section 6.13 Rule 16b-3. Prior to the Effective Time, each Party shall take such steps as may be reasonably requested by any other Party hereto to cause dispositions of NSH equity securities (including derivative securities) pursuant to the transactions contemplated by this Agreement by each individual who is subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to NSH to be exempt under Rule 16b-3 promulgated under the Exchange Act.

Section 6.14 Amended and Restated Partnership Agreement. The General Partner shall execute and make effective at the Effective Time the Amended and Restated Partnership Agreement.

Section 6.15 Amended and Restated NuStar GP LLC Agreement. NSH shall execute and make effective at the Effective Time the Amended and Restated NuStar GP LLC Agreement.

Section 6.16 Authority of the Conflicts Committees. Prior to the earlier of the Effective Time and the termination of this Agreement, neither NSH nor NuStar GP shall, without the consent of the NuStar GP Conflicts Committee, eliminate the NuStar GP Conflicts Committee, or revoke or diminish the authority of the NuStar GP Conflicts Committee, or, except in the event of a material breach of his obligations as a director of NuStar GP, remove or cause the removal of any director of the NuStar GP Board that is a member of the NuStar GP Conflicts Committee either as a member of the NuStar GP Board or the NuStar GP Conflicts Committee, or appoint any additional director to the NuStar GP Board, in each case without the affirmative vote of a majority of members of the NuStar GP Conflicts Committee. For the avoidance of doubt, this Section 6.16 shall not apply to the filling of any vacancies caused by the death, incapacity, removal or resignation of any director in accordance with the provisions of the Amended and Restated NuStar GP LLC Agreement.

Section 6.17 NuStar GP Board Membership. The Amended and Restated NuStar GP LLC Agreement shall provide that the NuStar GP Board shall consist of nine (9) members. Prior to the distribution of the Proxy Statement, NSH shall designate the three (3) members of the NSH Conflicts Committee (the "*NSH Director Designees*") to serve as members of the NuStar GP Board following the Effective Time. The six (6) members of the NuStar GP Board immediately prior to the Effective Time shall continue to serve as members of the NuStar GP Board following the Effective Time. Subject to the foregoing, NSH shall take such action as is necessary to cause each director designated pursuant to this Section 6.17 to be appointed to the NuStar GP Board effective as of the Effective Time, to serve until the earlier of such individual's resignation or removal or until his or her successor is duly elected and qualified.

Section 6.18 Tax Matters.

(a) Each of NSH, NuStar GP, the General Partner and the Partnership shall use its respective reasonable best efforts to obtain the opinions of counsel referenced in Section 7.1(d), Section 7.2(d), and Section 7.3(d), including by executing and delivering customary tax representation letters to each such counsel in form and substance reasonably satisfactory to such counsel.

(b) NSH, NuStar GP, the General Partner and the Partnership intend that all items of income, gain, loss, deduction and credit of the Partnership (and any Subsidiary of the Partnership that is treated as a partnership for U.S. federal income tax purposes) for the taxable year during which the Closing Date occurs will be allocated between (i) the portion of such taxable year that ends on the Closing Date and (ii) the portion of such taxable year that begins on the date immediately after the Closing Date using a “closing of the books method” pursuant to Section 706 of the Code.

ARTICLE VII CONDITIONS TO CONSUMMATION OF THE MERGER

Section 7.1 Conditions to Each Party’s Obligation to Effect the Merger. The respective obligations of each Party to effect the Merger shall be subject to the fulfillment (or waiver by all Parties, to the extent permissible under applicable Law) at or prior to the Effective Time of the following conditions:

(a) Unitholder Vote. This Agreement and the transactions contemplated hereby, including the Merger, shall have been approved and adopted by the affirmative vote of holders of a Unit Majority (“*NSH Unitholder Approval*”).

(b) Effective Registration Statement. The Registration Statement shall have become effective under the Securities Act and no stop order suspending the effectiveness of the Registration Statement shall have been issued and no proceedings for that purpose shall have been initiated or threatened by the SEC.

(c) No Actions. No order, decree or injunction of any court or agency of competent jurisdiction shall be in effect, and no Law shall have been enacted or adopted, that enjoins, prohibits or makes illegal consummation of any of the transactions contemplated hereby, and no action, proceeding or investigation by any Regulatory Authority with respect to the Merger or the other transactions contemplated hereby shall be pending that seeks to restrain, enjoin, prohibit, delay or make illegal the consummation of the Merger or such other transaction or to impose any material restrictions or requirements thereon or on the Partnership or NSH with respect thereto; provided, however, that prior to invoking this condition, each Party shall have complied fully with its obligations under Section 6.1.

(d) Partnership Opinion. The Partnership shall have received a written opinion from Sidley Austin LLP, counsel to the Partnership (or another nationally recognized tax counsel reasonably acceptable to the Partnership and NSH) (“Partnership Tax Counsel”), on which NSH and its counsel shall also be entitled to rely, dated as of the Closing Date and in form and substance reasonably satisfactory to the Partnership and NSH, to the effect that, on the basis of the facts, representations and assumptions set forth or referred to in such opinion, (a) at least 90% of the current gross income of the Partnership constitutes qualifying income within the meaning of Section 7704(d) of the Code and the Partnership is treated as a partnership for U.S. federal income tax purposes pursuant to Section 7704(c) of the Code, and (b) the adoption of the Amended and Restated Partnership Agreement, the Merger and the transactions contemplated by this Agreement will not cause the Partnership to be treated as an association taxable as a corporation for U.S. federal income tax purposes.

In rendering such opinion, Partnership Tax Counsel may require and rely upon representations and covenants as shall be reasonably necessary or appropriate to enable Partnership Tax Counsel to render such opinions, contained in certificates of officers of NuStar GP, in its capacity as the general partner of the General Partner and on behalf of the Partnership, and others, reasonably satisfactory in form and substance to Partnership Tax Counsel.

Section 7.2 Conditions to Obligation of NSH to Effect the Merger. The obligation of NSH to effect the Merger shall be subject to the fulfillment (or waiver by NSH, to the extent permissible under applicable Law) at or prior to the Effective Time of the following conditions:

(a) Representations and Warranties of the Partnership. Each of the representations and warranties contained herein of the Partnership shall be true and correct as of the date of this Agreement and upon the Closing Date with the same effect as though all such representations and warranties had been made on the Closing Date, except for any such representations and warranties made as of a specified date, which shall be true and correct as of such date, in any case, except where the failure of such representations and warranties to be so true and correct (without regard to “materiality”, “Material Adverse Effect” and similar qualifiers contained in such representations and warranties) has not had or would not, individually or in the aggregate, have a Material Adverse Effect on the Partnership and its Subsidiaries, taken as a whole;

(b) Performance of Obligations of the Partnership. Each and all of the agreements and covenants of the Partnership to be performed and complied with pursuant to this Agreement on or prior to the Closing Date shall have been duly performed and complied with in all material respects;

(c) Closing Certificate. NSH shall have received a certificate signed by the Chief Executive Officer of NuStar GP, dated the Closing Date, to the effect set forth in Section 7.2(a) and Section 7.2(b);

(d) Opinion of Wachtell, Lipton, Rosen & Katz. NSH shall have received a written opinion from Wachtell, Lipton, Rosen & Katz, counsel to NSH (or another nationally recognized tax counsel reasonably acceptable to NSH) (“NSH Tax Counsel”), dated as of the Closing Date and in form and substance reasonably satisfactory to NSH, to the effect that, on the basis of the facts, representations and assumptions set forth or referred to in such opinion, no gain or loss should be recognized, for U.S. federal income tax purposes, by NSH Unitholders that are “United States persons” (within the meaning of Section 7701(a)(30) of the Code) with respect to the exchange of NSH Units for New Common Units pursuant to the Merger, other than gain or loss, if any, resulting from any (i) decrease in a partner’s share of partnership liabilities (as determined pursuant to Section 752 of the Code and the Treasury Regulations promulgated thereunder), (ii) amounts paid to NSH, the Partnership or any of their respective Subsidiaries pursuant to Section 9.1, (iii) actual or constructive distributions to NSH or the existing NSH Unitholders of cash or other property (other than New Common Units), (iv) receipt of cash in lieu of fractional New Common Units, or (v) actual or deemed assumption by the Partnership of any liabilities of NSH or any of its Subsidiaries. The opinion may be subject to customary limitations and exceptions, including that it will not apply to any NSH Unitholder whose Tax basis in its NSH Units is less than its share of NSH’s tax basis (including basis resulting from Section 743 adjustments) in the New Common Units deemed distributed by NSH.

In rendering such opinion, NSH Tax Counsel may require and rely upon representations and covenants as shall be reasonably necessary or appropriate to enable NSH Tax Counsel to render such opinion, contained in certificates of officers of NSH and others, reasonably satisfactory in form and substance to NSH Tax Counsel; and

(e) NYSE Listing. The New Common Units shall have been approved for listing on the NYSE, subject to official notice of issuance.

(f) No Material Adverse Effect. There shall not have occurred a Material Adverse Effect with respect to the Partnership between the date of this Agreement and the Closing Date.

Section 7.3 Conditions to Obligation of the Partnership and Merger Sub to Effect the Merger. The obligations of the Partnership and Merger Sub to effect the Merger shall be subject to the fulfillment (or waiver by the Partnership and Merger Sub, to the extent permissible under applicable Law) at or prior to the Effective Time of the following conditions:

(a) Representations and Warranties of NSH. Each of the representations and warranties contained herein of NSH shall be true and correct as of the date of this Agreement and upon the Closing Date with the same effect as though all such representations and warranties had been made on the Closing Date, except for any such representations and warranties made as of a specified date, which shall be true and correct as of such date, in any case, except where the failure of such representations and warranties to be so true and correct (without regard to “materiality”, “Material Adverse Effect” and similar qualifiers contained in such representations and warranties) has not had or would not, individually or in the aggregate, have a Material Adverse Effect on NSH;

(b) Performance of Obligations of NSH. Each and all of the agreements and covenants of NSH to be performed and complied with pursuant to this Agreement on or prior to the Closing Date shall have been duly performed and complied with in all material respects;

(c) Closing Certificate. The Partnership shall have received a certificate signed by the Chief Executive Officer of NSH, dated the Closing Date, to the effect set forth in Section 7.3(a) and Section 7.3(b);

(d) Partnership Opinion. The Partnership shall have received a written opinion from Partnership Tax Counsel, dated as of the Closing Date and in form and substance reasonably satisfactory to the Partnership, to the effect that, on the basis of the facts, representations and assumptions set forth or referred to in such opinion, no gain or loss should be recognized by existing holders of Common Units (other than NuStar GP, Riverwalk Holdings and the General Partner) as a result of the Merger (other than gain, if any, resulting from any (i) decrease in partnership liabilities pursuant to Section 752 of the Code or (ii) amounts paid to, or on behalf of, the Partnership by any other Person pursuant to Section 9.1).

In rendering such opinion, Partnership Tax Counsel may require and rely upon representations and covenants as shall be reasonably necessary or appropriate to enable Partnership Tax Counsel to render such opinions, contained in certificates of officers of NuStar GP, in its capacity as the general partner of the General Partner and on behalf of the Partnership, and others, reasonably satisfactory in form and substance to Partnership Tax Counsel;

(e) Amended and Restated NuStar GP LLC Agreement. NSH shall have executed and made the Amended and Restated NuStar GP LLC Agreement effective as of the Effective Time; and

(f) No Material Adverse Effect. There shall not have occurred a Material Adverse Effect with respect to NSH between the date of this Agreement and the Closing Date.

ARTICLE VIII TERMINATION

Section 8.1 Termination. Notwithstanding anything herein to the contrary, this Agreement may be terminated and the Merger may be abandoned at any time prior to the Effective Time, whether before or after NSH Unitholder Approval of this Agreement (except as expressly provided below):

(a) By the mutual consent of the Partnership and NSH in a written instrument.

(b) By either the Partnership or NSH upon written notice to the other, if:

(i) the Merger has not been consummated on or before August 8, 2018 (the “**Termination Date**”); *provided* that the right to terminate this Agreement pursuant to this Section 8.1(b)(i) shall not be available to a Party whose failure to fulfill any material obligation under this Agreement or other material breach of this Agreement has been the primary cause of the failure of the Merger to have been consummated on or before such date;

(ii) any Regulatory Authority has issued a statute, rule, order, decree or regulation or taken any other action, in each case permanently restraining, enjoining or otherwise prohibiting the consummation of the Merger or any of the Merger Transactions or making the Merger or any of the Merger Transactions illegal and such statute, rule, order, decree, regulation or other action shall have become final and nonappealable (*provided* that the terminating Party is not then in breach of Section 6.1 in seeking to prevent, oppose or remove such restraint, injunction or prohibition);

(iii) the NSH Meeting shall have been duly convened and held and NSH has failed to obtain the NSH Unitholder Approval by reason of the failure to obtain the required vote upon a final vote taken at the NSH Meeting (or at any adjournment or postponement thereof at which such vote was taken); *provided, however*, that the right to terminate this Agreement under this Section 8.1(b)(iii) shall not be available to NSH where the failure to obtain the NSH Unitholder Approval shall have been caused by the action or failure to act of NSH and such action or failure to act constitutes a material breach by NSH of this Agreement;

(iv) there has been a breach of or any inaccuracy in any of the representations or warranties set forth in this Agreement on the part of NSH (in the case of the Partnership and Merger Sub) or the Partnership or Merger Sub (in the case of NSH), which breach is not cured within 30 days following receipt by the breaching Party of written notice of such breach from the terminating Party, or which breach, by its nature,

cannot be cured prior to the Termination Date (*provided* in any such case that the terminating Party is not then in material breach of any representation, warranty, covenant or other agreement contained herein); *provided, however*, that no Party shall have the right to terminate this Agreement pursuant to this [Section 8.1\(b\)\(iv\)](#) unless the breach of a representation or warranty, together with all other such breaches, would entitle the Party receiving such representation not to consummate the transactions contemplated by this Agreement under [Section 7.2\(a\)](#) or [Section 7.3\(a\)](#), as applicable; or

(v) there has been a breach of any of the covenants or agreements set forth in this Agreement on the part of NSH (in the case of the Partnership and Merger Sub) or the Partnership or Merger Sub (in the case of NSH), which breach has not been cured within 30 days following receipt by the breaching Party of written notice of such breach from the terminating Party, or which breach, by its nature, cannot be cured prior to the Termination Date (*provided* in any such case that the terminating Party is not then in material breach of any representation, warranty, covenant or other agreement contained herein); *provided, however*, that no Party shall have the right to terminate this Agreement pursuant to this [Section 8.1\(b\)\(v\)](#) unless the breach of covenants or agreements, together with all other such breaches, would entitle the Party receiving the benefit of such covenants or agreements not to consummate the transactions contemplated by this Agreement under [Section 7.2\(b\)](#) or [Section 7.3\(b\)](#), as applicable.

(c) By the Partnership prior to the NSH Unitholder Approval having been obtained, upon written notice to NSH, in the event that (i) NSH shall have intentionally and materially breached [Section 6.6](#), or (ii) an NSH Change in Recommendation has occurred; *provided, however*, the Partnership shall not be entitled to exercise its right to terminate this Agreement pursuant to this [Section 8.1\(c\)](#) unless the Partnership has delivered such written notice to NSH within ten (10) days of its receipt of notice from NSH that an NSH Change in Recommendation has occurred.

(d) By NSH prior to obtaining the NSH Unitholder Approval, upon written notice to the Partnership, in order to accept a Superior Proposal in accordance with, and subject to the terms and conditions of, [Section 6.6](#), if (i) NSH has not intentionally and materially breached [Section 6.6](#), (ii) NSH has paid the NSH Termination Fee pursuant to [Section 9.1\(b\)](#) and [Section 9.1\(e\)](#) and (iii) substantially concurrently with, and in any event within the same day of, such termination, NSH enters into a definitive agreement in connection with such Superior Proposal.

Section 8.2 Effect of Termination. In the event of the termination of this Agreement as provided in [Section 8.1](#), written notice thereof shall forthwith be given by the terminating Party to the other Parties specifying the provision of this Agreement pursuant to which such termination is made, and except as provided in this [Section 8.2](#) and [Section 9.13](#), this Agreement (other than [Article IX](#)) shall forthwith become null and void after the expiration of any applicable period following such notice. In the event of such termination, there shall be no liability on the part of the Partnership, the General Partner, Merger Sub or NSH, except as set forth in [Section 9.1](#) of this Agreement and except with respect to the requirement to comply with [Section 6.5\(b\)](#); *provided* that nothing herein shall relieve any Party from any liability or obligation with respect to any fraud or intentional breach of this Agreement.

**ARTICLE IX
MISCELLANEOUS**

Section 9.1 Fees and Expenses.

(a) Whether or not the Merger is consummated, all costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be paid by the Party incurring such costs or expenses, except as provided in Section 9.1(b), 9.1(c), 9.1(d) and 9.1(f).

(b) If this Agreement is terminated by (i) the Partnership pursuant to Section 8.1(c)(ii) or (ii) by NSH pursuant to Section 8.1(d), then, subject to Section 9.1(g), NSH shall pay to the Partnership the NSH Termination Fee.

(c) In the event that (i) an Acquisition Proposal with respect to NSH has been publicly proposed by any Person (meaning, for the purpose of this Section 9.1(c), a Person other than the Partnership, the General Partner, NuStar GP, Riverwalk Holdings and Merger Sub) or such an Acquisition Proposal has otherwise become publicly known to the NSH Unitholders generally and in any event such proposal is not subsequently irrevocably withdrawn prior to the termination of this Agreement, (ii) thereafter this Agreement is terminated by either NSH or the Partnership pursuant to Section 8.1(b)(i) or Section 8.1(b)(iii) and (iii) within 12 months after the termination of this Agreement, NSH or any of its Subsidiaries enters into any definitive agreement with such Person or any of its Affiliates providing for an Acquisition Proposal, or NSH consummates an Acquisition Proposal with such Person or any of its Affiliates, then, subject to Section 9.1(g), NSH shall pay to the Partnership, if and when consummation of such Acquisition Proposal occurs, the NSH Termination Fee less all Expenses of the Partnership previously paid to the Partnership; *provided* that for purposes of this Section 9.1(c), "50%" shall be substituted for "20%" in the definition of Acquisition Proposal.

(d) If this Agreement is terminated by NSH pursuant to Section 8.1(b)(iv) or Section 8.1(b)(v), then the Partnership shall pay to NSH the Expenses of NSH. If this Agreement is terminated by the Partnership pursuant to Section 8.1(b)(iv) or Section 8.1(b)(v) then NSH shall pay to the Partnership the Expenses of the Partnership.

(e) Except as otherwise provided herein, any payment of the NSH Termination Fee or Expenses pursuant to this Section 9.1 shall be made by wire transfer of immediately available funds to an account designated by the Partnership or an account designated by NSH, as applicable, within one Business Day after such payment becomes payable; *provided, however*, that any payment of the NSH Termination Fee by NSH as a result of termination under Section 8.1(c) or Section 8.1(d) shall be made prior to or concurrently with termination of this Agreement; *provided, further*, that any payment of the NSH Termination Fee pursuant to Section 9.1(c) shall be made contemporaneously with the consummation of the Acquisition Proposal as provided in clause (iii) of Section 9.1(c). The Parties acknowledge that the agreements contained in this Section 9.1 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, none of the Parties would enter into this Agreement.

(f) (i) If the Merger is consummated, the Partnership shall pay, or cause to be paid, any and all property or transfer taxes imposed on any Party in connection with the Merger, (ii) expenses incurred in connection with filing, printing and distribution of the Proxy Statement and the Registration Statement shall be shared equally by the Partnership and NSH and (iii) any filing fees payable pursuant to regulatory Laws and other filing fees incurred in connection with this Agreement shall be paid by the Party incurring the fees. As used in this agreement, “**Expenses**” includes all out-of-pocket expenses (including all fees and expenses of counsel, accountants, investment bankers, experts and consultants to a Party hereto and its Affiliates) incurred by a Party or on its behalf in connection with or related to the authorization, preparation, negotiation, execution and performance of this Agreement and the transactions contemplated hereby, including the preparation, printing, filing and distribution of the Proxy Statement and the Registration Statement and the solicitation of any unitholder approvals and all other matters related to the transactions contemplated hereby; *provided* that the amount of Expenses payable by one Party to another under this Section 9.1 shall not exceed \$6.0 million.

(g) The “**NSH Termination Fee**” shall be an amount of cash equal to the lesser of (i) \$13.7 million (the “**NSH Base Amount**”) and (ii) the maximum amount, if any, that can be paid to the Partnership without causing the Partnership to fail the gross income requirement in Section 7704(c)(2) of the Code, treating the NSH Termination fee as non-qualifying income and after taking into consideration all other sources of non-qualifying income (such maximum amount, the “**Non-Qualifying Income Cushion**”), for such year, as determined by independent accountants to the Partnership. Notwithstanding the foregoing, in the event the Partnership receives a reasoned opinion from outside counsel or a ruling from the IRS (“**Tax Guidance**”) providing that the Partnership’s receipt of the NSH Base Amount would either constitute qualifying income (as defined in Section 7704(d) of the Code) or be excluded from gross income for purposes of Section 7704 of the Code, the NSH Termination Fee shall be an amount equal to the NSH Base Amount and NSH shall, upon receiving notice that the Partnership has received the Tax Guidance, pay to the Partnership any unpaid portion of the NSH Base Amount within five (5) Business Days. In the event that the Partnership is not able to receive the full NSH Base Amount due to the above limitations, NSH shall place the unpaid portion in escrow by wire transfer within three (3) days of termination and shall not release any portion thereof to the Partnership unless and until the Partnership receives either: (x) a letter from the Partnership’s independent accountants indicating the Non-Qualifying Income Cushion for any subsequent year (in which case NSH shall pay to the Partnership the lesser of the unpaid portion of the NSH Base Amount or the Non-Qualifying Income Cushion specified within five (5) Business Days after NSH has been notified thereof) or (y) Tax Guidance providing that the Partnership’s receipt of such portion would either constitute qualifying income (as defined in Section 7704(d) of the Code) or be excluded from gross income for purposes of Section 7704 of the Code (in which case NSH shall pay to the Partnership any unpaid portion of the NSH Base Amount within five (5) Business Days after NSH been notified thereof). The obligation of NSH to pay any unpaid portion of the NSH Base Amount shall terminate on December 31 following the date that is five (5) years from the date of this Agreement. Any amounts remaining in escrow after the obligation of NSH to pay the NSH Base Amount terminates shall be retained by NSH.

(h) Each of NSH, the General Partner, NuStar GP and Riverwalk Holdings agrees that, notwithstanding any right that it, NuStar GP or the General Partner may otherwise have, including pursuant to the Partnership Agreement, the Amended and Restated Partnership

Agreement, or otherwise, to the fullest extent permitted by law, it hereby waives and renounces for itself, and shall execute any necessary waiver or renunciation with respect to any distribution by the Partnership to which it is or may become entitled in its capacity as partner of the Partnership of any NSH Termination Fee paid pursuant to Section 9.1(b) (ii) or Section 9.1(c) or any Expense reimbursement paid to the Partnership by NSH (or portion thereof paid, pursuant to Section 9.1(g), to the escrow agent), together with an income allocation associated with such distribution, it being understood that following payment to the Partnership from NSH (or, pursuant to Section 9.1(g), the escrow agent), the Partnership will make a distribution to the Partnership Unitholders (excluding NSH, Riverwalk Holdings, NuStar GP or the General Partner) of all such amounts.

(i) This Section 9.1 shall survive any termination of this Agreement.

Section 9.2 Waiver; Amendment. Subject to compliance with applicable Law, prior to the Closing, any provision of this Agreement may be (a) waived in writing by the Party benefited by the provision and approved by the NuStar GP Conflicts Committee in the case of the Partnership and by the NSH Conflicts Committee in the case of NSH and executed in the same manner as this Agreement, or (b) amended or modified at any time, whether before or after the NSH Unitholder Approval, by an agreement in writing among the Parties hereto approved by the NuStar GP Conflicts Committee in the case of the Partnership and by the NSH Conflicts Committee in the case of NSH and executed in the same manner as this Agreement, *provided*, that after the NSH Unitholder Approval, no amendment shall be made that requires further NSH Unitholder Approval without such approval.

Section 9.3 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to constitute an original.

Section 9.4 Governing Law. This Agreement shall be governed by, and interpreted in accordance with, the Laws of the State of Delaware, without regard to the conflict of law principles thereof (except to the extent that mandatory provisions of federal or Delaware law govern).

Section 9.5 Confidentiality. Each of the Parties hereto and their respective agents, attorneys and accountants will maintain the confidentiality of all information provided in connection herewith to the extent required by, and subject to the limitations of, Section 6.5(b).

Section 9.6 Notices. All notices, requests and other communications hereunder to a Party shall be in writing and shall be deemed given if personally delivered, telecopied (with confirmation) or mailed by registered or certified mail (return receipt requested) to such Party at its address set forth below or such other address as such Party may specify by notice to the Parties hereto.

Section 9.7 Entire Understanding; No Third-Party Beneficiaries. This Agreement represents the entire understanding of the Parties with reference to the transactions contemplated hereby and supersedes any and all other oral or written agreements heretofore made. Except as contemplated by Section 6.11, nothing in this Agreement, expressed or implied, is intended to confer upon any person, other than the Parties or their respective successors, any rights, remedies, obligations or liabilities under or by reason of this Agreement.

Section 9.8 Severability. Any provision of this Agreement which is invalid, illegal or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability, without affecting in any way the remaining provisions hereof in such jurisdiction or rendering that or any other provision of this Agreement invalid, illegal or unenforceable in any other jurisdiction.

Section 9.9 Headings. The headings contained in this Agreement are for reference purposes only and are not part of this Agreement.

Section 9.10 Jurisdiction. The Parties agree that any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the transactions contemplated hereby shall be brought in the Court of Chancery of the State of Delaware, or in the event, but only in the event, that such court declines to accept jurisdiction over such proceeding, the Superior Court of the State of Delaware (Complex Commercial Division) or, if the subject matter jurisdiction over the matter that is the subject of any such proceedings is vested exclusively in the federal courts of the United States of America, the United States District Court for the District of Delaware, and any appellate courts of any thereof (collectively, the “**Courts**”), and each of the Parties hereby irrevocably consents to the jurisdiction of such Courts in any such suit, action or proceeding and irrevocably waives, to the fullest extent permitted by Law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum. Process in any such suit, action or proceeding may be served on any Party anywhere in the world, whether within or without the jurisdiction of any such court. Without limiting the foregoing, each Party agrees that service of process on such Party as provided in Section 9.6 shall be deemed effective service of process on such Party.

Section 9.11 Waiver of Jury Trial. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 9.12 Specific Performance. The Parties agree that irreparable damage would occur if any provision of this Agreement were not performed in accordance with the terms hereof and, accordingly, that the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement or to enforce specifically the performance of the terms and provisions hereof in any Court, in addition to any other remedy to which they are entitled at law or in equity.

Section 9.13 Survival. All representations, warranties, agreements and covenants contained in this Agreement shall not survive the Closing or the termination of this Agreement if this Agreement is terminated prior to the Closing; *provided, however*, that if the Closing occurs, the agreements of the Parties in Sections 3.3, 3.5, 3.6, 6.11 and Article IX shall survive the Closing, and if this Agreement is terminated prior to the Closing, the agreements of the Parties in Section 6.5(b), 8.2, and Article IX shall survive such termination.

Section 9.14 No Act or Failure to Act. With respect to any waiver or consent for which this Agreement expressly requires waiver or consent by the NuStar GP Board or the NuStar GP Conflicts Committee, no waiver or consent by or on behalf of the Partnership pursuant to or as contemplated by this Agreement shall have any effect unless such waiver or consent is expressly approved by the NuStar GP Board or the NuStar GP Conflicts Committee, as applicable. With respect to any act or failure to act for which this Agreement expressly requires action or inaction by the NuStar GP Board or the NuStar GP Conflicts Committee, no such act or failure to act by the NuStar GP Board or the NuStar GP Conflicts Committee shall constitute a breach by the Partnership of this Agreement unless such act or failure to act is expressly approved by the NuStar GP Board or the NuStar GP Conflicts Committee, as applicable.

Section 9.15 Scope of Representations, Warranties and Covenants. Notwithstanding anything to the contrary contained in this Agreement, (i) representations made by, or covenants to be performed by, the Partnership and its Subsidiaries shall be regarded as such notwithstanding the fact that NuStar GP or the General Partner are controlled by NSH, (ii) actions taken by NuStar GP or the General Partner on behalf of the Partnership or its Subsidiaries shall be deemed to be actions taken by the Partnership and its Subsidiaries.

The foregoing definition of Adjusted Capital Account is intended to comply with the provisions of Treasury Regulation Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith. The “*Adjusted Capital Account*” of a Partner in respect of a Common Unit or any other Partnership Security shall be the amount which such Adjusted Capital Account would be if such Common Unit or other Partnership Security were the only Partnership Interest held by a Partner from and after the date on which such Common Unit or other Partnership Security was first issued.

“*Adjusted Property*” means any property the Carrying Value of which has been adjusted pursuant to Section 5.5(d)(i) or 5.5(d)(ii).

“*Agreement*” means this Seventh Amended and Restated Agreement of Limited Partnership of NuStar Energy L.P., as it may be amended, supplemented or restated from time to time.

“*Arrears*” means, with respect to Preferred Distributions on any series of Preferred Units for any Quarter (or, with respect to the initial Preferred Distribution, for the initial Preferred Distribution Period with respect to such series), that the full cumulative Preferred Distributions through the most recent Preferred Distribution Payment Date have not been paid on all Outstanding Preferred Units of such series.

Limited Partners may include custodians, nominees or any other individual or entity in its own or any representative capacity.

In the case of a transfer pursuant to and in compliance with this Section 4.6, the transferee or successor (as the case may be) shall, subject to compliance with the terms of Section 10.3, be admitted to the Partnership as a General Partner immediately prior to the transfer of the Partnership Interest, and the business of the Partnership shall continue without dissolution.

SECTION 4.7 *Restrictions on Transfers.*

(a) Except as provided in Section 4.7(c) below, but notwithstanding the other provisions of this Article IV, no transfer of any Partnership Interests shall be made if such transfer would (i) violate the then applicable federal or state securities laws or rules and regulations of the Commission, any state securities commission or any other governmental authority with jurisdiction over such transfer, (ii) terminate the existence or qualification of the Partnership or the Operating Partnership under the laws of the jurisdiction of its formation, or (iii) cause the Partnership or the Operating Partnership to be treated as an association taxable as a corporation or otherwise to be taxed as an entity for federal income tax purposes (to the extent not already so treated or taxed).

(b) The General Partner may impose restrictions on the transfer of Partnership Interests if a subsequent Opinion of Counsel determines that such restrictions are necessary to avoid a significant risk of the Partnership becoming taxable as a corporation or otherwise to be taxed as an entity for federal income tax purposes. The restrictions may be imposed by making such amendments to this Agreement as the General Partner may determine to be necessary or appropriate to impose such restrictions; *provided, however*, that any amendment that the General Partner believes, in the exercise of its reasonable discretion, could result in the delisting or suspension of trading of any class of Limited Partner Interests on the principal National Securities Exchange on which such class of Limited Partner Interests is then traded must be approved, prior to such amendment being effected, by the holders of at least a majority of the Outstanding Limited Partner Interests of such class.

(c) Nothing contained in this Article IV, or elsewhere in this Agreement, shall preclude the settlement of any transactions involving Partnership Interests entered into through the facilities of any National Securities Exchange on which such Partnership Interests are listed for trading.

SECTION 4.8 *Citizenship Certificates; Non-citizen Assignees.*

(a) If any Group Member is or becomes subject to any federal, state or local law or regulation that, in the reasonable determination of the General Partner, creates a substantial risk of cancellation or forfeiture of any property in which the Group Member has an interest based on the nationality, citizenship or other related status of a Limited Partner or Assignee, the General Partner may request any Limited Partner or Assignee to furnish to the General Partner, within 30 days after receipt of such request, an executed Citizenship Certification or such other information concerning his nationality, citizenship or other related status (or, if the Limited Partner or Assignee is a nominee holding for the account of another Person, the nationality, citizenship or other related status of such Person) as the General Partner may request. If a Limited Partner or Assignee fails to furnish to the General Partner within the aforementioned 30-day period such Citizenship Certification or other requested information or if upon receipt of such Citizenship Certification or other requested information the General Partner determines, with the advice of counsel, that a Limited Partner or Assignee is not an Eligible Citizen, the Partnership Interests owned by such Limited Partner or Assignee shall be subject to redemption in accordance with the provisions of Section 4.9. In addition, the General Partner may require that the status of any such Partner or Assignee be changed to that of a Non-citizen Assignee and, thereupon, the General Partner shall be substituted for such Non-citizen Assignee as the Limited Partner in respect of his Limited Partner Interests.

(b) The General Partner shall, in exercising voting rights in respect of Limited Partner Interests held by it on behalf of Non-citizen Assignees, distribute the votes in the same ratios as the votes of Partners (including without limitation the General Partner) in respect of Limited Partner Interests other than those of Non-citizen Assignees are cast, either for, against or abstaining as to the matter.

(c) Upon dissolution of the Partnership, a Non-citizen Assignee shall have no right to receive a distribution in kind pursuant to Section 12.4 but shall be entitled to the cash equivalent thereof, and the Partnership shall provide cash in exchange for an assignment of the Non-citizen Assignee's share of the distribution in kind. Such payment and assignment shall be treated for Partnership purposes as a purchase by the Partnership from the Non-citizen Assignee of his Limited Partner Interest (representing his right to receive his share of such distribution in kind).

(d) At any time after he can and does certify that he has become an Eligible Citizen, a Non-citizen Assignee may, upon application to the General Partner, request admission as a Substituted Limited Partner with respect to any Limited Partner Interests of such Non-citizen Assignee not redeemed pursuant to Section 4.9, and upon his admission pursuant to Section 10.2, the General Partner shall cease to be deemed to be the Limited Partner in respect of the Non-citizen Assignee's Limited Partner Interests.

SECTION 4.9 *Redemption of Partnership Interests of Non-citizen Assignees.*

(a) If at any time a Limited Partner or Assignee fails to furnish a Citizenship Certification or other information requested within the 30-day period specified in Section 4.8(a), or if upon receipt of such Citizenship Certification or other information the General Partner determines, with the advice of counsel, that a Limited Partner or Assignee is not an Eligible Citizen, the Partnership may, unless the Limited Partner or Assignee establishes to the satisfaction of the General Partner that such Limited Partner or Assignee is an Eligible Citizen or has transferred his Partnership Interests to a Person who is an Eligible Citizen and who furnishes a Citizenship Certification to the General Partner prior to the date fixed for redemption as provided below, redeem the Partnership Interest of such Limited Partner or Assignee as follows:

(i) The General Partner shall, not later than the 30th day before the date fixed for redemption, give notice of redemption to the Limited Partner or Assignee, at his last address designated on the records of the Partnership or the Transfer Agent, by registered or certified mail, postage prepaid. The notice shall be deemed to have been given when so mailed. The notice shall specify the Redeemable Interests, the date fixed for redemption, the place of payment, that payment of the redemption price will be made upon surrender of the Certificate evidencing the Redeemable Interests and that on and after the date fixed for redemption no further allocations or distributions to which the Limited Partner or Assignee would otherwise be entitled in respect of the Redeemable Interests will accrue or be made.

(ii) The aggregate redemption price for Redeemable Interests shall be an amount equal to the Current Market Price (the date of determination of which shall be the date fixed for redemption) of Limited Partner Interests of the class to be so redeemed multiplied by the number of Limited Partner Interests of each such class included among the Redeemable Interests. The redemption price shall be paid, in the discretion of the General Partner, in cash or by delivery of a promissory note of the Partnership in the principal amount of the redemption price, bearing interest at the rate of 10% annually and payable in three equal annual installments of principal together with accrued interest, commencing one year after the redemption date.

(iii) Upon surrender by or on behalf of the Limited Partner or Assignee, at the place specified in the notice of redemption, of the Certificate evidencing the Redeemable Interests, duly endorsed in blank or accompanied by an assignment duly executed in blank, the Limited Partner or Assignee or his duly authorized representative shall be entitled to receive the payment therefor.

(iv) After the redemption date, Redeemable Interests shall no longer constitute issued and Outstanding Limited Partner Interests.

(b) The provisions of this Section 4.9 shall also be applicable to Limited Partner Interests held by a Limited Partner or Assignee as nominee of a Person determined to be other than an Eligible Citizen.

(c) Nothing in this Section 4.9 shall prevent the recipient of a notice of redemption from transferring his Limited Partner Interest before the redemption date if such transfer is otherwise permitted under this Agreement. Upon receipt of notice of such a transfer, the General Partner shall withdraw the notice of redemption, *provided* the transferee of such Limited Partner Interest certifies to the satisfaction of the General Partner in a Citizenship Certification delivered in connection with the Transfer Application that he is an Eligible Citizen. If the transferee fails to make such certification, such redemption shall be effected from the transferee on the original redemption date.

ARTICLE V CAPITAL CONTRIBUTIONS AND ISSUANCE OF PARTNERSHIP INTERESTS

SECTION 5.1 *Transformation of the General Partner Interest.*

The 2% general partner interest in the Partnership that existed immediately prior to the Effective Time is, immediately following the Effective Time, hereby converted into a non-economic, management interest in the Partnership. Following the Effective Time, the General Partner Interest shall only represent a non-economic, management interest of the General Partner in the Partnership. Riverwalk Logistics, L.P. hereby continues as general partner of the Partnership and the Partnership is hereby continued without dissolution.

SECTION 5.2 *Cancellation of Incentive Distribution Rights.*

The Incentive Distribution Rights that existed immediately prior to the Effective Time are, immediately following the Effective Time, hereby cancelled. Following the Effective Time, no Person, in its capacity as a former holder of the Incentive Distribution Rights, shall have any rights with respect to the Partnership as a former holder of the Incentive Distribution Rights, including the right to receive any distributions from the Partnership.

SECTION 5.3 *Contributions by Limited Partners.*

Each Limited Partner has contributed to the Partnership the cash or other property (if any) as set forth in the books and records of the Partnership.

SECTION 5.4 *Interest and Withdrawal.*

No interest shall be paid by the Partnership on Capital Contributions. No Partner or Assignee shall be entitled to the withdrawal or return of its Capital Contribution, except to the extent, if any, that distributions made pursuant to this Agreement or upon dissolution of the Partnership may be considered as such by law and then only to the extent provided for in this Agreement. Except to the extent expressly provided in this Agreement, no Partner or Assignee shall have priority over any other Partner or Assignee either as to the return of Capital Contributions or as to profits, losses or distributions. Any such return shall be a compromise to which all Partners and Assignees agree within the meaning of Section 17-502(b) of the Delaware Act.

SECTION 5.5 *Capital Accounts.*

(a) The Partnership shall maintain for each Limited Partner (or a beneficial owner of Partnership Interests held by a nominee in any case in which the nominee has furnished the identity of such owner to the Partnership in accordance with Section 6031(c) of the Code or any other method acceptable to the General Partner in its sole discretion) owning a Partnership Interest a separate Capital Account with respect to such Partnership Interest in accordance with the rules of Treasury Regulation Section 1.704-1(b)(2)(iv). The initial Capital Account attributable to a Preferred Unit shall be the Stated Liquidation Preference for such Preferred Unit, irrespective of the amount paid by such holder for such Preferred Unit. Capital Accounts shall be increased by (i) the amount of all Capital Contributions made to the Partnership with respect to such Partnership Interest (other than a Preferred Unit) pursuant to this Agreement and (ii) all items of Partnership income and gain (including, without limitation, income and gain exempt from tax) computed in accordance with Section 5.5(b) and allocated with respect to such Partnership Interest pursuant to Section 6.1, and decreased by (x) the amount of cash or Net Agreed Value of all actual and deemed distributions of cash or property made with respect to such Partnership Interest pursuant to this Agreement; *provided* that the Capital Account of a holder of Series A Preferred Units shall not be reduced by the amount of Series A Distributions it receives, the Capital Account of a holder of Series B Preferred Units shall not be reduced by the amount of Series B Distributions it receives and the Capital Account of a holder of Series C Preferred Units shall not be reduced by the amount of Series C Distributions it receives and (y) all items of Partnership deduction and loss computed in accordance with Section 5.5(b) and allocated with respect to such Partnership Interest pursuant to Section 6.1.

(b) For purposes of computing the amount of any item of income, gain, loss or deduction which is to be allocated pursuant to Article VI and is to be reflected in the Partners' Capital Accounts, the determination, recognition and classification of any such item shall be the same as its determination, recognition and classification for federal income tax purposes (including, without limitation, any method of depreciation, cost recovery or amortization used for that purpose), *provided*, that:

(i) Solely for purposes of this Section 5.5, the Partnership shall be treated as owning directly its proportionate share (as determined by the General Partner based upon the provisions of the Operating Partnership Agreement) of all property owned by the Operating Partnership or any other Subsidiary that is classified as a partnership for federal income tax purposes.

(ii) All fees and other expenses incurred by the Partnership to promote the sale of (or to sell) a Partnership Interest that can neither be deducted nor amortized under Section 709 of the Code, if any, shall, for purposes of Capital Account maintenance, be treated as an item of deduction at the time such fees and other expenses are incurred and shall be allocated among the Partners pursuant to Section 6.1.

(iii) Except as otherwise provided in Treasury Regulation Section 1.704-1(b)(2)(iv)(m), the computation of all items of income, gain, loss and deduction shall be made without regard to any election under Section 754 of the Code which may be made by the Partnership and, as to those items described in Section 705(a)(1)(B) or 705(a)(2)(B) of the Code, without regard to the fact that such items are not includable in gross income or are neither currently deductible nor capitalized for federal income tax purposes. To the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to Section 734(b) or 743(b) of the Code is required, pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of such adjustment in the Capital Accounts shall be treated as an item of gain or loss.

(iv) Any income, gain or loss attributable to the taxable disposition of any Partnership property shall be determined as if the adjusted basis of such property as of such date of disposition were equal in amount to the Partnership's Carrying Value with respect to such property as of such date.

(v) In accordance with the requirements of Section 704(b) of the Code, any deductions for depreciation, cost recovery or amortization attributable to any Contributed Property shall be determined as if the adjusted basis of such property on the date it was acquired by the Partnership were equal to the Agreed Value of such property. Upon an adjustment pursuant to Section 5.5(d) to the Carrying Value of any Partnership property subject to depreciation, cost recovery or amortization, any further deductions for such depreciation, cost recovery or amortization attributable to such property shall be determined (A) as if the adjusted basis of such property were equal to the Carrying Value of such property immediately following such adjustment and (B) using a rate of depreciation, cost recovery or amortization derived from the same method and useful life (or, if applicable, the remaining useful life) as is applied for federal income tax purposes; *provided, however*, that, if the asset has a zero adjusted basis for federal income tax purposes, depreciation, cost recovery or amortization deductions shall be determined using any reasonable method that the General Partner may adopt.

(vi) If the Partnership's adjusted basis in a depreciable or cost recovery property is reduced for federal income tax purposes pursuant to Section 48(q)(1) or 48(q)(3) of the Code, the amount of such reduction shall, solely for purposes hereof, be deemed to be an additional depreciation or cost recovery deduction in the year such property is placed in service and shall be allocated among the Partners pursuant to Section 6.1. Any restoration of such basis pursuant to Section 48(q)(2) of the Code shall, to the extent possible, be allocated in the same manner to the Partners to whom such deemed deduction was allocated.

(c) A transferee of a Partnership Interest shall succeed to a Pro Rata portion of the Capital Account of the transferor relating to the Partnership Interest so transferred.

(d) (i) In accordance with Treasury Regulation Section 1.704-1(b)(2)(iv)(f), on an issuance of additional Partnership Interests for cash or Contributed Property, the issuance of Partnership Interests as consideration for the provision of services or the conversion of the General Partner's Combined Interest to Common Units pursuant to [Section 11.3\(b\)](#) or the issuance of a Noncompensatory Option (including the conversion of a Series A Preferred Unit in accordance with [Section 16.11](#), the conversion of a Series B Preferred Unit in accordance with [Section 17.11](#) and the conversion of a Series C Preferred Unit in accordance with [Section 18.11](#)), the Capital Accounts of all Partners and the Carrying Value of each Partnership property immediately prior to such issuance shall be adjusted upward or downward to reflect any Unrealized Gain or Unrealized Loss attributable to such Partnership property, as if such Unrealized Gain or Unrealized Loss had been recognized on an actual sale of each such property immediately prior to such issuance for an amount equal to its fair market value and had been allocated to the Partners at such time pursuant to [Section 6.1](#) in the same manner as any item of gain or loss actually recognized following an event giving rise to the dissolution of the Partnership would have been allocated; *provided, however*, that in the event of the issuance of a Partnership Interest pursuant to the exercise of a Noncompensatory Option where the right to share in Partnership capital represented by such Partnership Interest differs from the consideration paid to acquire and exercise such option, the Carrying Value of each Partnership property immediately after the issuance of such Partnership Interest shall be adjusted upward or downward to reflect any Unrealized Gain or Unrealized Loss attributable to such Partnership property and the Capital Accounts of the Partners shall be adjusted in a manner consistent with Treasury Regulation Section 1.704-1(b)(2)(iv)(s); *provided further, however*, that in the event of an issuance of Partnership Interests for a de minimis amount of cash or Contributed Property, in the event of an issuance of a Noncompensatory Option to acquire a de minimis Partnership Interest, or in the event of an issuance of a de minimis amount of Partnership Interests as consideration for the provision of services, the General Partner may determine that such adjustments are unnecessary for the proper administration of the Partnership. If, upon the occurrence of a Revaluation Event described in this [Section 5.5\(d\)](#), a Noncompensatory Option of the Partnership is outstanding, the Partnership shall adjust the Carrying Value of each Partnership property in accordance with Treasury Regulation Sections 1.704-1(b)(2)(iv)(f)(1) and 1.704-1(b)(2)(iv)(h)(2). In determining such Unrealized Gain or Unrealized Loss, the aggregate cash amount and fair market value of all Partnership assets (including, without limitation, cash or cash equivalents) immediately prior to the issuance of additional Partnership Interests (or, in the case of a Revaluation Event resulting from the exercise of a Noncompensatory Option, immediately after the issuance of the Partnership Interest acquired pursuant to the exercise of such Noncompensatory Option if required pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(s)(1)) shall be determined by the General Partner using such reasonable method of valuation as it may adopt; *provided, however*, that the General Partner, in arriving at such valuation,

must take fully into account the fair market value of the Partnership Interests of all Partners at such time. The General Partner shall allocate such aggregate value among the assets of the Partnership (in such manner as it determines in its discretion to be reasonable) to arrive at a fair market value for individual properties.

(ii) In accordance with Treasury Regulation Section 1.704-1(b)(2)(iv)(f), immediately prior to any actual or deemed distribution to a Partner of any Partnership property (other than a distribution of cash that is not in redemption or retirement of a Partnership Interest), the Capital Accounts of all Partners and the Carrying Value of all Partnership property shall be adjusted upward or downward to reflect any Unrealized Gain or Unrealized Loss attributable to such Partnership property, as if such Unrealized Gain or Unrealized Loss had been recognized on an actual sale of each such property immediately prior to such distribution for an amount equal to its fair market value, and had been allocated to the Partners, at such time, pursuant to Section 6.1 in the same manner as any item of gain or loss actually recognized following an event giving rise to the dissolution of the Partnership would have been allocated. In determining such Unrealized Gain or Unrealized Loss the aggregate cash amount and fair market value of all Partnership assets (including, without limitation, cash or cash equivalents) immediately prior to a distribution shall (A) in the case of an actual distribution which is not made pursuant to Section 12.4 or in the case of a deemed distribution, be determined and allocated in the same manner as that provided in Section 5.5(d)(i) or (B) in the case of a liquidating distribution pursuant to Section 12.4, be determined and allocated by the Liquidator using such reasonable method of valuation as it may adopt.

SECTION 5.6 *Issuances of Additional Partnership Securities.*

(a) Subject to Section 5.7 and subject to any approvals required by Series A Holders pursuant to Section 16.4(b) and Section 16.4(c), any approvals required by Series B Holders pursuant to Section 17.4(b) and Section 17.4(c) and any approvals required by Series C Holders pursuant to Section 18.4(b) and Section 18.4(c), the Partnership may issue additional Partnership Securities and options, rights, warrants and appreciation rights relating to the Partnership Securities for any Partnership purpose at any time and from time to time to such Persons for such consideration and on such terms and conditions as shall be established by the General Partner in its sole discretion, all without the approval of any Limited Partners.

(b) Each additional Partnership Security authorized to be issued by the Partnership pursuant to Section 5.6(a) may be issued in one or more classes, or one or more series of any such classes, with such designations, preferences, rights, powers and duties (which may be senior to existing classes and series of Partnership Securities), as shall be fixed by the General Partner in the exercise of its sole discretion, including (i) the right to share Partnership profits and losses or items thereof; (ii) the right to share in Partnership distributions; (iii) the rights upon dissolution and liquidation of the Partnership; (iv) whether, and the terms and conditions upon which, the Partnership may redeem the Partnership Security; (v) whether such Partnership Security is issued with the privilege of conversion or exchange and, if so, the terms and conditions of such conversion or exchange; (vi) the terms and conditions upon which each Partnership Security will be issued, evidenced by certificates and assigned or transferred; and (vii) the right, if any, of each such Partnership Security to vote on Partnership matters, including matters relating to the relative rights, preferences and privileges of such Partnership Security.

(c) The General Partner is hereby authorized and directed to take all actions that it deems necessary or appropriate in connection with (i) each issuance of Partnership Securities and options, rights, warrants and appreciation rights relating to Partnership Securities pursuant to this Section 5.6, (ii) the conversion of the General Partner Interest or Preferred Units into Units pursuant to the terms of this Agreement, (iii) the admission of Additional Limited Partners and (iv) all additional issuances of Partnership Securities. The General Partner is further authorized and directed to specify the relative rights, powers and duties of the holders of the Units or other Partnership Securities being so issued. The General Partner shall do all things necessary to comply with the Delaware Act and is authorized and directed to do all things it deems to be necessary or advisable in connection with any future issuance of Partnership Securities or in connection with the conversion of the General Partner Interest or Preferred Units into Units pursuant to the terms of this Agreement, including compliance with any statute, rule, regulation or guideline of any federal, state or other governmental agency or any National Securities Exchange on which the Units or other Partnership Securities are listed for trading.

SECTION 5.7 *No Fractional Units.* No fractional Units shall be issued by the Partnership.

SECTION 5.8 *No Preemptive Right.*

No Person shall have any preemptive, preferential or other similar right with respect to the issuance of any Partnership Security, whether unissued, held in the treasury or hereafter created.

SECTION 5.9 *Splits and Combinations.*

(a) Subject to Section 5.9(d), the Partnership may make a Pro Rata distribution of Partnership Securities (other than Preferred Units) to all Record Holders or may effect a subdivision or combination of Partnership Securities so long as, after any such event, each Partner shall have the same Percentage Interest in the Partnership as before such event, and any amounts calculated on a per unit basis (including those based on the Stated Liquidation Preference) or stated as a number of Partnership Securities are proportionately adjusted retroactive to the beginning of the Partnership.

(b) Whenever such a distribution, subdivision or combination of Partnership Securities is declared, the General Partner shall select a Record Date as of which the distribution, subdivision or combination shall be effective and shall send notice thereof at least 20 days prior to such Record Date to each Record Holder as of a date not less than 10 days prior to the date of such notice. The General Partner also may cause a firm of independent public accountants selected by it to calculate the number of Partnership Securities to be held by each Record Holder after giving effect to such distribution, subdivision or combination. The General Partner shall be entitled to rely on any certificate provided by such firm as conclusive evidence of the accuracy of such calculation.

(c) Promptly following any such distribution, subdivision or combination, the Partnership may issue Certificates to the Record Holders of Partnership Securities as of the applicable Record Date representing the new number of Partnership Securities held by such Record Holders, or the General Partner may adopt such other procedures as it may deem appropriate to reflect such changes. If any such combination results in a smaller total number of Partnership Securities Outstanding, the Partnership shall require, as a condition to the delivery to a Record Holder of such new Certificate, the surrender of any Certificate held by such Record Holder immediately prior to such Record Date.

(d) The Partnership shall not issue fractional Partnership Securities upon any distribution, subdivision, combination, or conversion of any such Partnership Security. If a distribution, subdivision, combination or conversion of a Partnership Security would result in the issuance of fractional Partnership Securities but for the provisions of this Section 5.9(d), each fractional Partnership Security shall be rounded to the nearest whole Partnership Security (and a 0.5 Partnership Security shall be rounded to the next higher Partnership Security).

SECTION 5.10 *Fully Paid and Non-Assessable Nature of Limited Partner Interests.*

All Limited Partner Interests issued pursuant to, and in accordance with the requirements of, this Article V, Article XVI, Article XVII or Article XVIII shall be fully paid and non-assessable Limited Partner Interests in the Partnership, except as such non-assessability may be affected by Sections 17-303(a), 17-607 and 17-804 of the Delaware Act.

ARTICLE VI
ALLOCATIONS AND DISTRIBUTIONS

SECTION 6.1 *Allocations for Capital Account Purposes.*

For purposes of maintaining the Capital Accounts and in determining the rights of the Partners among themselves, the Partnership's items of income, gain, loss and deduction (computed in accordance with Section 5.5(b)) shall be allocated among the Partners in each taxable year (or portion thereof) as provided herein below. For purposes of making allocations under this Section 6.1, a Person shall be considered as the holder solely of the class of Partnership Interests to which such allocation relates.

(a) *Net Income.* After giving effect to the special allocations set forth in Section 6.1(c), Net Income for each taxable period and all items of income, gain, loss and deduction taken into account in computing Net Income for such taxable period shall be allocated to the Unitholders, in accordance with their Percentage Interests.

(b) *Net Losses.* After giving effect to the special allocations set forth in Section 6.1(c), Net Losses for each taxable period and all items of income, gain, loss and deduction taken into account in computing Net Losses for such taxable period shall be allocated as follows:

(i) First, 100% to the Unitholders, in accordance with their Percentage Interests; *provided*, that Net Losses shall not be allocated pursuant to this Section 6.1(b)(i) the extent that such allocation would cause any Unitholder to have a deficit balance in its Adjusted Capital Account at the end of such taxable year (or increase any existing deficit balance in its Adjusted Capital Account);

(ii) Second, to all Preferred Holders, in proportion to their respective positive Adjusted Capital Account balances, until the Adjusted Capital Account in respect of each Preferred Unit then Outstanding has been reduced to zero.

(c) *Special Allocations.* Notwithstanding any other provision of this Section 6.1, the following special allocations shall be made for such taxable period:

(i) *Partnership Minimum Gain Chargeback.* Notwithstanding any other provision of this Section 6.1, if there is a net decrease in Partnership Minimum Gain during any Partnership taxable period, each Partner shall be allocated items of Partnership income and gain for such period (and, if necessary, subsequent periods) in the manner and amounts provided in Treasury Regulation Sections 1.704-2(f)(6), 1.704-2(g)(2) and 1.704-2(j)(2)(i), or any successor provision. For purposes of this Section 6.1(c), each Partner's Adjusted Capital Account balance shall be determined, and the allocation of income or gain required hereunder shall be effected, prior to the application of any other allocations pursuant to this Section 6.1(c) with respect to such taxable period (other than an allocation pursuant to Sections 6.1(c)(vi) and 6.1(c)(vii)). This Section 6.1(c)(i) is intended to comply with the Partnership Minimum Gain chargeback requirement in Treasury Regulation Section 1.704-2(f) and shall be interpreted consistently therewith.

(ii) *Chargeback of Partner Nonrecourse Debt Minimum Gain.* Notwithstanding the other provisions of this Section 6.1 (other than Section 6.1(c)(i)), except as provided in Treasury Regulation Section 1.704-2(i)(4), if there is a net decrease in Partner Nonrecourse Debt Minimum Gain during any Partnership taxable period, any Partner with a share of Partner Nonrecourse Debt Minimum Gain at the beginning of such taxable period shall be allocated items of Partnership income and gain for such period (and, if necessary, subsequent periods) in the manner and amounts provided in Treasury Regulation Sections 1.704-2(i)(4) and 1.704-2(j)(2)(ii), or any successor provisions. For purposes of this Section 6.1(c), each Partner's Adjusted Capital Account balance shall be determined, and the allocation of income or gain required hereunder shall be effected, prior to the application of any other allocations pursuant to this Section 6.1(c) (other than Section 6.1(c)(i) and other than an allocation pursuant to Sections 6.1(c)(vi) and 6.1(c)(vii)), with respect to such taxable period. This Section 6.1(c)(ii) is intended to comply with the chargeback of items of income and gain requirement in Treasury Regulation Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

(iii) *Priority Allocations.* If the amount of cash or the Net Agreed Value of any property distributed (except cash or property distributed pursuant to Section 12.4) to any Unitholder with respect to its Units for a taxable year is greater (on a per Unit basis) than the amount of cash or the Net Agreed Value of property distributed to the other Unitholders with respect to their Units (on a per Unit basis), then each Unitholder receiving such greater cash or property distribution shall be allocated gross income in an amount equal to the product of (A) the amount by which the distribution (on a per Unit basis) to such Unitholder exceeds the distribution (on a per Unit basis) to the Unitholders receiving the smallest distribution and (B) the number of Units owned by the Unitholder receiving the greater distribution.

(iv) Qualified Income Offset. In the event any Partner unexpectedly receives any adjustments, allocations or distributions described in Treasury Regulation Sections 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5), or 1.704-1(b)(2)(ii)(d)(6), items of Partnership income and gain shall be specially allocated to such Partner in an amount and manner sufficient to eliminate, to the extent required by the Treasury Regulations promulgated under Section 704(b) of the Code, the deficit balance, if any, in its Adjusted Capital Account created by such adjustments, allocations or distributions as quickly as possible unless such deficit balance is otherwise eliminated pursuant to Section 6.1(c)(i) or (ii).

(v) Gross Income Allocations. In the event any Partner has a deficit balance in its Capital Account at the end of any Partnership taxable period in excess of the sum of (A) the amount such Partner is required to restore pursuant to the provisions of this Agreement and (B) the amount such Partner is deemed obligated to restore pursuant to Treasury Regulation Sections 1.704-2(g) and 1.704-2(i)(5), such Partner shall be specially allocated items of Partnership gross income and gain in the amount of such excess as quickly as possible; *provided*, that an allocation pursuant to this Section 6.1(c)(v) shall be made only if and to the extent that such Partner would have a deficit balance in its Capital Account as adjusted after all other allocations provided for in this Section 6.1 have been tentatively made as if this Section 6.1(c)(v) was not in this Agreement.

(vi) Nonrecourse Deductions. Nonrecourse Deductions for any taxable period shall be allocated to the Partners in accordance with their respective Percentage Interests. If the General Partner determines in its good faith discretion that the Partnership's Nonrecourse Deductions must be allocated in a different ratio to satisfy the safe harbor requirements of the Treasury Regulations promulgated under Section 704(b) of the Code, the General Partner is authorized, upon notice to the other Partners, to revise the prescribed ratio to the numerically closest ratio that does satisfy such requirements.

(vii) Partner Nonrecourse Deductions. Partner Nonrecourse Deductions for any taxable period shall be allocated 100% to the Partner that bears the Economic Risk of Loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable in accordance with Treasury Regulation Section 1.704-2(i). If more than one Partner bears the Economic Risk of Loss with respect to a Partner Nonrecourse Debt, such Partner Nonrecourse Deductions attributable thereto shall be allocated between or among such Partners in accordance with the ratios in which they share such Economic Risk of Loss.

(viii) Nonrecourse Liabilities. For purposes of Treasury Regulation Section 1.752-3(a)(3), the Partners agree that Nonrecourse Liabilities of the Partnership in excess of the sum of (A) the amount of Partnership Minimum Gain and (B) the total amount of Nonrecourse Built-in Gain shall be allocated among the Partners in accordance with their respective Percentage Interests.

(ix) Code Section 754 Adjustments. To the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to Section 734(b) or 743(b) of the Code is required, pursuant to Treasury Regulation Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis), and such item of gain or loss shall be specially allocated to the Partners in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such Section of the Treasury Regulations.

(x) Economic Uniformity. For the proper administration of the Partnership and for the preservation of uniformity of the Limited Partner Interests (or any class or classes thereof), the General Partner shall have sole discretion to (A) adopt such conventions as it deems appropriate in determining the amount of depreciation, amortization and cost recovery deductions; (B) make special allocations of income (including, without limitation, gross income), gain, loss, deduction, Unrealized Gain or Unrealized Loss or deductions; and (C) amend the provisions of this Agreement as appropriate (x) to reflect the proposal or promulgation of Treasury Regulations under Section 704(b) or Section 704(c) of the Code or (y) otherwise to preserve or achieve uniformity of the Limited Partner Interests (or any class or classes thereof). The General Partner may adopt such conventions, make such allocations and make such amendments to this Agreement as provided in this Section 6.1(c)(x) only if such conventions, allocations or amendments would not have a material adverse effect on the Partners, the holders of any class or classes of Limited Partner Interests issued and Outstanding of the Partnership, and if such allocations are consistent with the principles of Section 704 of the Code.

(xi) Preferred Unit Allocations.

(A) Income of the Partnership attributable to the issuance by the Partnership of a Preferred Unit for an amount in excess of the Stated Liquidation Preference for such Preferred Unit shall be allocated to the Partners (other than Preferred Holders) in accordance with their respective Percentage Interests.

(B) Unrealized Gain, if any, for the taxable period (or, to the extent necessary, items of income and gain for the taxable period) shall be allocated to each Preferred Holder in proportion to, and to the extent of, an amount equal to the excess, if any, of (x) the Stated Liquidation Preference with respect to such holder's Preferred Units, over (y) such holder's existing Capital Account balance in respect of its Preferred Units, until the Capital Account balance of each such holder in respect of its Preferred Units is equal to the Stated Liquidation Preference in respect of such Preferred Units.

(xii) Curative Allocation.

(A) Notwithstanding any other provision of this Section 6.1, other than the Required Allocations, the Required Allocations shall be taken into account in making the Agreed Allocations so that, to the extent possible, the net amount of items of income, gain, loss and deduction allocated to each Partner pursuant to the Required Allocations and the Agreed Allocations, together, shall be equal to the net amount of such items that would have been allocated to each such Partner under the Agreed Allocations had the Required Allocations and the related Curative Allocation not otherwise been provided in this Section 6.1. Notwithstanding the preceding sentence, Required Allocations relating to (1) Nonrecourse Deductions shall not be taken into account except to the extent that there has been a decrease in Partnership Minimum Gain and (2) Partner Nonrecourse Deductions shall not be taken into account except to the extent that there has been a decrease in Partner Nonrecourse Debt Minimum Gain. Allocations pursuant to this Section 6.1(c)(xii)(A) shall only be made with respect to Required Allocations to the extent the General Partner reasonably determines that such allocations will otherwise be inconsistent with the economic agreement among the Partners. Further, allocations pursuant to this Section 6.1(c)(xii)(A) shall be deferred with respect to allocations pursuant to clauses (1) and (2) hereof to the extent the General Partner reasonably determines that such allocations are likely to be offset by subsequent Required Allocations.

(B) The General Partner shall have reasonable discretion, with respect to each taxable period, to (1) apply the provisions of Section 6.1(c)(xii)(A) in whatever order is most likely to minimize the economic distortions that might otherwise result from the Required Allocations, and (2) divide all allocations pursuant to Section 6.1(c)(xii)(A) among the Partners in a manner that is likely to minimize such economic distortions.

SECTION 6.2 *Allocations for Tax Purposes.*

(a) Except as otherwise provided herein, for federal income tax purposes, each item of income, gain, loss and deduction shall be allocated among the Partners in the same manner as its correlative item of “book” income, gain, loss or deduction is allocated pursuant to Section 6.1.

(b) In an attempt to eliminate Book-Tax Disparities attributable to a Contributed Property or Adjusted Property, items of income, gain, loss, depreciation, amortization and cost recovery deductions shall be allocated for federal income tax purposes among the Partners as follows:

(i) (A) In the case of a Contributed Property, such items attributable thereto shall be allocated among the Partners in the manner provided under Section 704(c) of the Code that takes into account the variation between the Agreed Value of such property and its adjusted basis at the time of contribution; and (B) any item of Residual Gain or Residual Loss attributable to a Contributed Property shall be allocated among the Partners in the same manner as its correlative item of “book” gain or loss is allocated pursuant to Section 6.1.

(ii) (A) In the case of an Adjusted Property, such items shall (1) first, be allocated among the Partners in a manner consistent with the principles of Section 704(c) of the Code to take into account the Unrealized Gain or Unrealized Loss attributable to such property and the allocations thereof pursuant to Section 5.5(d), (i) or 5.5(d)(ii), and (2) second, in the event such property was originally a Contributed Property, be allocated among the Partners in a manner consistent with Section 6.2(b)(i)(A); and (B) any item of Residual Gain or Residual Loss attributable to an Adjusted Property shall be allocated among the Partners in the same manner as its correlative item of "book" gain or loss is allocated pursuant to Section 6.1.

(iii) The General Partner shall apply the principles of Treasury Regulation Section 1.704-3(d) to eliminate Book-Tax Disparities.

(c) The General Partner in its discretion may determine to depreciate or amortize the portion of an adjustment under Section 743(b) of the Code attributable to unrealized appreciation in any Adjusted Property (to the extent of the unamortized Book-Tax Disparity) using a predetermined rate derived from the depreciation or amortization method and useful life applied to the Partnership's common basis of such property, despite any inconsistency of such approach with Treasury Regulation Section 1.167(c)-1(a)(6), or any successor regulations thereto. If the General Partner determines that such reporting position cannot reasonably be taken, the General Partner may adopt depreciation and amortization conventions under which all purchasers acquiring Limited Partner Interests in the same month would receive depreciation and amortization deductions, based upon the same applicable rate as if they had purchased a direct interest in the Partnership's property. If the General Partner chooses not to utilize such aggregate method, the General Partner may use any other reasonable depreciation and amortization conventions to preserve the uniformity of the intrinsic tax characteristics of any Limited Partner Interests that would not have a material adverse effect on the Limited Partners or the Record Holders of any class or classes of Limited Partner Interests.

(d) Any gain allocated to the Partners upon the sale or other taxable disposition of any Partnership asset shall, to the extent possible, after taking into account other required allocations of gain pursuant to this Section 6.2, be characterized as Recapture Income in the same proportions and to the same extent as such Partners (or their predecessors in interest) have been allocated any deductions directly or indirectly giving rise to the treatment of such gains as Recapture Income.

(e) All items of income, gain, loss, deduction and credit recognized by the Partnership for federal income tax purposes and allocated to the Partners in accordance with the provisions hereof shall be determined without regard to any election under Section 754 of the Code which may be made by the Partnership; *provided, however*, that such allocations, once made, shall be adjusted as necessary or appropriate to take into account those adjustments permitted or required by Sections 734 and 743 of the Code.

(f) Each item of Partnership income, gain, loss and deduction attributable to a transferred Partnership Interest, shall for federal income tax purposes, be determined on an annual basis and prorated on a monthly basis and shall be allocated to the Partners as of the opening of the NYSE on the first Business Day of each month; *provided, however*, that gain or

loss on a sale or other disposition of any assets of the Partnership other than in the ordinary course of business shall be allocated to the Partners as of the opening of the NYSE on the first Business Day of the month in which such gain or loss is recognized for federal income tax purposes. The General Partner may revise, alter or otherwise modify such methods of allocation as it determines necessary, to the extent permitted or required by Section 706 of the Code and the regulations or rulings promulgated thereunder.

(g) Allocations that would otherwise be made to a Limited Partner under the provisions of this Article VI shall instead be made to the beneficial owner of Limited Partner Interests held by a nominee in any case in which the nominee has furnished the identity of such owner to the Partnership in accordance with Section 6031(c) of the Code or any other method acceptable to the General Partner in its sole discretion.

(h) If, as a result of an exercise of a Noncompensatory Option, a Capital Account reallocation is required under Treasury Regulation Section 1.704-1(b)(2)(iv)(s)(3), the General Partner shall make corrective allocations pursuant to Treasury Regulation Section 1.704-1(b)(4)(x).

SECTION 6.3 Requirement and Characterization of Distributions; Distributions to Record Holders.

(a) Within 45 days following the end of each Quarter, an amount equal to 100% of Available Cash with respect to such Quarter shall, subject to Section 17-607 of the Delaware Act, be distributed in accordance with this Article VI by the Partnership to the Partners as of the Record Date selected by the General Partner in its reasonable discretion. All amounts of Available Cash distributed by the Partnership on any date from any source shall be deemed to be Operating Surplus until the sum of all amounts of Available Cash theretofore distributed by the Partnership to the Partners equals the amount of Operating Surplus as calculated with respect to the Quarter in respect of which such distribution of Available Cash is to be made through the close of the Quarter. Any remaining amounts of Available Cash distributed by the Partnership on such date shall be deemed to be "*Capital Surplus*." Notwithstanding any provision to the contrary contained in this Agreement, the Partnership shall not make any distributions to any Partner on account of its interest in the Partnership if such distribution would violate the Delaware Act. This Section 6.3(a) (except for the second to the last sentence of this Section 6.3(a)) shall not apply to Preferred Units.

(b) Notwithstanding Section 6.3(a), in the event of the dissolution and liquidation of the Partnership, all receipts received during or after the Quarter in which the Liquidation Date occurs, other than from borrowings described in (a)(ii) of the definition of Available Cash, shall be applied and distributed solely in accordance with, and subject to the terms and conditions of, Section 12.4.

(c) The General Partner shall have the discretion to treat taxes paid by the Partnership on behalf of, or amounts withheld with respect to, all or less than all of the Partners, as a distribution of Available Cash to such Partners.

(d) Each distribution in respect of a Partnership Interest shall be paid by the Partnership, directly or through the Transfer Agent or through any other Person or agent, only to the Record Holder of such Partnership Interest as of the Record Date set for such distribution. Such payment shall constitute full payment and satisfaction of the Partnership's liability in respect of such payment, regardless of any claim of any Person who may have an interest in such payment by reason of an assignment or otherwise.

SECTION 6.4 *Distributions.*

Available Cash with respect to any Quarter, shall be distributed in accordance with each Limited Partner's Percentage Interest (subject to Section 16.3 in respect of Series A Preferred Units described therein, Section 17.3 in respect of Series B Preferred Units described therein and Section 18.3 in respect of Series C Preferred Units described therein and except as otherwise required by Section 5.6(b) in respect of additional Partnership Securities issued pursuant thereto).

SECTION 6.5 *Adjustment of Minimum Quarterly Distribution.*

(a) The Minimum Quarterly Distribution shall be proportionately adjusted in the event of any distribution, combination or subdivision (whether effected by a distribution payable in Units or otherwise) of Units or other Partnership Securities in accordance with Section 5.9. In the event of a distribution of Available Cash that is deemed to be from Capital Surplus, the then applicable Minimum Quarterly Distribution shall be adjusted proportionately downward to equal the product obtained by multiplying the otherwise applicable Minimum Quarterly Distribution by a fraction of which the numerator is the Unrecovered Capital of the Common Units immediately after giving effect to such distribution and of which the denominator is the Unrecovered Capital of the Common Units immediately prior to giving effect to such distribution.

(b) The Minimum Quarterly Distribution shall also be subject to adjustment pursuant to Section 6.6.

SECTION 6.6 *Entity-Level Taxation.*

If legislation is enacted or the interpretation of existing language is modified by the relevant governmental authority which causes the Partnership or the Operating Partnership to be treated as an association taxable as a corporation or otherwise subjects the Partnership or the Operating Partnership to entity-level taxation for federal, state or local income tax purposes, the then applicable Minimum Quarterly Distribution shall be adjusted to equal the product obtained by multiplying (a) the amount thereof by (b) one minus the sum of (i) the highest marginal federal corporate (or other entity, as applicable) income tax rate of the Partnership or the Operating Partnership for the taxable year of the Partnership or the Operating Partnership in which such Quarter occurs (expressed as a percentage) plus (ii) the effective overall state and local income tax rate (expressed as a percentage) applicable to the Partnership or the Operating Partnership for the calendar year next preceding the calendar year in which such Quarter occurs (after taking into account the benefit of any deduction allowable for federal income tax purposes with respect to the payment of state and local income taxes), but only to the extent of the increase in such rates resulting from such legislation or interpretation. Such effective overall

state and local income tax rate shall be determined for the taxable year next preceding the first taxable year during which the Partnership or the Operating Partnership is taxable for federal income tax purposes as an association taxable as a corporation or is otherwise subject to entity-level taxation by determining such rate as if the Partnership or the Operating Partnership had been subject to such state and local taxes during such preceding taxable year.

ARTICLE VII
MANAGEMENT AND OPERATION OF BUSINESS

SECTION 7.1 *Management.*

(a) The General Partner shall conduct, direct and manage all activities of the Partnership. Except as otherwise expressly provided in this Agreement, all management powers over the business and affairs of the Partnership shall be exclusively vested in the General Partner, and no Limited Partner or Assignee shall have any management power over the business and affairs of the Partnership. In addition to the powers now or hereafter granted a general partner of a limited partnership under applicable law or which are granted to the General Partner under any other provision of this Agreement, the General Partner, subject to Section 7.3, shall have full power and authority to do all things and on such terms as it, in its sole discretion, may deem necessary or appropriate to conduct the business of the Partnership, to exercise all powers set forth in Section 2.5 and to effectuate the purposes set forth in Section 2.4, including the following:

(i) the making of any expenditures, the lending or borrowing of money, the assumption or guarantee of, or other contracting for, indebtedness and other liabilities, the issuance of evidences of indebtedness, including indebtedness that is convertible into Partnership Securities, and the incurring of any other obligations;

(ii) the making of tax, regulatory and other filings, or rendering of periodic or other reports to governmental or other agencies having jurisdiction over the business or assets of the Partnership;

(iii) the acquisition, disposition, mortgage, pledge, encumbrance, hypothecation or exchange of any or all of the assets of the Partnership or the merger or other combination of the Partnership with or into another Person (the matters described in this clause (iii) being subject, however, to any prior approval that may be required by Section 7.3);

(iv) the use of the assets of the Partnership (including cash on hand) for any purpose consistent with the terms of this Agreement, including the financing of the conduct of the operations of the Partnership Group; subject to Section 7.6(a), the lending of funds to other Persons (including the Operating Partnership); the repayment of obligations of the Partnership Group and the making of capital contributions to any member of the Partnership Group;

(v) the negotiation, execution and performance of any contracts, conveyances or other instruments (including instruments that limit the liability of the Partnership under contractual arrangements to all or particular assets of the Partnership,

with the other party to the contract to have no recourse against the General Partner or its assets other than its interest in the Partnership, even if same results in the terms of the transaction being less favorable to the Partnership than would otherwise be the case);

(vi) the distribution of Partnership cash;

(vii) the selection and dismissal of employees (including employees having titles such as “*president*,” “*vice president*,” “*secretary*” and “*treasurer*”) and agents, outside attorneys, accountants, consultants and contractors and the determination of their compensation and other terms of employment or hiring;

(viii) the maintenance of such insurance for the benefit of the Partnership Group and the Partners as it deems necessary or appropriate;

(ix) the formation of, or acquisition of an interest in, and the contribution of property and the making of loans to, any further limited or general partnerships, joint ventures, corporations or other relationships (including the acquisition of interests in, and the contributions of property to, the Operating Partnership from time to time) subject to the restrictions set forth in Section 2.4;

(x) the control of any matters affecting the rights and obligations of the Partnership, including the bringing and defending of actions at law or in equity and otherwise engaging in the conduct of litigation and the incurring of legal expense and the settlement of claims and litigation;

(xi) the indemnification of any Person against liabilities and contingencies to the extent permitted by law;

(xii) the entering into of listing agreements with any National Securities Exchange and the delisting of some or all of the Limited Partner Interests from, or requesting that trading be suspended on, any such exchange (subject to any prior approval that may be required under Section 4.7);

(xiii) unless restricted or prohibited by Section 5.6, the purchase, sale or other acquisition or disposition of Partnership Securities, or the issuance of additional options, rights, warrants and appreciation rights relating to Partnership Securities; and

(xiv) the undertaking of any action in connection with the Partnership’s ownership or operation of any Group Member, including exercising, on behalf and for the benefit of the Partnership, the Partnership’s rights as the sole stockholder of the Operating General Partner.

(b) Notwithstanding any other provision of this Agreement, the Operating Partnership Agreement, the Delaware Act or any applicable law, rule or regulation, each of the Partners and the Assignees and each other Person who may acquire an interest in Partnership Securities hereby (i) approves, ratifies and confirms the execution, delivery and performance by the parties thereto of the Operating Partnership Agreement, the Underwriting Agreement, the Contribution Agreement, and the other agreements described in or filed as exhibits to the

Registration Statement that are related to the transactions contemplated by the Registration Statement; (ii) agrees that the General Partner (on its own or through any officer of the Partnership) is authorized to execute, deliver and perform the agreements referred to in clause (i) of this sentence and the other agreements, acts, transactions and matters described in or contemplated by the Registration Statement on behalf of the Partnership without any further act, approval or vote of the Partners or the Assignees or the other Persons who may acquire an interest in Partnership Securities; and (iii) agrees that the execution, delivery or performance by the General Partner, any Group Member or any Affiliate of any of them, of this Agreement or any agreement authorized or permitted under this Agreement (including the exercise by the General Partner or any Affiliate of the General Partner of the rights accorded pursuant to Article XV), shall not constitute a breach by the General Partner of any duty that the General Partner may owe the Partnership or the Limited Partners or any other Persons under this Agreement (or any other agreements) or of any duty stated or implied by law or equity.

SECTION 7.2 Certificate of Limited Partnership.

NuStar GP caused the initial Certificate of Limited Partnership of the Partnership and the General Partner has caused the Certificate of Amendment to the Certificate of Limited Partnership and the Amended and Restated Certificate of Limited Partnership of the Partnership and each amendment thereto to be filed with the Secretary of State of the State of Delaware in accordance with the Delaware Act and the General Partner shall use all reasonable efforts to cause to be filed such other certificates or documents as may be determined by the General Partner in its sole discretion to be reasonable and necessary or appropriate for the formation, continuation, qualification and operation of a limited partnership (or a partnership in which the limited partners have limited liability) in the State of Delaware or any other state in which the Partnership may elect to do business or own property. To the extent that such action is determined by the General Partner in its sole discretion to be reasonable and necessary or appropriate, the General Partner shall file amendments to and restatements of the Certificate of Limited Partnership and do all things to maintain the Partnership as a limited partnership (or a partnership or other entity in which the limited partners have limited liability) under the laws of the State of Delaware or of any other state in which the Partnership may elect to do business or own property. Subject to the terms of Section 3.4(a), the General Partner shall not be required, before or after filing, to deliver or mail a copy of the Certificate of Limited Partnership, any qualification document or any amendment thereto or restatement thereof to any Limited Partner.

SECTION 7.3 Restrictions on General Partner's Authority.

(a) The General Partner may not, without written approval of the specific act by holders of all of the Outstanding Limited Partner Interests or by other written instrument executed and delivered by holders of all of the Outstanding Limited Partner Interests subsequent to the date of this Agreement, take any action in contravention of this Agreement, including, except as otherwise provided in this Agreement, (i) committing any act that would make it impossible to carry on the ordinary business of the Partnership; (ii) possessing Partnership property, or assigning any rights in specific Partnership property, for other than a Partnership purpose; (iii) admitting a Person as a Partner; (iv) amending this Agreement in any manner; or (v) transferring its interest as general partner of the Partnership.

(b) Except as provided in Articles XII and XIV, the General Partner may not sell, exchange or otherwise dispose of all or substantially all of the Partnership's assets in a single transaction or a series of related transactions (including by way of merger, consolidation or other combination) or approve on behalf of the Partnership the sale, exchange or other disposition of all or substantially all of the assets of the Operating Partnership, taken as a whole, without the approval of holders of a Unit Majority; *provided, however*, that this provision shall not preclude or limit the General Partner's ability to mortgage, pledge, hypothecate or grant a security interest in all or substantially all of the assets of the Partnership or the Operating Partnership and shall not apply to any forced sale of any or all of the assets of the Partnership or the Operating Partnership pursuant to the foreclosure of, or other realization upon, any such encumbrance. Without the approval of holders of a Unit Majority, the General Partner shall not, on behalf of the Partnership, (i) consent to any amendment to the Operating Partnership Agreement or, except as expressly permitted by Section 7.9(d), take any action permitted to be taken by a partner of the Operating Partnership, in either case, that would have a material adverse effect on the Partnership as a partner of the Operating Partnership or the holders of Common Units (other than the General Partner and its Affiliates) or (ii) except as permitted under Sections 4.6, 11.1 and 11.2, elect or cause the Partnership to elect a successor general partner.

SECTION 7.4 *Reimbursement of the General Partner.*

(a) Except as provided in this Section 7.4 and elsewhere in this Agreement or in the Operating Partnership Agreement, the General Partner shall not be compensated for its services as general partner of any Group Member.

(b) Subject to the provisions of the Services Agreement, the General Partner shall be reimbursed on a monthly basis, or such other reasonable basis as the General Partner may determine in its sole discretion, for (i) all direct and indirect expenses it incurs or payments it makes on behalf of the Partnership (including salary, bonus, incentive compensation and other amounts paid to any Person including Affiliates of the General Partner to perform services for the Partnership or for the General Partner in the discharge of its duties to the Partnership), and (ii) all other necessary or appropriate expenses allocable to the Partnership or otherwise reasonably incurred by the General Partner in connection with operating the Partnership's business (including expenses allocated to the General Partner by its Affiliates). The General Partner shall determine the expenses that are allocable to the Partnership in any reasonable manner determined by the General Partner in its sole discretion. Reimbursements pursuant to this Section 7.4 shall be in addition to any reimbursement to the General Partner as a result of indemnification pursuant to Section 7.7.

(c) Subject to Section 5.6, the General Partner, in its sole discretion and without the approval of the Limited Partners (who shall have no right to vote in respect thereof), may propose and adopt on behalf of the Partnership employee benefit plans, employee programs and employee practices (including plans, programs and practices involving the issuance of Partnership Securities or options to purchase Partnership Securities), or cause the Partnership to issue Partnership Securities in connection with, or pursuant to, any employee benefit plan, employee program or employee practice maintained or sponsored by the General Partner or any of its Affiliates, in each case for the benefit of employees of the General Partner, any Group Member or any Affiliate, or any of them, in respect of services performed, directly or indirectly,

for the benefit of the Partnership Group. The Partnership agrees to issue and sell to the General Partner or any of its Affiliates any Partnership Securities that the General Partner or such Affiliate is obligated to provide to any employees pursuant to any such employee benefit plans, employee programs or employee practices. Expenses incurred by the General Partner in connection with any such plans, programs and practices (including the net cost to the General Partner or such Affiliate of Partnership Securities purchased by the General Partner or such Affiliate from the Partnership to fulfill options or awards under such plans, programs and practices) shall be reimbursed in accordance with Section 7.4(b). Any and all obligations of the General Partner under any employee benefit plans, employee programs or employee practices adopted by the General Partner as permitted by this Section 7.4(c) shall constitute obligations of the General Partner hereunder and shall be assumed by any successor General Partner approved pursuant to Section 11.1 or 11.2 or the transferee of or successor to all of the General Partner's General Partner Interest pursuant to Section 4.6.

SECTION 7.5 *Outside Activities.*

(a) The General Partner of the Partnership (i) agrees that its sole business will be to act as the general partner of the Partnership and any other partnership or limited liability company of which the Partnership is, directly or indirectly, a partner and to undertake activities that are ancillary or related thereto (including being a limited partner in the Partnership) and (ii) shall not engage in any business or activity or incur any debts or liabilities except in connection with or incidental to (A) its performance as general partner of one or more Group Members or as described in or contemplated by the Registration Statement or (B) the acquiring, owning or disposing of debt or equity securities in any Group Member.

(b) Except as specifically restricted by Section 7.5(a), each Indemnitee (other than the General Partner) shall have the right to engage in businesses of every type and description and other activities for profit and to engage in and possess an interest in other business ventures of any and every type or description, whether in businesses engaged in or anticipated to be engaged in by any Group Member, independently or with others, including business interests and activities in direct competition with the business and activities of any Group Member, and none of the same shall constitute a breach of this Agreement or any duty express or implied by law to any Group Member or any Partner or Assignee. Neither any Group Member, any Limited Partner nor any other Person shall have any rights by virtue of this Agreement, the Operating Partnership Agreement or the partnership relationship established hereby or thereby in any business ventures of any Indemnitee.

(c) Subject to the terms of Section 7.5(a) and Section 7.5(b), but otherwise notwithstanding anything to the contrary in this Agreement, (i) the engaging in competitive activities by any Indemnitees (other than the General Partner) in accordance with the provisions of this Section 7.5 is hereby approved by the Partnership and all Partners, (ii) it shall be deemed not to be a breach of the General Partner's fiduciary duty or any other obligation of any type whatsoever of the General Partner for the Indemnitees (other than the General Partner) to engage in such business interests and activities in preference to or to the exclusion of the Partnership and (iii) the General Partner and the Indemnitees shall have no obligation to present business opportunities to the Partnership.

(d) The General Partner and any of its Affiliates may acquire Units or other Partnership Securities in addition to those acquired on the Closing Date and, except as otherwise provided in this Agreement, shall be entitled to exercise all rights of the General Partner or Limited Partner, as applicable, relating to such Units or Partnership Securities.

(e) The term “Affiliates” when used in Section 7.5(d), with respect to the General Partner shall not include any Group Member or any Subsidiary of any Group Member.

(f) Anything in this Agreement to the contrary notwithstanding, to the extent that provisions of Sections 7.7, 7.8, 7.9, 7.10 or other Sections of this Agreement purport or are interpreted to have the effect of restricting the fiduciary duties that might otherwise, as a result of Delaware or other applicable law, be owed by the General Partner to the Partnership and its Limited Partners, or to constitute a waiver or consent by the Limited Partners to any such restriction, such provisions shall be inapplicable and have no effect in determining whether the General Partner has complied with its fiduciary duties in connection with determinations made by it under this Section 7.5.

SECTION 7.6 Loans from the General Partner; Loans or Contributions from the Partnership; Contracts with Affiliates; Certain Restrictions on the General Partner.

(a) The General Partner or its Affiliates may lend to any Group Member, and any Group Member may borrow from the General Partner or any of its Affiliates, funds needed or desired by the Group Member for such periods of time and in such amounts as the General Partner may determine; *provided, however*, that in any such case the lending party may not charge the borrowing party interest at a rate greater than the rate that would be charged the borrowing party or impose terms less favorable to the borrowing party than would be charged or imposed on the borrowing party by unrelated lenders on comparable loans made on an arm’s-length basis (without reference to the lending party’s financial abilities or guarantees). The borrowing party shall reimburse the lending party for any costs (other than any additional interest costs) incurred by the lending party in connection with the borrowing of such funds. For purposes of this Section 7.6(a) and Section 7.6(b), the term “Group Member” shall include any Affiliate of a Group Member that is controlled by the Group Member. No Group Member may lend funds to the General Partner if not then a Group Member or any of its Affiliates (other than another Group Member).

(b) The Partnership may lend or contribute to any Group Member, and any Group Member may borrow from the Partnership, funds on terms and conditions established in the sole discretion of the General Partner; *provided, however*, that the Partnership may not charge the Group Member interest at a rate less than the rate that would be charged to the Group Member (without reference to the General Partner’s financial abilities or guarantees) by unrelated lenders on comparable loans. The foregoing authority shall be exercised by the General Partner in its sole discretion and shall not create any right or benefit in favor of any Group Member or any other Person.

(c) The General Partner may itself, or may enter into an agreement with any of its Affiliates to, render services to a Group Member or to the General Partner in the discharge of its duties as general partner of the Partnership. Any services rendered to a Group Member by the

General Partner or any of its Affiliates shall be on terms that are fair and reasonable to the Partnership; *provided, however*, that the requirements of this Section 7.6(c) shall be deemed satisfied as to (i) any transaction approved by Special Approval, (ii) any transaction, the terms of which are no less favorable to the Partnership Group than those generally being provided to or available from unrelated third parties or (iii) any transaction that, taking into account the totality of the relationships between the parties involved (including other transactions that may be particularly favorable or advantageous to the Partnership Group), is equitable to the Partnership Group. The provisions of Section 7.4 shall apply to the rendering of services described in this Section 7.6(c).

(d) The Partnership Group may transfer assets to joint ventures, other partnerships, corporations, limited liability companies or other business entities in which it is or thereby becomes a participant upon such terms and subject to such conditions as are consistent with this Agreement and applicable law.

(e) Neither the General Partner nor any of its Affiliates shall sell, transfer or convey any property to, or purchase any property from, the Partnership, directly or indirectly, except pursuant to transactions that are fair and reasonable to the Partnership; *provided, however*, that the requirements of this Section 7.6(e) shall be deemed to be satisfied as to (i) the transactions effected pursuant to the Contribution Agreement and any other transactions described in or contemplated by the Registration Statement, (ii) any transaction approved by Special Approval, (iii) any transaction, the terms of which are no less favorable to the Partnership than those generally being provided to or available from unrelated third parties, or (iv) any transaction that, taking into account the totality of the relationships between the parties involved (including other transactions that may be particularly favorable or advantageous to the Partnership), is equitable to the Partnership. With respect to any contribution of assets to the Partnership in exchange for Partnership Securities, the Conflicts Committee, in determining whether the appropriate number of Partnership Securities are being issued, may take into account, among other things, the fair market value of the assets, the liquidated and contingent liabilities assumed, the tax basis in the assets, the extent to which tax-only allocations to the transferor will protect the existing partners of the Partnership against a low tax basis, and such other factors as the Conflicts Committee deems relevant under the circumstances.

(f) The General Partner and its Affiliates will have no obligation to permit any Group Member to use any facilities or assets of the General Partner and its Affiliates, except as may be provided in contracts entered into from time to time specifically dealing with such use, nor shall there be any obligation on the part of the General Partner or its Affiliates to enter into such contracts.

(g) Without limitation of Sections 7.6(a) through 7.6(f), and notwithstanding anything to the contrary in this Agreement, the existence of the conflicts of interest described in the Registration Statement are hereby approved by all Partners.

SECTION 7.7 *Indemnification.*

(a) To the fullest extent permitted by law but subject to the limitations expressly provided in this Agreement, all Indemnitees shall be indemnified and held harmless by the Partnership from and against any and all losses, claims, damages, liabilities, joint or several, expenses (including legal fees and expenses), judgments, fines, penalties, interest, settlements or other amounts arising from any and all claims, demands, actions, suits or proceedings, whether civil, criminal, administrative or investigative, in which any Indemnatee may be involved, or is threatened to be involved, as a party or otherwise, by reason of its status as an Indemnatee; *provided*, that in each case the Indemnatee acted in good faith and in a manner that such Indemnatee reasonably believed to be in, or (in the case of a Person other than the General Partner) not opposed to, the best interests of the Partnership and, with respect to any criminal proceeding, had no reasonable cause to believe its conduct was unlawful; *provided, further*, no indemnification pursuant to this Section 7.7 shall be available to the General Partner with respect to its obligations incurred pursuant to the Underwriting Agreement or the Contribution Agreement (other than obligations incurred by the General Partner on behalf of the Partnership or the Operating Partnership). The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of *nolo contendere*, or its equivalent, shall not create a presumption that the Indemnatee acted in a manner contrary to that specified above. Any indemnification pursuant to this Section 7.7 shall be made only out of the assets of the Partnership, it being agreed that the General Partner shall not be personally liable for such indemnification and shall have no obligation to contribute or loan any monies or property to the Partnership to enable it to effectuate such indemnification.

(b) To the fullest extent permitted by law, expenses (including legal fees and expenses) incurred by an Indemnatee who is indemnified pursuant to Section 7.7(a) in defending any claim, demand, action, suit or proceeding shall, from time to time, be advanced by the Partnership prior to the final disposition of such claim, demand, action, suit or proceeding upon receipt by the Partnership of any undertaking by or on behalf of the Indemnatee to repay such amount if it shall be determined that the Indemnatee is not entitled to be indemnified as authorized in this Section 7.7.

(c) The indemnification provided by this Section 7.7 shall be in addition to any other rights to which an Indemnatee may be entitled under any agreement, pursuant to any vote of the holders of Outstanding Limited Partner Interests, as a matter of law or otherwise, both as to actions in the Indemnatee's capacity as an Indemnatee and as to actions in any other capacity, and shall continue as to an Indemnatee who has ceased to serve in such capacity and shall inure to the benefit of the heirs, successors, assigns and administrators of the Indemnatee.

(d) The Partnership may purchase and maintain (or reimburse the General Partner or its Affiliates for the cost of) insurance, on behalf of the General Partner, its Affiliates and such other Persons as the General Partner shall determine, against any liability that may be asserted against or expense that may be incurred by such Person in connection with the Partnership's activities or such Person's activities on behalf of the Partnership, regardless of whether the Partnership would have the power to indemnify such Person against such liability under the provisions of this Agreement.

(e) For purposes of this Section 7.7, the Partnership shall be deemed to have requested an Indemnatee to serve as fiduciary of an employee benefit plan whenever the performance by it of its duties to the Partnership also imposes duties on, or otherwise involves services by, it to the plan or participants or beneficiaries of the plan; excise taxes assessed on an

Indemnitee with respect to an employee benefit plan pursuant to applicable law shall constitute “*finis*” within the meaning of Section 7.7(a); and action taken or omitted by it with respect to any employee benefit plan in the performance of its duties for a purpose reasonably believed by it to be in the interest of the participants and beneficiaries of the plan shall be deemed to be for a purpose which is in, or not opposed to, the best interests of the Partnership.

(f) In no event may an Indemnitee subject the Limited Partners to personal liability by reason of the indemnification provisions set forth in this Agreement.

(g) An Indemnitee shall not be denied indemnification in whole or in part under this Section 7.7 because the Indemnitee had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

(h) The provisions of this Section 7.7 are for the benefit of the Indemnitees, their heirs, successors, assigns and administrators and shall not be deemed to create any rights for the benefit of any other Persons.

(i) No amendment, modification or repeal of this Section 7.7 or any provision hereof shall in any manner terminate, reduce or impair the right of any past, present or future Indemnitee to be indemnified by the Partnership, nor the obligations of the Partnership to indemnify any such Indemnitee under and in accordance with the provisions of this Section 7.7 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

SECTION 7.8 *Liability of Indemnitees.*

(a) Notwithstanding anything to the contrary set forth in this Agreement, no Indemnitee shall be liable for monetary damages to the Partnership, the Limited Partners, the Assignees or any other Persons who have acquired interests in the Partnership Securities, for losses sustained or liabilities incurred as a result of any act or omission if such Indemnitee acted in good faith.

(b) Subject to its obligations and duties as General Partner set forth in Section 7.1(a), the General Partner may exercise any of the powers granted to it by this Agreement and perform any of the duties imposed upon it hereunder either directly or by or through its agents, and the General Partner shall not be responsible for any misconduct or negligence on the part of any such agent appointed by the General Partner in good faith.

(c) To the extent that, at law or in equity, an Indemnitee has duties (including fiduciary duties) and liabilities relating thereto to the Partnership or to the Partners, the General Partner and any other Indemnitee acting in connection with the Partnership’s business or affairs shall not be liable to the Partnership or to any Partner for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict or otherwise modify the duties and liabilities of an Indemnitee otherwise existing at law or in equity, are agreed by the Partners to replace such other duties and liabilities of such Indemnitee.

(d) Any amendment, modification or repeal of this Section 7.8 or any provision hereof shall be prospective only and shall not in any way affect the limitations on the liability to the Partnership, the Limited Partners, the General Partner, and the Partnership's and General Partner's and the Operating General Partner's directors, officers and employees under this Section 7.8 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

SECTION 7.9 *Resolution of Conflicts of Interest.*

(a) Unless otherwise expressly provided in this Agreement or the Operating Partnership Agreement, whenever a potential conflict of interest exists or arises between the General Partner or any of its Affiliates, on the one hand, and the Partnership, the Operating Partnership, any Partner or any Assignee, on the other, any resolution or course of action by the General Partner or its Affiliates in respect of such conflict of interest shall be permitted and deemed approved by all Partners, and shall not constitute a breach of this Agreement, of the Operating Partnership Agreement, of any agreement contemplated herein or therein, or of any duty stated or implied by law or equity, if the resolution or course of action is, or by operation of this Agreement is deemed to be, fair and reasonable to the Partnership. The General Partner shall be authorized but not required in connection with its resolution of such conflict of interest to seek Special Approval of such resolution. Any conflict of interest and any resolution of such conflict of interest shall be conclusively deemed fair and reasonable to the Partnership if such conflict of interest or resolution is (i) approved by Special Approval, (ii) on terms no less favorable to the Partnership than those generally being provided to or available from unrelated third parties or (iii) fair to the Partnership, taking into account the totality of the relationships between the parties involved (including other transactions that may be particularly favorable or advantageous to the Partnership). The General Partner may also adopt a resolution or course of action that has not received Special Approval. The General Partner (including the Conflicts Committee in connection with Special Approval) shall be authorized in connection with its determination of what is "*fair and reasonable*" to the Partnership and in connection with its resolution of any conflict of interest to consider (A) the relative interests of any party to such conflict, agreement, transaction or situation and the benefits and burdens relating to such interest; (B) any customary or accepted industry practices and any customary or historical dealings with a particular Person; (C) any applicable generally accepted accounting practices or principles; and (D) such additional factors as the General Partner (including the Conflicts Committee) determines in its sole discretion to be relevant, reasonable or appropriate under the circumstances. Nothing contained in this Agreement, however, is intended to nor shall it be construed to require the General Partner (including the Conflicts Committee) to consider the interests of any Person other than the Partnership. In the absence of bad faith by the General Partner, the resolution, action or terms so made, taken or provided by the General Partner with respect to such matter shall not constitute a breach of this Agreement or any other agreement contemplated herein or a breach of any standard of care or duty imposed herein or therein or, to the extent permitted by law, under the Delaware Act or any other law, rule or regulation.

(b) Whenever this Agreement or any other agreement contemplated hereby provides that the General Partner or any of its Affiliates is permitted or required to make a decision (i) in its "*sole discretion*" or "*discretion*," that it deems "*necessary or appropriate*" or

“*necessary or advisable*” or under a grant of similar authority or latitude, except as otherwise provided herein, the General Partner or such Affiliate shall be entitled to consider only such interests and factors as it desires and shall have no duty or obligation to give any consideration to any interest of, or factors affecting, the Partnership, the Operating Partnership, any Limited Partner or any Assignee, (ii) it may make such decision in its sole discretion (regardless of whether there is a reference to “*sole discretion*” or “*discretion*”) unless another express standard is provided for, or (iii) in “*good faith*” or under another express standard, the General Partner or such Affiliate shall act under such express standard and shall not be subject to any other or different standards imposed by this Agreement, the Operating Partnership Agreement, any other agreement contemplated hereby or under the Delaware Act or any other law, rule or regulation. In addition, any actions taken by the General Partner or such Affiliate consistent with the standards of “*reasonable discretion*” set forth in the definition of Available Cash shall not constitute a breach of any duty of the General Partner to the Partnership or the Limited Partners. The General Partner shall have no duty, express or implied, to sell or otherwise dispose of any asset of the Partnership Group other than in the ordinary course of business.

(c) Whenever a particular transaction, arrangement or resolution of a conflict of interest is required under this Agreement to be “*fair and reasonable*” to any Person, the fair and reasonable nature of such transaction, arrangement or resolution shall be considered in the context of all similar or related transactions.

(d) The Limited Partners hereby authorize the General Partner, on behalf of the Partnership as a partner of a Group Member, to approve of actions by the general partner of such Group Member similar to those actions permitted to be taken by the General Partner pursuant to this Section 7.9.

SECTION 7.10 *Other Matters Concerning the General Partner.*

(a) The General Partner may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.

(b) The General Partner may consult with legal counsel, accountants, appraisers, management consultants, investment bankers and other consultants and advisers selected by it, and any act taken or omitted to be taken in reliance upon the opinion (including an Opinion of Counsel) of such Persons as to matters that the General Partner reasonably believes to be within such Person’s professional or expert competence shall be conclusively presumed to have been done or omitted in good faith and in accordance with such opinion.

(c) The General Partner shall have the right, in respect of any of its powers or obligations hereunder, to act through any of its duly authorized officers, a duly appointed attorney or attorneys-in-fact or the duly authorized officers of the Partnership.

(d) Any standard of care and duty imposed by this Agreement or under the Delaware Act or any applicable law, rule or regulation shall be modified, waived or limited, to the extent permitted by law, as required to permit the General Partner to act under this

Agreement or any other agreement contemplated by this Agreement and to make any decision pursuant to the authority prescribed in this Agreement, so long as such action is reasonably believed by the General Partner to be in, or not inconsistent with, the best interests of the Partnership.

SECTION 7.11 *Purchase or Sale of Partnership Securities.*

Subject to Section 16.5, Section 17.5 and Section 18.5, the General Partner may cause the Partnership to purchase or otherwise acquire Partnership Securities. As long as Partnership Securities are held by any Group Member, such Partnership Securities shall not be considered Outstanding for any purpose, except as otherwise provided herein. The General Partner or any Affiliate of the General Partner may also purchase or otherwise acquire and sell or otherwise dispose of Partnership Securities for its own account, subject to the provisions of Articles IV, X, XVI, XVII and XVIII.

SECTION 7.12 *Registration Rights of the General Partner and its Affiliates.*

(a) If (i) the General Partner or any Affiliate of the General Partner (including for purposes of this Section 7.12, any Person that is an Affiliate of the General Partner at the date hereof notwithstanding that it may later cease to be an Affiliate of the General Partner) holds Partnership Securities that it desires to sell and (ii) Rule 144 of the Securities Act (or any successor rule or regulation to Rule 144) or another exemption from registration is not available to enable such holder of Partnership Securities (the "Holder") to dispose of the number of Partnership Securities it desires to sell at the time it desires to do so without registration under the Securities Act, then upon the request of the General Partner or any of its Affiliates, the Partnership shall file with the Commission as promptly as practicable after receiving such request, and use all reasonable efforts to cause to become effective and remain effective for a period of not less than six months following its effective date or such shorter period as shall terminate when all Partnership Securities covered by such registration statement have been sold, a registration statement under the Securities Act registering the offering and sale of the number of Partnership Securities specified by the Holder; *provided, however*, that the Partnership shall not be required to effect more than three registrations pursuant to this Section 7.12(a); and *provided further, however*, that if the Conflicts Committee determines in its good faith judgment that a postponement of the requested registration for up to six months would be in the best interests of the Partnership and its Partners due to a pending transaction, investigation or other event, the filing of such registration statement or the effectiveness thereof may be deferred for up to six months, but not thereafter. In connection with any registration pursuant to the immediately preceding sentence, the Partnership shall promptly prepare and file (x) such documents as may be necessary to register or qualify the securities subject to such registration under the securities laws of such states as the Holder shall reasonably request; *provided, however*, that no such qualification shall be required in any jurisdiction where, as a result thereof, the Partnership would become subject to general service of process or to taxation or qualification to do business as a foreign corporation or partnership doing business in such jurisdiction solely as a result of such registration, and (y) such documents as may be necessary to apply for listing or to list the Partnership Securities subject to such registration on such National Securities Exchange as the Holder shall reasonably request, and do any and all other acts and things that may reasonably be necessary or advisable to enable the Holder to consummate a public sale of such Partnership

Securities in such states. Except as set forth in Section 7.12(c), all costs and expenses of any such registration and offering (other than the underwriting discounts and commissions) shall be paid by the Partnership, without reimbursement by the Holder.

(b) If the Partnership shall at any time propose to file a registration statement under the Securities Act for an offering of equity securities of the Partnership for cash (other than an offering relating solely to an employee benefit plan), the Partnership shall use all reasonable efforts to include such number or amount of securities held by the Holder in such registration statement as the Holder shall request. If the proposed offering pursuant to this Section 7.12(b) shall be an underwritten offering, then, in the event that the managing underwriter or managing underwriters of such offering advise the Partnership and the Holder in writing that in their opinion the inclusion of all or some of the Holder's Partnership Securities would adversely and materially affect the success of the offering, the Partnership shall include in such offering only that number or amount, if any, of securities held by the Holder which, in the opinion of the managing underwriter or managing underwriters, will not so adversely and materially affect the offering. Except as set forth in Section 7.12(c), all costs and expenses of any such registration and offering (other than the underwriting discounts and commissions) shall be paid by the Partnership, without reimbursement by the Holder.

(c) If underwriters are engaged in connection with any registration referred to in this Section 7.12, the Partnership shall provide indemnification, representations, covenants, opinions and other assurance to the underwriters in form and substance reasonably satisfactory to such underwriters. Further, in addition to and not in limitation of the Partnership's obligation under Section 7.7, the Partnership shall, to the fullest extent permitted by law, indemnify and hold harmless the Holder, its officers, directors and each Person who controls the Holder (within the meaning of the Securities Act) and any agent thereof (collectively, "*Indemnified Persons*") against any losses, claims, demands, actions, causes of action, assessments, damages, liabilities (joint or several), costs and expenses (including interest, penalties and reasonable attorneys' fees and disbursements), resulting to, imposed upon, or incurred by the Indemnified Persons, directly or indirectly, under the Securities Act or otherwise (hereinafter referred to in this Section 7.12(c) as a "*Claim*" and in the plural as "*Claims*") based upon, arising out of or resulting from any untrue statement or alleged untrue statement of any material fact contained in any registration statement under which any Partnership Securities were registered under the Securities Act or any state securities or Blue Sky laws, in any preliminary prospectus (if used prior to the effective date of such registration statement), or in any summary or final prospectus or in any amendment or supplement thereto (if used during the period the Partnership is required to keep the registration statement current), or arising out of, based upon or resulting from the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements made therein not misleading; *provided, however*, that the Partnership shall not be liable to any Indemnified Person to the extent that any such Claim arises out of, is based upon or results from an untrue statement or alleged untrue statement or omission or alleged omission made in such registration statement, such preliminary, summary or final prospectus or such amendment or supplement, in reliance upon and in conformity with written information furnished to the Partnership by or on behalf of such Indemnified Person specifically for use in the preparation thereof.

(d) The provisions of Section 7.12(a) and 7.12(b) shall continue to be applicable with respect to the General Partner (and any of the General Partner's Affiliates) after it ceases to be a Partner of the Partnership, during a period of two years subsequent to the effective date of such cessation and for so long thereafter as is required for the Holder to sell all of the Partnership Securities with respect to which it has requested during such two-year period inclusion in a registration statement otherwise filed or that a registration statement be filed; *provided, however*, that the Partnership shall not be required to file successive registration statements covering the same Partnership Securities for which registration was demanded during such two-year period. The provisions of Section 7.12(c) shall continue in effect thereafter.

(e) Any request to register Partnership Securities pursuant to this Section 7.12 shall (i) specify the Partnership Securities intended to be offered and sold by the Person making the request, (ii) express such Person's present intent to offer such shares for distribution, (iii) describe the nature or method of the proposed offer and sale of Partnership Securities, and (iv) contain the undertaking of such Person to provide all such information and materials and take all action as may be required in order to permit the Partnership to comply with all applicable requirements in connection with the registration of such Partnership Securities.

SECTION 7.13 *Reliance by Third Parties.*

Notwithstanding anything to the contrary in this Agreement, any Person dealing with the Partnership shall be entitled to assume that the General Partner and any officer of NuStar GP authorized by NuStar GP to act on behalf of and in the name of the General Partner on behalf of and in the name of the Partnership has full power and authority to encumber, sell or otherwise use in any manner any and all assets of the Partnership and to enter into any authorized contracts on behalf of the Partnership, and such Person shall be entitled to deal with the General Partner or any such officer as if it were the Partnership's sole party in interest, both legally and beneficially. Each Limited Partner hereby waives any and all defenses or other remedies that may be available against such Person to contest, negate or disaffirm any action of the General Partner or any such officer in connection with any such dealing. In no event shall any Person dealing with the General Partner or any such officer or its representatives be obligated to ascertain that the terms of the Agreement have been complied with or to inquire into the necessity or expedience of any act or action of the General Partner or any such officer or its representatives. Each and every certificate, document or other instrument executed on behalf of the Partnership by the General Partner or its representatives shall be conclusive evidence in favor of any and every Person relying thereon or claiming thereunder that (a) at the time of the execution and delivery of such certificate, document or instrument, this Agreement was in full force and effect, (b) the Person executing and delivering such certificate, document or instrument was duly authorized and empowered to do so for and on behalf of the Partnership and (c) such certificate, document or instrument was duly executed and delivered in accordance with the terms and provisions of this Agreement and is binding upon the Partnership.

ARTICLE VIII
BOOKS, RECORDS, ACCOUNTING AND REPORTS

SECTION 8.1 *Records and Accounting.*

The General Partner shall keep or cause to be kept at the principal office of the Partnership appropriate books and records with respect to the Partnership's business, including all books and records necessary to provide to the Limited Partners any information required to be provided pursuant to Section 3.4(a). Any books and records maintained by or on behalf of the Partnership in the regular course of its business, including the record of the Record Holders and Assignees of Units or other Partnership Securities, books of account and records of Partnership proceedings, may be kept on, or be in the form of, computer disks, hard drives, punch cards, magnetic tape, photographs, micrographics or any other information storage device; *provided*, that the books and records so maintained are convertible into clearly legible written form within a reasonable period of time. The books of the Partnership shall be maintained, for financial reporting purposes, on an accrual basis in accordance with U.S. GAAP.

SECTION 8.2 *Fiscal Year.*

The fiscal year of the Partnership shall be a fiscal year ending December 31.

SECTION 8.3 *Reports.*

(a) As soon as practicable, but in no event later than 120 days after the close of each fiscal year of the Partnership, the General Partner shall cause to be mailed or furnished to each Record Holder of a Partnership Interest as of a date selected by the General Partner in its discretion, an annual report containing financial statements of the Partnership for such fiscal year of the Partnership, presented in accordance with U.S. GAAP, including a balance sheet and statements of operations, Partnership equity and cash flows, such statements to be audited by a firm of independent public accountants selected by the General Partner.

(b) As soon as practicable, but in no event later than 90 days after the close of each Quarter except the last Quarter of each fiscal year, the General Partner shall cause to be mailed or furnished to each Record Holder of a Partnership Interest, as of a date selected by the General Partner in its discretion, a report containing unaudited financial statements of the Partnership and such other information as may be required by applicable law, regulation or rule of any National Securities Exchange on which the Partnership Interests are listed for trading, or as the General Partner determines to be necessary or appropriate.

ARTICLE IX
TAX MATTERS

SECTION 9.1 *Tax Returns and Information.*

The Partnership shall timely file all returns of the Partnership that are required for federal, state and local income tax purposes on the basis of the accrual method and a taxable year ending on December 31. The tax information reasonably required by Record Holders for federal and state income tax reporting purposes with respect to a taxable year shall be furnished to them

within 90 days of the close of the calendar year in which the Partnership's taxable year ends. The classification, realization and recognition of income, gain, losses and deductions and other items shall be on the accrual method of accounting for federal income tax purposes.

SECTION 9.2 *Tax Elections.*

(a) The Partnership shall make the election under Section 754 of the Code in accordance with applicable regulations thereunder, subject to the reservation of the right to seek to revoke any such election upon the General Partner's determination that such revocation is in the best interests of the Limited Partners. Notwithstanding any other provision herein contained, for the purposes of computing the adjustments under Section 743(b) of the Code, the General Partner shall be authorized (but not required) to adopt a convention whereby the price paid by a transferee of a Limited Partner Interest will be deemed to be the lowest quoted closing price of the Limited Partner Interests on any National Securities Exchange on which such Limited Partner Interests are traded during the calendar month in which such transfer is deemed to occur pursuant to Section 6.2(f), without regard to the actual price paid by such transferee.

(b) The Partnership shall elect to deduct expenses incurred in organizing the Partnership ratably over a sixty-month period as provided in Section 709 of the Code.

(c) Except as otherwise provided herein, the General Partner shall determine whether the Partnership should make any other elections permitted by the Code.

SECTION 9.3 *Tax Controversies.*

(a) Subject to the provisions hereof, the General Partner is designated as the Tax Matters Partner (as defined in the Code) and is authorized and required to represent the Partnership (at the Partnership's expense) in connection with all examinations of the Partnership's affairs by tax authorities, including resulting administrative and judicial proceedings, and to expend Partnership funds for professional services and costs associated therewith. Each Partner agrees to cooperate with the General Partner and to do or refrain from doing any or all things reasonably required by the General Partner to conduct such proceedings.

(b) With respect to tax returns filed for taxable years beginning on or after December 31, 2017, the General Partner (or its designee) will be designated as the "partnership representative" in accordance with the rules prescribed pursuant to Section 6223 of the Code and shall have the sole authority to act on behalf of the Partnership in connection with all examinations of the Partnership's affairs by tax authorities, including resulting administrative and judicial proceedings, and to expend Partnership funds for professional services and costs associated therewith. The General Partner (or its designee) shall exercise, in its sole discretion, any and all authority of the "partnership representative" under the Code, including, without limitation, (i) binding the Partnership and its Partners with respect to tax matters and (ii) determining whether to make any available election under Section 6226 of the Code.

SECTION 9.4 *Withholding.*

Notwithstanding any other provision of this Agreement, the General Partner is authorized to take any action that it determines in its discretion to be necessary or appropriate to cause the Partnership to comply with any withholding requirements established under the Code or any other federal, state or local law including, without limitation, pursuant to Sections 1441, 1442, 1445 and 1446 of the Code. To the extent that the Partnership is required or elects to withhold and pay over to any taxing authority any amount resulting from the allocation or distribution of income to any Partner or Assignee (including, without limitation, by reason of Section 1446 of the Code), the amount withheld may at the discretion of the General Partner be treated by the Partnership as a distribution of cash pursuant to Section 6.3, Section 16.3, Section 17.3 or Section 18.3 in the amount of such withholding from such Partner.

ARTICLE X
ADMISSION OF PARTNERS

SECTION 10.1 *Admission of Limited Partners.*

Each Limited Partner admitted to the Partnership immediately prior to the adoption of this Agreement hereby continues as a Limited Partner upon the adoption of this Agreement.

SECTION 10.2 *Admission of Substituted Limited Partner.*

By transfer of a Limited Partner Interest in accordance with Article IV, the transferor shall be deemed to have given the transferee the right to seek admission as a Substituted Limited Partner subject to the conditions of, and in the manner permitted under, this Agreement. A transferor of a Certificate representing a Limited Partner Interest shall, however, only have the authority to convey to a purchaser or other transferee who does not execute and deliver a Transfer Application (a) the right to negotiate such Certificate to a purchaser or other transferee and (b) the right to transfer the right to request admission as a Substituted Limited Partner to such purchaser or other transferee in respect of the transferred Limited Partner Interests. Each transferee of a Limited Partner Interest (including any nominee holder or an agent acquiring such Limited Partner Interest for the account of another Person) who executes and delivers a Transfer Application shall, by virtue of such execution and delivery, be an Assignee and be deemed to have applied to become a Substituted Limited Partner with respect to the Limited Partner Interests so transferred to such Person. Such Assignee shall become a Substituted Limited Partner (x) at such time as the General Partner consents thereto, which consent may be given or withheld in the General Partner's discretion, and (y) when any such admission is shown on the books and records of the Partnership. If such consent is withheld, such transferee shall be an Assignee. An Assignee shall have an interest in the Partnership equivalent to that of a Limited Partner with respect to allocations and distributions, including liquidating distributions, of the Partnership. With respect to voting rights attributable to Limited Partner Interests that are held by Assignees, the General Partner shall be deemed to be the Limited Partner with respect thereto and shall, in exercising the voting rights in respect of such Limited Partner Interests on any matter, vote such Limited Partner Interests at the written direction of the Assignee who is the Record Holder of such Limited Partner Interests. If no such written direction is received, such Limited Partner Interests will not be voted. An Assignee shall have no other rights of a Limited Partner.

SECTION 10.3 *Admission of Successor General Partner.*

A successor General Partner approved pursuant to Section 11.1 or 11.2 or the transferee of or successor to all of the General Partner Interest pursuant to Section 4.6 who is proposed to be admitted as a successor General Partner shall be admitted to the Partnership as the General Partner, effective immediately prior to the withdrawal or removal of the predecessor or transferring General Partner pursuant to Section 11.1 or 11.2 or the transfer of the General Partner Interest pursuant to Section 4.6, *provided, however*, that no such successor shall be admitted to the Partnership until compliance with the terms of Section 4.6 has occurred and such successor has executed and delivered such other documents or instruments as may be required to effect such admission. Any such successor shall, subject to the terms hereof, carry on the business of the members of the Partnership Group without dissolution.

SECTION 10.4 *Admission of Additional Limited Partners.*

(a) A Person (other than a Substituted Limited Partner) who makes a Capital Contribution to the Partnership in accordance with this Agreement or is otherwise being admitted to the Partnership as a Limited Partner shall be admitted to the Partnership as an Additional Limited Partner only upon furnishing to the General Partner (i) evidence of acceptance in form satisfactory to the General Partner of all of the terms and conditions of this Agreement, including the power of attorney granted in Section 2.6, and (ii) such other documents or instruments as may be required in the discretion of the General Partner to effect such Person's admission as an Additional Limited Partner.

(b) Notwithstanding anything to the contrary in this Section 10.4, no Person shall be admitted as an Additional Limited Partner without the consent of the General Partner, which consent may be given or withheld in the General Partner's discretion. The admission of any Person as an Additional Limited Partner shall become effective on the date upon which the name of such Person is recorded as such in the books and records of the Partnership, following the consent of the General Partner to such admission.

SECTION 10.5 *Amendment of Agreement and Certificate of Limited Partnership.*

To effect the admission to the Partnership of any Partner, the General Partner shall take all steps necessary and appropriate under the Delaware Act to amend the records of the Partnership to reflect such admission and, if necessary, to prepare as soon as practicable an amendment to this Agreement and, if required by law, the General Partner shall prepare and file an amendment to the Certificate of Limited Partnership, and the General Partner may for this purpose, among others, exercise the power of attorney granted pursuant to Section 2.6.

ARTICLE XI
WITHDRAWAL OR REMOVAL OF PARTNERS

SECTION 11.1 *Withdrawal of the General Partner.*

(a) The General Partner shall be deemed to have withdrawn from the Partnership upon the occurrence of any one of the following events (each such event herein referred to as an “*Event of Withdrawal*”):

- (i) The General Partner voluntarily withdraws from the Partnership by giving notice to the other Partners;
- (ii) The General Partner transfers all of its rights as General Partner pursuant to Section 4.6;
- (iii) The General Partner is removed pursuant to Section 11.2;

(iv) The General Partner (A) makes a general assignment for the benefit of creditors; (B) files a voluntary bankruptcy petition for relief under Chapter 7 of the United States Bankruptcy Code; (C) files a petition or answer seeking for itself a liquidation, dissolution or similar relief (but not a reorganization) under any law; (D) files an answer or other pleading admitting or failing to contest the material allegations of a petition filed against the General Partner in a proceeding of the type described in clauses (A)-(C) of this Section 11.1(a)(iv); or (E) seeks, consents to or acquiesces in the appointment of a trustee (but not a debtor-in-possession), receiver or liquidator of the General Partner or of all or any substantial part of its properties;

(v) A final and non-appealable order of relief under Chapter 7 of the United States Bankruptcy Code is entered by a court with appropriate jurisdiction pursuant to a voluntary or involuntary petition by or against the General Partner; or

(vi) (A) in the event the General Partner is a corporation, a certificate of dissolution or its equivalent is filed for the General Partner, or 90 days expire after the date of notice to the General Partner of revocation of its charter without a reinstatement of its charter, under the laws of its state of incorporation; (B) in the event the General Partner is a partnership or a limited liability company, the dissolution and commencement of winding up of the General Partner; (C) in the event the General Partner is acting in such capacity by virtue of being a trustee of a trust, the termination of the trust; (D) in the event the General Partner is a natural person, his death or adjudication of incompetency; and (E) otherwise in the event of the termination of the General Partner.

If an Event of Withdrawal specified in Section 11.1(a)(iv), (v) or (vi)(A), (B), (C) or (E) occurs, the withdrawing General Partner shall give notice to the Limited Partners within 30 days after such occurrence. The Partners hereby agree that only the Events of Withdrawal described in this Section 11.1 shall result in the withdrawal of the General Partner from the Partnership.

(b) Withdrawal of the General Partner from the Partnership upon the occurrence of an Event of Withdrawal shall not constitute a breach of this Agreement under the following circumstances: (i) at any time that the General Partner voluntarily withdraws by giving at least 90 days' advance notice to the Unitholders, such withdrawal to take effect on the date specified in such notice; or (ii) at any time that the General Partner ceases to be the General Partner pursuant to Section 11.1(a)(ii) or is removed pursuant to Section 11.2. The withdrawal of the General Partner from the Partnership upon the occurrence of an Event of Withdrawal shall also constitute the withdrawal of the General Partner as general partner of the other Group Members. If the General Partner gives a notice of withdrawal pursuant to Section 11.1(a)(i), the holders of a Unit Majority may, prior to the effective date of such withdrawal, elect a successor General Partner. The Person so elected as successor General Partner shall automatically become the successor general partner of the other Group Members of which the General Partner is a general partner. If, prior to the effective date of the General Partner's withdrawal, a successor is not selected by the Unitholders as provided herein or the Partnership does not receive a Withdrawal Opinion of Counsel, the Partnership shall be dissolved in accordance with Section 12.1. Any successor General Partner elected in accordance with the terms of this Section 11.1 shall be subject to the provisions of Section 10.3.

SECTION 11.2 *Removal of the General Partner.*

The General Partner may be removed if such removal is approved by the Unitholders holding at least a Unit Majority (excluding Units held by the General Partner and its Affiliates). Any such action by such holders for removal of the General Partner must also provide for the election of a successor General Partner by the Unitholders holding a Unit Majority (excluding Units held by the General Partner and its Affiliates). Such removal shall be effective immediately following the admission of a successor General Partner pursuant to Section 10.3. The removal of the General Partner shall also automatically constitute the removal of the General Partner as general partner of the other Group Members of which the General Partner is a general partner, if any. If a Person is elected as a successor General Partner in accordance with the terms of this Section 11.2, such Person shall, upon admission pursuant to Section 10.3, automatically become a successor general partner of the other Group Members of which the General Partner is a general partner. The right of the holders of Outstanding Units to remove the General Partner shall not exist or be exercised unless the Partnership has received an opinion opining as to the matters covered by a Withdrawal Opinion of Counsel. Any successor General Partner elected in accordance with the terms of this Section 11.2 shall be subject to the provisions of Section 10.3.

SECTION 11.3 *Interest of Departing Partner and Successor General Partner.*

(a) In the event of (i) withdrawal of the General Partner under circumstances where such withdrawal does not violate this Agreement or (ii) removal of the General Partner by the holders of Outstanding Units under circumstances where Cause does not exist, if a successor General Partner is elected in accordance with the terms of Section 11.1 or 11.2, the Departing Partner shall have the option exercisable prior to the effective date of the departure of such Departing Partner to require its successor to purchase its General Partner Interest and its general partner interest (or equivalent interest) in the other Group Members, if any (collectively, the "Combined Interest") in exchange for an amount in cash equal to the fair market value of such Combined Interest, such amount to be determined and payable as of the effective date of its

departure. If the General Partner is removed by the Unitholders under circumstances where Cause exists or if the General Partner withdraws under circumstances where such withdrawal violates this Agreement, and if a successor General Partner is elected in accordance with the terms of Section 11.1 or 11.2, such successor shall have the option, exercisable prior to the effective date of the departure of such Departing Partner, to purchase the Combined Interest for such fair market value of such Combined Interest of the Departing Partner. In either event, the Departing Partner shall be entitled to receive all reimbursements due such Departing Partner pursuant to Section 7.4, including any employee-related liabilities (including severance liabilities), incurred in connection with the termination of any employees employed by the Departing Partner for the benefit of the Partnership or the other Group Members.

For purposes of this Section 11.3(a), the fair market value of a Departing Partner's Combined Interest shall be determined by agreement between the Departing Partner and its successor or, failing agreement within 30 days after the effective date of such Departing Partner's departure, by an independent investment banking firm or other independent expert selected by the Departing Partner and its successor, which, in turn, may rely on other experts, and the determination of which shall be conclusive as to such matter. If such parties cannot agree upon one independent investment banking firm or other independent expert within 45 days after the effective date of such departure, then the Departing Partner shall designate an independent investment banking firm or other independent expert, the Departing Partner's successor shall designate an independent investment banking firm or other independent expert, and such firms or experts shall mutually select a third independent investment banking firm or independent expert, which third independent investment banking firm or other independent expert shall determine the fair market value of the Combined Interest of the Departing Partner. In making its determination, such third independent investment banking firm or other independent expert may consider the then current trading price of Units on any National Securities Exchange on which Units are then listed, the value of the Partnership's assets, the rights and obligations of the Departing Partner and other factors it may deem relevant.

(b) If the Combined Interest is not purchased in the manner set forth in Section 11.3(a), the Departing Partner (or its transferee) shall become a Limited Partner and its Combined Interest shall be converted into Common Units pursuant to a valuation made by an investment banking firm or other independent expert selected pursuant to Section 11.3(a), without reduction in such Partnership Interest (but subject to proportionate dilution by reason of the admission of its successor). Any successor General Partner shall indemnify the Departing Partner (or its transferee) as to all debts and liabilities of the Partnership arising on or after the date on which the Departing Partner (or its transferee) becomes a Limited Partner. For purposes of this Agreement, conversion of the Combined Interest of the Departing Partner to Common Units will be characterized as if the Departing Partner (or its transferee) contributed its Combined Interest to the Partnership in exchange for the newly issued Common Units.

SECTION 11.4 *Withdrawal of Limited Partners.*

No Limited Partner shall have any right to withdraw from the Partnership; *provided, however*, that when a transferee of a Limited Partner's Limited Partner Interest becomes a Record Holder of the Limited Partner Interest so transferred, such transferring Limited Partner shall cease to be a Limited Partner with respect to the Limited Partner Interest so transferred.

ARTICLE XII
DISSOLUTION AND LIQUIDATION

SECTION 12.1 *Dissolution.*

The Partnership shall not be dissolved by the admission of Substituted Limited Partners or Additional Limited Partners or by the admission of a successor General Partner in accordance with the terms of this Agreement. Upon the removal or withdrawal of the General Partner, if a successor General Partner is elected pursuant to Section 11.1 or 11.2, the Partnership shall not be dissolved and such successor General Partner shall continue the business of the Partnership. The Partnership shall dissolve, and (subject to Section 12.2) its affairs shall be wound up, upon:

- (a) the expiration of its term as provided in Section 2.7;
- (b) an Event of Withdrawal of the General Partner as provided in Section 11.1(a) (other than Section 11.1(a)(ii)), unless a successor is elected and an Opinion of Counsel is received as provided in Section 11.1(b) or 11.2 and such successor is admitted to the Partnership pursuant to Section 10.3;
- (c) an election to dissolve the Partnership by the General Partner that is approved by the holders of a Unit Majority;
- (d) the entry of a decree of judicial dissolution of the Partnership pursuant to the provisions of the Delaware Act; or
- (e) the sale of all or substantially all of the assets and properties of the Partnership Group.

SECTION 12.2 *Continuation of the Business of the Partnership After Dissolution.*

Upon (a) dissolution of the Partnership following an Event of Withdrawal caused by the withdrawal or removal of the General Partner as provided in Section 11.1(a)(i) or (iii) and the failure of the Partners to select a successor to such Departing Partner pursuant to Section 11.1 or 11.2, then within 90 days thereafter, or (b) dissolution of the Partnership upon an event constituting an Event of Withdrawal as defined in Section 11.1(a)(iv), (v) or (vi), then, to the maximum extent permitted by law, within 180 days thereafter, the holders of a Unit Majority may elect to reconstitute the Partnership and continue its business on the same terms and conditions set forth in this Agreement by forming a new limited partnership on terms identical to those set forth in this Agreement and having as the successor general partner a Person approved by the holders of a Unit Majority. Unless such an election is made within the applicable time period as set forth above, the Partnership shall conduct only activities necessary to wind up its affairs. If such an election is so made, then:

- (a) the reconstituted Partnership shall continue until dissolved in accordance with this Article XII;

(b) if the successor General Partner is not the former General Partner, then the interest of the former General Partner shall be treated in the manner provided in Section 11.3; and

(c) all necessary steps shall be taken to cancel this Agreement and the Certificate of Limited Partnership and to enter into and, as necessary, to file a new partnership agreement and certificate of limited partnership, and the successor general partner may for this purpose exercise the powers of attorney granted the General Partner pursuant to Section 2.6; *provided*, that the right of the holders of a Unit Majority to approve a successor General Partner and to reconstitute and to continue the business of the Partnership shall not exist and may not be exercised unless the Partnership has received an Opinion of Counsel that (x) the exercise of the right would not result in the loss of limited liability of any Limited Partner and (y) neither the Partnership, the reconstituted limited partnership nor the Operating Partnership would be treated as an association taxable as a corporation or otherwise be taxable as an entity for federal income tax purposes upon the exercise of such right to continue.

SECTION 12.3 *Liquidator.*

Upon dissolution of the Partnership, unless the Partnership is continued under an election to reconstitute and continue the Partnership pursuant to Section 12.2, the General Partner shall select one or more Persons to act as Liquidator. The Liquidator (if other than the General Partner) shall be entitled to receive such compensation for its services as may be approved by holders of at least a majority of the Outstanding Common Units. The Liquidator (if other than the General Partner) shall agree not to resign at any time without 15 days' prior notice and may be removed at any time, with or without cause, by notice of removal approved by holders of at least a majority of the Outstanding Common Units. Upon dissolution, removal or resignation of the Liquidator, a successor and substitute Liquidator (who shall have and succeed to all rights, powers and duties of the original Liquidator) shall within 30 days thereafter be approved by holders of at least a majority of the Outstanding Common Units. The right to approve a successor or substitute Liquidator in the manner provided herein shall be deemed to refer also to any such successor or substitute Liquidator approved in the manner herein provided. Except as expressly provided in this Article XII, the Liquidator approved in the manner provided herein shall have and may exercise, without further authorization or consent of any of the parties hereto, all of the powers conferred upon the General Partner under the terms of this Agreement (but subject to all of the applicable limitations, contractual and otherwise, upon the exercise of such powers, other than the limitation on sale set forth in Section 7.3(b)) to the extent necessary or desirable in the good faith judgment of the Liquidator to carry out the duties and functions of the Liquidator hereunder for and during such period of time as shall be reasonably required in the good faith judgment of the Liquidator to complete the winding up and liquidation of the Partnership as provided for herein.

SECTION 12.4 *Liquidation.*

The Liquidator shall proceed to dispose of the assets of the Partnership, discharge its liabilities, and otherwise wind up its affairs in such manner and over such period as the Liquidator determines to be in the best interest of the Partners, subject to Section 17-804 of the Delaware Act and the following:

(a) *Disposition of Assets.* The assets may be disposed of by public or private sale or by distribution in kind to one or more Partners on such terms as the Liquidator and such Partner or Partners may agree. If any property is distributed in kind, the Partner receiving the property shall be deemed for purposes of Section 12.4(c) to have received cash equal to its fair market value; and contemporaneously therewith, appropriate cash distributions must be made to the other Partners. The Liquidator may, in its absolute discretion, defer liquidation or distribution of the Partnership's assets for a reasonable time if it determines that an immediate sale or distribution of all or some of the Partnership's assets would be impractical or would cause undue loss to the Partners. The Liquidator may, in its absolute discretion, distribute the Partnership's assets, in whole or in part, in kind if it determines that a sale would be impractical or would cause undue loss to the Partners.

(b) *Discharge of Liabilities.* Liabilities of the Partnership include amounts owed to the Liquidator as compensation for serving in such capacity (subject to the terms of Section 12.3) and amounts owed to Partners other than in respect of their distribution rights under Article VI. With respect to any liability that is contingent, conditional or unmatured or is otherwise not yet due and payable, the Liquidator shall either settle such claim for such amount as it thinks appropriate or establish a reserve of cash or other assets to provide for its payment. When paid, any unused portion of the reserve shall be distributed as additional liquidation proceeds.

(c) *Liquidation Distributions.* All property and all cash in excess of that required to discharge liabilities as provided in Section 12.4(b) shall be distributed to the Partners in accordance with, and to the extent of, the positive balances in their respective Capital Accounts, as determined after taking into account all Capital Account adjustments (other than those made by reason of distributions pursuant to this Section 12.4(c)) for the taxable year of the Partnership during which the liquidation of the Partnership occurs (with such date of occurrence being determined pursuant to Treasury Regulation Section 1.704-1(b)(2)(ii)(g)), and such distribution shall be made by the end of such taxable year (or, if later, within 90 days after said date of such occurrence); *provided* that the Stated Liquidation Preference and any accumulated and unpaid Series A Distributions, Series B Distributions and Series C Distributions shall be paid prior to making any distributions pursuant to this Section 12.4(c).

SECTION 12.5 *Cancellation of Certificate of Limited Partnership.*

Upon the completion of the distribution of Partnership cash and property as provided in Section 12.4 in connection with the liquidation of the Partnership, the Partnership shall be terminated and the Certificate of Limited Partnership and all qualifications of the Partnership as a foreign limited partnership in jurisdictions other than the State of Delaware shall be canceled and such other actions as may be necessary to terminate the Partnership shall be taken.

SECTION 12.6 *Return of Contributions.*

The General Partner shall not be personally liable for, and shall have no obligation to contribute or loan any monies or property to the Partnership to enable it to effectuate, the return of the Capital Contributions of the Limited Partners or Unitholders, or any portion thereof, it being expressly understood that any such return shall be made solely from Partnership assets.

SECTION 12.7 *Waiver of Partition.*

To the maximum extent permitted by law, each Partner hereby waives any right to partition of the Partnership property.

SECTION 12.8 *Capital Account Restoration.*

No Limited Partner shall have any obligation to restore any negative balance in its Capital Account upon liquidation of the Partnership.

ARTICLE XIII
AMENDMENT OF PARTNERSHIP AGREEMENT; MEETINGS;
RECORD DATE

SECTION 13.1 *Amendment to be Adopted Solely by the General Partner.*

Each Partner agrees that the General Partner, without the approval of any Partner or Assignee, may amend any provision of this Agreement and execute, swear to, acknowledge, deliver, file and record whatever documents may be required in connection therewith, to reflect:

- (a) a change in the name of the Partnership, the location of the principal place of business of the Partnership, the registered agent of the Partnership or the registered office of the Partnership;
- (b) admission, substitution, withdrawal or removal of Partners in accordance with this Agreement;
- (c) a change that, in the sole discretion of the General Partner, is necessary or advisable to qualify or continue the qualification of the Partnership as a limited partnership or a partnership in which the Limited Partners have limited liability under the laws of any state or to ensure that the Partnership and the Operating Partnership will not be treated as an association taxable as a corporation or otherwise taxed as an entity for federal income tax purposes;
- (d) subject to Section 16.4, Section 17.4 and Section 18.4, a change that, in the discretion of the General Partner, (i) does not adversely affect the Limited Partners (including any particular class of Partnership Interests as compared to other classes of Partnership Interests) in any material respect, (ii) is necessary or advisable to (A) satisfy any requirements, conditions or guidelines contained in any opinion, directive, order, ruling or regulation of any federal or state agency or judicial authority or contained in any federal or state statute (including the Delaware Act) or (B) facilitate the trading of the Limited Partner Interests (including the division of any class, classes or series of Outstanding Limited Partner Interests into different classes to facilitate uniformity of tax consequences within such classes or series of Limited Partner Interests) or comply with any rule, regulation, guideline or requirement of any National Securities Exchange on which the Limited Partner Interests are or will be listed for trading, compliance with any of which the General Partner determines in its discretion to be in the best interests of the Partnership and the Limited Partners, (iii) is necessary or advisable in connection with action taken by the General Partner pursuant to Section 5.9 or (iv) is required to effect the intent expressed in the Registration Statement or the intent of the provisions of this Agreement or is otherwise contemplated by this Agreement;

(e) a change in the fiscal year or taxable year of the Partnership and any changes that, in the discretion of the General Partner, are necessary or advisable as a result of a change in the fiscal year or taxable year of the Partnership including, if the General Partner shall so determine, a change in the definition of “Quarter” and the dates on which distributions (other than Preferred Distributions) are to be made by the Partnership;

(f) an amendment that is necessary, in the Opinion of Counsel, to prevent the Partnership, or the General Partner or its directors, officers, trustees or agents from in any manner being subjected to the provisions of the Investment Company Act of 1940, as amended, the Investment Advisers Act of 1940, as amended, or “plan asset” regulations adopted under the Employee Retirement Income Security Act of 1974, as amended, regardless of whether such are substantially similar to plan asset regulations currently applied or proposed by the United States Department of Labor;

(g) subject to the terms of Section 16.4, Section 17.4, Section 18.4 and Section 5.7, an amendment that, in the discretion of the General Partner, is necessary or advisable in connection with the authorization of issuance of any class or series of Partnership Securities pursuant to Section 5.6;

(h) any amendment expressly permitted in this Agreement to be made by the General Partner acting alone;

(i) an amendment effected, necessitated or contemplated by a Merger Agreement approved in accordance with Section 14.3;

(j) an amendment that, in the discretion of the General Partner, is necessary or advisable to reflect, account for and deal with appropriately the formation by the Partnership of, or investment by the Partnership in, any corporation, partnership, joint venture, limited liability company or other entity, in connection with the conduct by the Partnership of activities permitted by the terms of Section 2.4;

(k) a merger or conveyance pursuant to Section 14.3(d); or

(l) any other amendments substantially similar to the foregoing.

SECTION 13.2 *Amendment Procedures.*

Except as provided in Sections 13.1 and 13.3, Article XVI, Article XVII and Article XVIII, all amendments to this Agreement shall be made in accordance with the following requirements. Amendments to this Agreement may be proposed only by or with the consent of the General Partner, which consent may be given or withheld in its sole discretion. A proposed amendment shall be effective upon its approval by the holders of a Unit Majority, unless a greater or different percentage is required under this Agreement or by Delaware law. Each proposed amendment that requires the approval of the holders of a specified percentage of Outstanding Units shall be set forth in a writing that contains the text of the proposed

amendment. If such an amendment is proposed, the General Partner shall seek the written approval of the requisite percentage of Outstanding Units or call a meeting of the Unitholders to consider and vote on such proposed amendment. The General Partner shall notify all Record Holders upon final adoption of any such proposed amendments.

SECTION 13.3 *Amendment Requirements.*

(a) Notwithstanding the provisions of Sections 13.1 and 13.2, no provision of this Agreement that establishes a percentage of Outstanding Units (including Units deemed owned by the General Partner) required to take any action shall be amended, altered, changed, repealed or rescinded in any respect that would have the effect of reducing such voting percentage unless such amendment is approved by the written consent or the affirmative vote of holders of Outstanding Units whose aggregate Outstanding Units constitute not less than the voting requirement sought to be reduced.

(b) Notwithstanding the provisions of Sections 13.1 and 13.2, no amendment to this Agreement may (i) enlarge the obligations of any Limited Partner without its consent, unless such shall be deemed to have occurred as a result of an amendment approved pursuant to Section 13.3(c), (ii) enlarge the obligations of, restrict in any way any action by or rights of, or reduce in any way the amounts distributable, reimbursable or otherwise payable to, the General Partner or any of its Affiliates without its consent, which consent may be given or withheld in its sole discretion, (iii) change Section 12.1(a) or 12.1(c), or (iv) change the term of the Partnership or, except as set forth in Section 12.1(c), give any Person the right to dissolve the Partnership.

(c) Except as otherwise provided and without limitation of the General Partner's authority to adopt amendments to this Agreement without the approval of any Partners or Assignees as contemplated in Section 13.1, any amendment that would have a material adverse effect on the rights or preferences of any class of Partnership Interests in relation to other classes of Partnership Interests must be approved by the holders of not less than a majority of the Outstanding Partnership Interests of the class affected.

(d) Notwithstanding any other provision of this Agreement, except for amendments pursuant to Section 13.1 and except as otherwise provided by Section 14.3(b), no amendments shall become effective without the approval of the holders of at least 90% of the Outstanding Common Units unless the Partnership obtains an Opinion of Counsel to the effect that such amendment will not affect the limited liability of any Limited Partner under applicable law.

(e) Except as provided in Section 13.1, this Section 13.3 shall only be amended with the approval of the holders of at least 90% of the Outstanding Units.

SECTION 13.4 *Meetings.*

(a) All acts of Limited Partners to be taken pursuant to this Agreement shall be taken in the manner provided in this Article XIII. Special meetings of the Limited Partners may be called by the General Partner or by Limited Partners owning 20% or more of the Outstanding Limited Partner Interests of the class or classes for which a meeting is proposed. Limited Partners shall call a special meeting by delivering to the General Partner one or more requests in

writing stating that the signing Limited Partners wish to call a special meeting and indicating the general or specific purposes for which the special meeting is to be called. Within 60 days after receipt of such a call from Limited Partners or within such greater time as may be reasonably necessary for the Partnership to comply with any statutes, rules, regulations, listing agreements or similar requirements governing the holding of a meeting or the solicitation of proxies for use at such a meeting, the General Partner shall send a notice of the meeting to the Limited Partners either directly or indirectly through the Transfer Agent or another agent. A meeting shall be held at a time and place determined by the General Partner on a date not less than 10 days nor more than 60 days after the mailing of notice of the meeting. Limited Partners shall not vote on matters that would cause the Limited Partners to be deemed to be taking part in the management and control of the business and affairs of the Partnership so as to jeopardize the Limited Partners' limited liability under the Delaware Act or the law of any other state in which the Partnership is qualified to do business.

(b) (i) An annual meeting of the Limited Partners holding Outstanding Units for the election of Directors to the Board of Directors and such other matters as the General Partner shall submit to a vote of the Limited Partners holding Outstanding Units shall be held in April of each year beginning in 2019 or at such other date and time as may be fixed from time to time by the General Partner at such place within or without the State of Delaware as may be fixed from time to time by the General Partner and all as stated in the notice of the meeting. Notice of the annual meeting shall be given in accordance with Section 13.5 not less than 10 days nor more than 60 days prior to the date of such meeting.

(ii) The Limited Partners holding Outstanding Units shall vote together as a single class for the election of Directors to the Board of Directors. The Limited Partners described in the immediately preceding sentence shall elect by a plurality of the votes cast at such meeting persons to serve as Directors who are nominated in accordance with the provisions of this Section 13.4(b). The exercise by a Limited Partner of the right to elect the Directors and any other rights afforded to such Limited Partner under this Section 13.4(b) shall be in such Limited Partner's capacity as a limited partner of the Partnership and shall not cause a Limited Partner to be deemed to be taking part in the management and control of the business and affairs of the Partnership so as to jeopardize such Limited Partner's limited liability under the Delaware Act or the law of any other state in which the Partnership is qualified to do business.

(iii) The number of Directors on the Board of Directors shall be nine, unless otherwise fixed from time to time pursuant to a resolution adopted by a majority of the Directors then in office. Immediately prior to the effectiveness of this Agreement, the number of Directors on the Board of Directors was six and, upon the effectiveness of this Agreement, each person serving as a Director immediately prior to the effectiveness of this Agreement shall continue as a Director. Until such time as a Triggering Resolution has been adopted, each Director shall be elected to serve a term of one year to expire at the next annual meeting.

(iv) This Section 13.4(b)(iv) shall become effective upon the adoption of a Triggering Resolution, and no portion of this Section 13.4(b)(iv) shall be effective unless and until a Triggering Resolution has been adopted. The Directors shall be divided into

three groups by a majority of the Directors then in office, Group I, Group II, and Group III. The number of Directors in each group shall be the whole number contained in the quotient arrived at by dividing the authorized number of Directors by three, and if a fraction is also contained in such quotient, then if such fraction is one-third, the extra Director shall be a member of Group I and if the fraction is two-thirds, one of the extra Directors shall be a member of Group I and the other shall be a member of Group II. Each Director shall serve for a term ending as provided herein; provided, however, that the Directors designated in the Triggering Resolution to Group I shall serve for an initial term that expires at the annual meeting of Limited Partners held immediately following the Triggering Resolution, the Directors designated in the Triggering Resolution to Group II shall serve for an initial term that expires at the second annual meeting of Limited Partners held following the Triggering Resolution, and the Directors designated in the Triggering Resolution to Group III shall serve for an initial term that expires at the third annual meeting of Limited Partners held following the Triggering Resolution. At each succeeding annual meeting of Limited Partners beginning with the first annual meeting following the Triggering Resolution, successors to the Directors whose term expires at that annual meeting shall be elected for a three-year term.

(v) Each Director shall hold office for the term for which such Director is elected and thereafter until such Director's successor shall have been duly elected and qualified, or until such Director's earlier death, resignation or removal. If, following a Triggering Resolution, the number of Directors is changed, any increase or decrease shall be apportioned by a majority of the Directors then in office among the groups so as to maintain the number of Directors in each group as nearly equal as possible, and any additional Director of any group elected to fill a vacancy resulting from an increase in such group shall hold office for a term that shall coincide with the remaining term of that group, but in no case will a decrease in the number of Directors shorten the term of any incumbent Director. A majority of the remaining Directors may nominate and elect a person to fill any vacancy on the Board of Directors (including, without limitation, any vacancy caused by an increase in the number of Directors on the Board of Directors). Any Director elected to fill a vacancy not resulting from an increase in the number of Directors shall have the same remaining term as that of his predecessor. Notwithstanding Section 13.11 of this Agreement, a Director may be removed only at a meeting of the Limited Partners upon the affirmative vote of Limited Partners holding a Unit Majority; provided, however, a Director may only be removed if, at the same meeting, Limited Partners holding a Unit Majority nominate a replacement Director (and any such nomination shall not be subject to the nomination procedures otherwise set forth in this Section 13.4), and Limited Partners holding a Unit Majority also vote to elect a replacement Director, and, provided, further, following a Triggering Resolution, a Director may only be removed for Cause.

(vi) (A) (I) Nominations of persons for election of Directors to the Board of Directors may be made at an annual meeting of the Limited Partners only pursuant to the General Partner's notice of meeting (or any supplement thereto) (a) by or at the direction of a majority of the Directors or (b) by a Limited Partner, or a group of Limited Partners, that holds or beneficially owns, and has continuously held or beneficially owned without interruption for the prior two (2) years, 5% of the Outstanding Units (in either case, a

“Limited Partner Group”) if each member of the Limited Partner Group was a Limited Partner at the time the notice provided for in this Section 13.4(b)(vi) is delivered to the General Partner, and if the Limited Partner Group complies with the notice procedures set forth in this Section 13.4(b)(vi).

(II) For any nominations brought before an annual meeting by a Limited Partner Group pursuant to clause (b) of paragraph (A)(I) of this Section 13.4(b)(vi), the Limited Partner Group must have given timely notice thereof in writing to the General Partner. To be timely, a Limited Partner Group’s notice shall be delivered to the General Partner not later than the close of business on the ninetieth (90th) day, nor earlier than the close of business on the one hundred twentieth (120th) day, prior to the first anniversary of the preceding year’s annual meeting (provided, however, that in the event that the date of the annual meeting is more than thirty (30) days before or more than seventy (70) days after such anniversary date, notice by the Limited Partner Group must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth (10th) day following the day on which public announcement of the date of such meeting is first made by the Partnership or the General Partner). For purposes of the 2019 annual meeting, the first anniversary of the preceding year’s annual meeting shall be deemed to be April 30, 2019. In no event shall the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of a Limited Partner Group’s notice as described above. Such Limited Partner Group’s notice shall set forth: (a) as to each person whom the Limited Partner Group proposes to nominate for election as a Director (i) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to and in accordance with Regulation 14A under the Securities Exchange Act and the rules and regulations promulgated thereunder and (ii) such person’s written consent to being named in the proxy statement as a nominee and to serving as a Director if elected; and (b) as to each member of the Limited Partner Group giving the notice and the beneficial owner, if any, on whose behalf the nomination is made (i) the name and address of such Limited Partners, as they appear on the Partnership’s books and records, and of such beneficial owners, (ii) the class or series and number of Partnership Securities which are owned beneficially and of record by such Limited Partners and such beneficial owners, (iii) a description of any agreement, arrangement or understanding with respect to the nomination between or among any or all members of such Limited Partner Group and/or such beneficial owners, any of their respective Affiliates or associates, and any others acting in concert with any of the foregoing, including each nominee, (iv) a description of any agreement, arrangement or understanding (including any derivative or

short positions, profit interests, options, warrants, equity appreciation or similar rights, hedging transactions, and borrowed or loaned Partnership Securities) that has been entered into as of the date of the Limited Partner Group's notice by, or on behalf of, any members of such Limited Partner Group and such beneficial owners, the effect or intent of which is to mitigate loss to, manage risk or benefit of price changes for, or increase or decrease the voting power of, such Limited Partners and such beneficial owner, with respect to Partnership Securities, (v) a representation that each member of the Limited Partner Group is a Limited Partner entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such nomination, (vi) a representation whether any member of the Limited Partner Group or the beneficial owners, if any, intend or are part of a group which intends (a) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of the Partnership's Outstanding Units required to elect the nominee and/or (b) otherwise to solicit proxies from Limited Partners in support of such nomination, and (vii) any other information relating to any member of such Limited Partner Group and beneficial owners, if any, required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for the election of directors in an election contest pursuant to and in accordance with Section 14(a) of the Securities Exchange Act and the rules and regulations promulgated thereunder. The General Partner may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as a Director.

(III) Notwithstanding anything in the second sentence of paragraph (A)(II) of this Section 13.4(b)(vi) to the contrary, in the event that the number of Directors to be elected to the Board of Directors is increased effective after the time period for which nominations would otherwise be due under paragraph (A)(II) of this Section 13.4(b)(vi) and there is no public announcement by the Partnership or the General Partner naming the nominees for the additional directorships at least one hundred (100) days prior to the first anniversary of the preceding year's annual meeting, a Limited Partner Group's notice required by this Section 13.4(b)(vi) shall also be considered timely, but only with respect to nominees for the additional directorships, if it shall be delivered to the General Partner not later than the close of business on the tenth (10th) day following the day on which such public announcement is first made by the Partnership or the General Partner.

(B) Nominations of persons for election as a Director may be made at a special meeting of Limited Partners at which Directors are to be elected pursuant to the General Partner's notice of meeting (I) by or at the direction of a majority of the Directors or (II) provided that the Board of Directors has determined that Directors shall be elected at such meeting, by any Limited Partner Group pursuant to Section 13.4(a) hereof, if each member of such Limited Partner Group is a

Limited Partner at the time the notice provided for in this Section 13.4(b)(vi) is delivered to the General Partner and if the Limited Partner Group complies with the notice procedures set forth in this Section 13.4(b)(vi). In the event the General Partner calls a special meeting of Limited Partners for the purpose of electing one or more Directors to the Board of Directors, any such Limited Partner Group may nominate a person or persons (as the case may be) for election to such position(s) as specified in the General Partner's notice of meeting, if the Limited Partner Group's notice required by paragraph (A)(II) of this Section 13.4(b)(vi) shall be delivered to the General Partner not earlier than the close of business on the one hundred twentieth (120th) day prior to such special meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such special meeting or the tenth (10th) day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. In no event shall the public announcement of an adjournment or postponement of a special meeting commence a new time period (or extend any time period) for the giving of a Limited Partner Group's notice as described above.

(C) (I) Only such persons who are nominated in accordance with the procedures set forth in this Section 13.4(b) shall be eligible to be elected at an annual or special meeting of Limited Partners to serve as Directors. Except as otherwise provided by law, the chairman designated by the General Partner pursuant to Section 13.10 shall have the power and duty (a) to determine whether a nomination was made in accordance with the procedures set forth in this Section 13.4(b) (including whether the members of the Limited Partner Group or beneficial owner, if any, on whose behalf the nomination is made solicited (or is part of a group which solicited) or did not so solicit, as the case may be, proxies in support of such Limited Partner Group's nominee in compliance with such Limited Partner Group's representation as required by clause (A)(II)(b)(vi) of this Section 13.4(b)(vi)) and (b) if any proposed nomination was not made in compliance with this Section 13.4(b), to declare that such nomination shall be disregarded. Notwithstanding the foregoing provisions of this Section 13.4(b), unless otherwise required by law, if each member of the Limited Partner Group (or a qualified representative of each member of the Limited Partner Group) does not appear at the annual or special meeting of Limited Partners to present a nomination, such nomination shall be disregarded notwithstanding that proxies in respect of such vote may have been received by the General Partner or the Partnership. For purposes of this Section 13.4(b), to be considered a qualified representative of a member of the Limited Partner Group, a person must be a duly authorized officer, manager or partner of such Limited Partner or must be authorized by a writing executed by such Limited Partner or an electronic transmission delivered by such Limited Partner to act for such Limited Partner as proxy at the meeting of Limited Partners and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, at the meeting of Limited Partners.

(II) For purposes of this Section 13.4(b)(vi), “*public announcement*” shall include disclosure in a press release reported by the Dow Jones News Service, Associated Press or other national news service or in a document publicly filed by the Partnership or the General Partner with the Commission pursuant to Section 13, 14 or 15(d) of the Securities Exchange Act and the rules and regulations promulgated thereunder.

(III) Notwithstanding the foregoing provisions of this Section 13.4(b)(vi), a Limited Partner shall also comply with all applicable requirements of the Securities Exchange Act and the rules and regulations promulgated thereunder with respect to the matters set forth in this Section 13.4(b)(vi); provided however, that any references in this Agreement to the Securities Exchange Act or the rules and regulations promulgated thereunder are not intended to and shall not limit any requirements applicable to nominations pursuant to this Section 13.4(b)(vi) (including paragraphs A(I)(b) and B(II) hereof), and, to the fullest extent permitted by law, compliance with paragraphs A(I)(b) and B(II) of this Section 13.4(b)(vi) shall be the exclusive means for a Limited Partner to make nominations.

(vii) This Section 13.4(b) shall not be deemed in any way to limit or impair the ability of the Board of Directors to adopt a “*poison pill*” or unitholder or other similar rights plan with respect to the Partnership, whether such poison pill or plan contains “*dead hand*” provisions, “*no hand*” provisions or other provisions relating to the redemption of the poison pill or plan, in each case as such terms are used under Delaware common law.

(viii) The Partnership and the General Partner shall use their commercially reasonable best efforts to take such action as shall be necessary or appropriate to give effect to and implement the provisions of this Section 13.4(b), including, without limitation, amending the organizational documents of NuStar GP such that at all times the organizational documents of NuStar GP shall provide (i) that the Directors shall be elected in accordance with the terms of this Agreement, and (ii) terms consistent with this Section 13.4(b).

(ix) If NuStar GP or the General Partner delegates to any Person the management powers over the business and affairs of the Partnership provided to the General Partner herein, the foregoing provisions of this Section 13.4(b) shall be applicable with respect to the Board of Directors or other governing body of such Person.

SECTION 13.5 *Notice of a Meeting.*

Notice of a meeting called pursuant to Section 13.4 shall be given to the Record Holders of the class or classes of Limited Partner Interests for which a meeting is proposed in writing by mail or other means of written communication in accordance with Section 19.1. The notice shall be deemed to have been given at the time when deposited in the mail or sent by other means of written communication.

SECTION 13.6 *Record Date.*

For purposes of determining the Limited Partners entitled to notice of or to vote at a meeting of the Limited Partners or to give approvals without a meeting as provided in Section 13.11 the General Partner may set a Record Date, which shall not be less than 10 nor more than 60 days before (a) the date of the meeting (unless such requirement conflicts with any rule, regulation, guideline or requirement of any National Securities Exchange on which the Limited Partner Interests are listed for trading, in which case the rule, regulation, guideline or requirement of such exchange shall govern) or (b) in the event that approvals are sought without a meeting, the date by which Limited Partners are requested in writing by the General Partner to give such approvals.

SECTION 13.7 *Adjournment.*

When a meeting is adjourned to another time or place, notice need not be given of the adjourned meeting and a new Record Date need not be fixed, if the time and place thereof are announced at the meeting at which the adjournment is taken, unless such adjournment shall be for more than 45 days. At the adjourned meeting, the Partnership may transact any business which might have been transacted at the original meeting. If the adjournment is for more than 45 days or if a new Record Date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given in accordance with this Article XIII.

SECTION 13.8 *Waiver of Notice; Approval of Meeting; Approval of Minutes.*

The transactions of any meeting of Limited Partners, however called and noticed, and whenever held, shall be as valid as if it had occurred at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, Limited Partners representing such quorum who were present in person or by proxy and entitled to vote, sign a written waiver of notice or an approval of the holding of the meeting or an approval of the minutes thereof. All waivers and approvals shall be filed with the Partnership records or made a part of the minutes of the meeting. Attendance of a Limited Partner at a meeting shall constitute a waiver of notice of the meeting, except when the Limited Partner does not approve, at the beginning of the meeting, of the transaction of any business because the meeting is not lawfully called or convened; and except that attendance at a meeting is not a waiver of any right to disapprove the consideration of matters required to be included in the notice of the meeting, but not so included, if the disapproval is expressly made at the meeting.

SECTION 13.9 *Quorum.*

The holders of a majority of the Outstanding Limited Partner Interests of the class, classes or series for which a meeting has been called represented in person or by proxy shall constitute a quorum at a meeting of Limited Partners of such class, classes or series unless any such action by the Limited Partners requires approval by holders of a greater percentage of such Limited Partner Interests, in which case the quorum shall be such greater percentage. At any meeting of the Limited Partners duly called and held in accordance with this Agreement at which a quorum is present, the act of Limited Partners holding Outstanding Limited Partner Interests that in the aggregate represent a majority of the Outstanding Limited Partner Interests entitled to

vote and be present in person or by proxy at such meeting shall be deemed to constitute the act of all Limited Partners, unless a greater or different percentage is required with respect to such action under the provisions of this Agreement, in which case the act of the Limited Partners holding Outstanding Limited Partner Interests that in the aggregate represent at least such greater or different percentage shall be required. The Limited Partners present at a duly called or held meeting at which a quorum is present may continue to transact business until adjournment, notwithstanding the withdrawal of enough Limited Partners to leave less than a quorum, if any action taken (other than adjournment) is approved by the required percentage of Outstanding Limited Partner Interests specified in this Agreement (including Limited Partner Interests deemed owned by the General Partner). In the absence of a quorum any meeting of Limited Partners may be adjourned from time to time by the affirmative vote of holders of at least a majority of the Outstanding Limited Partner Interests entitled to vote at such meeting (including Limited Partner Interests deemed owned by the General Partner) represented either in person or by proxy, but no other business may be transacted, except as provided in [Section 13.7](#).

SECTION 13.10 *Conduct of a Meeting.*

The General Partner shall have full power and authority concerning the manner of conducting any meeting of the Limited Partners or solicitation of approvals in writing, including the determination of Persons entitled to vote, the existence of a quorum, the satisfaction of the requirements of [Section 13.4](#), the conduct of voting, the validity and effect of any proxies and the determination of any controversies, votes or challenges arising in connection with or during the meeting or voting. The General Partner shall designate a Person to serve as chairman of any meeting and shall further designate a Person to take the minutes of any meeting. All minutes shall be kept with the records of the Partnership maintained by the General Partner. The General Partner may make such other regulations consistent with applicable law and this Agreement as it may deem advisable concerning the conduct of any meeting of the Limited Partners or solicitation of approvals in writing, including regulations in regard to the appointment of proxies, the appointment and duties of inspectors of votes and approvals, the submission and examination of proxies and other evidence of the right to vote, and the revocation of approvals in writing.

SECTION 13.11 *Action Without a Meeting.*

If authorized by the General Partner, any action that may be taken at a meeting of the Limited Partners may be taken without a meeting if an approval in writing setting forth the action so taken is signed by Limited Partners owning not less than the minimum percentage of the Outstanding Limited Partner Interests (including Limited Partner Interests deemed owned by the General Partner) that would be necessary to authorize or take such action at a meeting at which all the Limited Partners were present and voted (unless such provision conflicts with any rule, regulation, guideline or requirement of any National Securities Exchange on which the Limited Partner Interests are listed for trading, in which case the rule, regulation, guideline or requirement of such exchange shall govern). Prompt notice of the taking of action without a meeting shall be given to the Limited Partners who have not approved in writing. The General Partner may specify that any written ballot submitted to Limited Partners for the purpose of taking any action without a meeting shall be returned to the Partnership within the time period, which shall be not less than 20 days, specified by the General Partner. If a ballot returned to the Partnership does not vote all of the Limited Partner Interests held by the Limited Partners the

Partnership shall be deemed to have failed to receive a ballot for the Limited Partner Interests that were not voted. If approval of the taking of any action by the Limited Partners is solicited by any Person other than by or on behalf of the General Partner, the written approvals shall have no force and effect unless and until (a) they are deposited with the Partnership in care of the General Partner, (b) approvals sufficient to take the action proposed are dated as of a date not more than 90 days prior to the date sufficient approvals are deposited with the Partnership and (c) an Opinion of Counsel is delivered to the General Partner to the effect that the exercise of such right and the action proposed to be taken with respect to any particular matter (i) will not cause the Limited Partners to be deemed to be taking part in the management and control of the business and affairs of the Partnership so as to jeopardize the Limited Partners' limited liability, and (ii) is otherwise permissible under the state statutes then governing the rights, duties and liabilities of the Partnership and the Partners.

SECTION 13.12 *Voting and Other Rights.*

(a) Only those Record Holders of the Limited Partner Interests on the Record Date set pursuant to Section 13.6 (and subject to the limitations contained in the definition of "*Outstanding*") shall be entitled to notice of, and to vote at, a meeting of Unitholders or to act with respect to matters as to which the holders of the Outstanding Limited Partner Interests have the right to vote or to act. All references in this Agreement to votes of, or other acts that may be taken by, the Outstanding Limited Partner Interests shall be deemed to be references to the votes or acts of the Record Holders of such Outstanding Limited Partner Interests.

(b) Only those Record Holders of the Series A Preferred Units on the Record Date set pursuant to Section 13.6 (and subject to the limitations contained in the definition of "*Outstanding*" and the limitations set forth in Section 16.4) shall be entitled to notice of, and to vote at, a meeting of Limited Partners holding Series A Preferred Units or to act with respect to matters as to which the holders of the Outstanding Series A Preferred Units have the right to vote or to act. All references in this Agreement to votes of, or other acts that may be taken by, the Outstanding Series A Preferred Units shall be deemed to be references to the votes or acts of the Record Holders of such Outstanding Series A Preferred Units.

(c) Only those Record Holders of the Series B Preferred Units on the Record Date set pursuant to Section 13.6 (and subject to the limitations contained in the definition of "*Outstanding*" and the limitations set forth in Section 17.4) shall be entitled to notice of, and to vote at, a meeting of Limited Partners holding Series B Preferred Units or to act with respect to matters as to which the holders of the Outstanding Series B Preferred Units have the right to vote or to act. All references in this Agreement to votes of, or other acts that may be taken by, the Outstanding Series B Preferred Units shall be deemed to be references to the votes or acts of the Record Holders of such Outstanding Series B Preferred Units.

(d) Only those Record Holders of the Series C Preferred Units on the Record Date set pursuant to Section 13.6 (and subject to the limitations contained in the definition of "*Outstanding*" and the limitations set forth in Section 18.4) shall be entitled to notice of, and to vote at, a meeting of Limited Partners holding Series C Preferred Units or to act with respect to matters as to which the holders of the Outstanding Series C Preferred Units have the right to vote or to act. All references in this Agreement to votes of, or other acts that may be taken by, the Outstanding Series C Preferred Units shall be deemed to be references to the votes or acts of the Record Holders of such Outstanding Series C Preferred Units.

(e) With respect to Limited Partner Interests that are held for a Person's account by another Person (such as a broker, dealer, bank, trust company or clearing corporation, or an agent of any of the foregoing), in whose name such Limited Partner Interests are registered, such other Person shall, in exercising the voting rights in respect of such Limited Partner Interests on any matter, and unless the arrangement between such Persons provides otherwise, vote such Limited Partner Interests in favor of, and at the direction of, the Person who is the beneficial owner, and the Partnership shall be entitled to assume it is so acting without further inquiry. The provisions of this Section 13.12(e) (as well as all other provisions of this Agreement) are subject to the provisions of Section 4.3.

ARTICLE XIV
MERGER

SECTION 14.1 *Authority.*

The Partnership may merge or consolidate with one or more corporations, limited liability companies, business trusts or associations, real estate investment trusts, common law trusts or unincorporated businesses, including a general partnership or limited partnership, formed under the laws of the State of Delaware or any other state of the United States of America, pursuant to a written agreement of merger or consolidation ("*Merger Agreement*") in accordance with this Article XIV.

SECTION 14.2 *Procedure for Merger or Consolidation.*

Merger or consolidation of the Partnership pursuant to this Article XIV requires the prior approval of the General Partner. If the General Partner shall determine, in the exercise of its discretion, to consent to the merger or consolidation, the General Partner shall approve the Merger Agreement, which shall set forth:

- (a) The names and jurisdictions of formation or organization of each of the business entities proposing to merge or consolidate;
- (b) The name and jurisdiction of formation or organization of the business entity that is to survive the proposed merger or consolidation (the "*Surviving Business Entity*");
- (c) The terms and conditions of the proposed merger or consolidation;
- (d) The manner and basis of exchanging or converting the equity securities of each constituent business entity for, or into, cash, property or general or limited partner interests, rights, securities or obligations of the Surviving Business Entity; and (i) if any general or limited partner interests, securities or rights of any constituent business entity are not to be exchanged or converted solely for, or into, cash, property or general or limited partner interests, rights, securities or obligations of the Surviving Business Entity, the cash, property or general or limited partner interests, rights, securities or obligations of any limited partnership, corporation, trust or other entity (other than the Surviving Business Entity) which the holders of such general or

limited partner interests, securities or rights are to receive in exchange for, or upon conversion of their general or limited partner interests, securities or rights, and (ii) in the case of securities represented by certificates, upon the surrender of such certificates, which cash, property or general or limited partner interests, rights, securities or obligations of the Surviving Business Entity or any general or limited partnership, corporation, trust or other entity (other than the Surviving Business Entity), or evidences thereof, are to be delivered;

(e) A statement of any changes in the constituent documents or the adoption of new constituent documents (the articles or certificate of incorporation, articles of trust, declaration of trust, certificate or agreement of limited partnership or other similar charter or governing document) of the Surviving Business Entity to be effected by such merger or consolidation;

(f) The effective time of the merger, which may be the date of the filing of the certificate of merger pursuant to Section 14.4 or a later date specified in or determinable in accordance with the Merger Agreement (*provided*, that if the effective time of the merger is to be later than the date of the filing of the certificate of merger, the effective time shall be fixed no later than the time of the filing of the certificate of merger and stated therein); and

(g) Such other provisions with respect to the proposed merger or consolidation as are deemed necessary or appropriate by the General Partner.

SECTION 14.3 Approval by Limited Partners of Merger or Consolidation.

(a) Except as provided in Section 14.3(d), the General Partner, upon its approval of the Merger Agreement, shall direct that the Merger Agreement be submitted to a vote of Unitholders, whether at a special meeting or by written consent, in either case in accordance with the requirements of Article XIII. A copy or a summary of the Merger Agreement shall be included in or enclosed with the notice of a special meeting or the written consent.

(b) Except as provided in Section 14.3(d), the Merger Agreement shall be approved upon receiving the affirmative vote or consent of the holders of a Unit Majority unless the Merger Agreement contains any provision that, if contained in an amendment to this Agreement, the provisions of this Agreement or the Delaware Act would require for its approval the vote or consent of a greater percentage of the Outstanding Limited Partner Interests or of any class of Limited Partners, in which case such greater percentage vote or consent shall be required for approval of the Merger Agreement.

(c) Except as provided in Section 14.3(d), after such approval by vote or consent of the Limited Partners, and at any time prior to the filing of the certificate of merger pursuant to Section 14.4, the merger or consolidation may be abandoned pursuant to provisions therefor, if any, set forth in the Merger Agreement.

(d) Notwithstanding anything else contained in this Article XIV or in this Agreement, the General Partner is permitted, in its discretion, without Limited Partner approval, to merge the Partnership or any Group Member into, or convey all of the Partnership's assets to, another limited liability entity which shall be newly formed and shall have no assets, liabilities or operations at the time of such Merger other than those it receives from the Partnership or other

Group Member if (i) the General Partner has received an Opinion of Counsel that the merger or conveyance, as the case may be, would not result in the loss of the limited liability of any Limited Partner or any partner in the Operating Partnership or cause the Partnership or Operating Partnership to be treated as an association taxable as a corporation or otherwise to be taxed as an entity for federal income tax purposes (to the extent not previously treated as such), (ii) the sole purpose of such merger or conveyance is to effect a mere change in the legal form of the Partnership into another limited liability entity and (iii) the governing instruments of the new entity provide the Limited Partners and the General Partner with the same rights and obligations as are herein contained.

SECTION 14.4 *Certificate of Merger.*

Upon the required approval pursuant to Sections 14.2 and 14.3(b) of a Merger Agreement, subject to Section 14.3(c), a certificate of merger shall be executed and filed with the Secretary of State of the State of Delaware in conformity with the requirements of the Delaware Act.

SECTION 14.5 *Effect of Merger.*

(a) At the effective time of the certificate of merger:

(i) all of the rights, privileges and powers of each of the business entities that has merged or consolidated, and all property, real, personal and mixed, and all debts due to any of those business entities and all other things and causes of action belonging to each of those business entities, shall be vested in the Surviving Business Entity and after the merger or consolidation shall be the property of the Surviving Business Entity to the extent they were of each constituent business entity;

(ii) the title to any real property vested by deed or otherwise in any of those constituent business entities shall not revert and is not in any way impaired because of the merger or consolidation;

(iii) all rights of creditors and all liens on or security interests in property of any of those constituent business entities shall be preserved unimpaired; and

(iv) all debts, liabilities and duties of those constituent business entities shall attach to the Surviving Business Entity and may be enforced against it to the same extent as if the debts, liabilities and duties had been incurred or contracted by it.

(b) A merger or consolidation effected pursuant to this Article XIV shall not be deemed to result in a transfer or assignment of assets or liabilities from one entity to another.

ARTICLE XV
RIGHT TO ACQUIRE LIMITED PARTNER INTERESTS

SECTION 15.1 *Right to Acquire Limited Partner Interests.*

(a) Notwithstanding any other provision of this Agreement (but subject to Section 15.1(d)), if at any time not more than 20% of the total Limited Partner Interests of any class then Outstanding is held by Persons other than the General Partner and its Affiliates, the General Partner shall then have the right, which right it may assign and transfer in whole or in part to the Partnership or any Affiliate of the General Partner, exercisable in its sole discretion, to purchase all, but not less than all, of such Limited Partner Interests of such class then Outstanding held by Persons other than the General Partner and its Affiliates, at the greater of (x) the Current Market Price as of the date three days prior to the date that the notice described in Section 15.1(b) is mailed and (y) the highest price paid by the General Partner or any of its Affiliates for any such Limited Partner Interest of such class purchased during the 90-day period preceding the date that the notice described in Section 15.1(b) is mailed. As used in this Agreement, (i) “*Current Market Price*” as of any date of any class of Limited Partner Interests listed or admitted to trading on any National Securities Exchange means the average of the daily Closing Prices (as hereinafter defined) per Limited Partner Interest of such class for the 20 consecutive Trading Days (as hereinafter defined) immediately prior to such date; (ii) “*Closing Price*” for any day means the last sale price on such day, regular way, or in case no such sale takes place on such day, the average of the closing bid and asked prices on such day, regular way, in either case as reported in the principal consolidated transaction reporting system with respect to securities listed or admitted for trading on the principal National Securities Exchange (other than the Nasdaq Stock Market) on which such Limited Partner Interests of such class are listed or admitted to trading or, if such Limited Partner Interests of such class are not listed or admitted to trading on any National Securities Exchange (other than the Nasdaq Stock Market), the last quoted price on such day or, if not so quoted, the average of the high bid and low asked prices on such day in the over-the-counter market, as reported by the Nasdaq Stock Market or such other system then in use, or, if on any such day such Limited Partner Interests of such class are not quoted by any such organization, the average of the closing bid and asked prices on such day as furnished by a professional market maker making a market in such Limited Partner Interests of such class selected by the General Partner, or if on any such day no market maker is making a market in such Limited Partner Interests of such class, the fair value of such Limited Partner Interests on such day as determined reasonably and in good faith by the General Partner; and (iii) “*Trading Day*” means a day on which the principal National Securities Exchange on which such Limited Partner Interests of any class are listed or admitted to trading is open for the transaction of business or, if Limited Partner Interests of a class are not listed or admitted to trading on any National Securities Exchange, a day on which banking institutions in New York City generally are open.

(b) If the General Partner, any Affiliate of the General Partner or the Partnership elects to exercise the right to purchase Limited Partner Interests granted pursuant to Section 15.1(a), the General Partner shall deliver to the Transfer Agent notice of such election to purchase (the “*Notice of Election to Purchase*”) and shall cause the Transfer Agent to mail a copy of such Notice of Election to Purchase to the Record Holders of Limited Partner Interests of such class (as of a Record Date selected by the General Partner) at least 10, but not more than 60,

days prior to the Purchase Date. Such Notice of Election to Purchase shall also be published for a period of at least three consecutive days in at least two daily newspapers of general circulation printed in the English language and published in the Borough of Manhattan, New York. The Notice of Election to Purchase shall specify the Purchase Date and the price (determined in accordance with Section 15.1(a)) at which Limited Partner Interests will be purchased and state that the General Partner, its Affiliate or the Partnership, as the case may be, elects to purchase such Limited Partner Interests, upon surrender of Certificates representing such Limited Partner Interests in exchange for payment, at such office or offices of the Transfer Agent as the Transfer Agent may specify, or as may be required by any National Securities Exchange on which such Limited Partner Interests are listed or admitted to trading. Any such Notice of Election to Purchase mailed to a Record Holder of Limited Partner Interests at his address as reflected in the records of the Transfer Agent shall be conclusively presumed to have been given regardless of whether the owner receives such notice. On or prior to the Purchase Date, the General Partner, its Affiliate or the Partnership, as the case may be, shall deposit with the Transfer Agent cash in an amount sufficient to pay the aggregate purchase price of all of such Limited Partner Interests to be purchased in accordance with this Section 15.1. If the Notice of Election to Purchase shall have been duly given as aforesaid at least 10 days prior to the Purchase Date, and if on or prior to the Purchase Date the deposit described in the preceding sentence has been made for the benefit of the holders of Limited Partner Interests subject to purchase as provided herein, then from and after the Purchase Date, notwithstanding that any Certificate shall not have been surrendered for purchase, all rights of the holders of such Limited Partner Interests (including any rights pursuant to Articles IV, V, VI, and XII) shall thereupon cease, except the right to receive the purchase price (determined in accordance with Section 15.1(a)) for Limited Partner Interests therefor, without interest, upon surrender to the Transfer Agent of the Certificates representing such Limited Partner Interests, and such Limited Partner Interests shall thereupon be deemed to be transferred to the General Partner, its Affiliate or the Partnership, as the case may be, on the record books of the Transfer Agent and the Partnership, and the General Partner or any Affiliate of the General Partner, or the Partnership, as the case may be, shall be deemed to be the owner of all such Limited Partner Interests from and after the Purchase Date and shall have all rights as the owner of such Limited Partner Interests (including all rights as owner of such Limited Partner Interests pursuant to Articles IV, V, VI and XII).

(c) At any time from and after the Purchase Date, a holder of an Outstanding Limited Partner Interest subject to purchase as provided in this Section 15.1 may surrender his Certificate evidencing such Limited Partner Interest to the Transfer Agent in exchange for payment of the amount described in Section 15.1(a), therefor, without interest thereon.

(d) Notwithstanding anything in this Article XV to the contrary, the repurchase right described in this Article XV shall not apply to Preferred Units.

SECTION 16.1 *Designations.*

A series of Preferred Units designated as “8.50% Series A Fixed-to-Floating Rate Cumulative Redeemable Perpetual Preferred Units” is hereby designated and created, and the preferences, rights, powers and duties of the holders of the Series A Preferred Units are set forth herein, including this Article XVI. Each Series A Preferred Unit shall be identical in all respects to every other Series A Preferred Unit, except as to the respective dates from which the Series A Liquidation Preference shall increase or from which Series A Distributions may begin accruing, to the extent such dates may differ. The Series A Preferred Units represent perpetual equity interests in the Partnership and, except as set forth in Sections 16.5 and 16.11, shall not give rise to a claim by the Partnership or a Series A Holder for redemption or the conversion thereof, as applicable, at a particular date.

SECTION 16.2 *Series A Preferred Units.*

(a) The authorized number of Series A Preferred Units shall be unlimited. Series A Preferred Units that are purchased or otherwise acquired by the Partnership shall be cancelled.

(b) The Series A Preferred Units shall be represented by one or more global Certificates registered in the name of the Depositary or its nominee, and no Series A Holder shall be entitled to receive a definitive Certificate evidencing its Series A Preferred Units, unless otherwise required by law or the Depositary gives notice of its intention to resign or is no longer eligible to act as such with respect to the Series A Preferred Units and the Partnership shall have not selected a substitute Depositary within 60 calendar days thereafter. So long as the Depositary shall have been appointed and is serving with respect to the Series A Preferred Units, payments and communications made by the Partnership to Series A Holders shall be made by making payments to, and communicating with, the Depositary.

SECTION 16.3 *Distributions.*

(a) Distributions on each Series A Preferred Unit shall be cumulative and shall accumulate at the applicable Series A Distribution Rate from and including the Series A Original Issue Date (or, for any subsequently issued and newly Outstanding Series A Preferred Units, from and including the Series A Distribution Payment Date immediately preceding the issue date of such Series A Preferred Units) until such time as the Partnership pays the Series A Distribution or redeems such Series A Preferred Unit in accordance with Section 16.5 or such Series A Preferred Unit is converted in accordance with Section 16.11, whether or not such Series A Distributions shall have been declared. Series A Holders shall be entitled to receive Series A Distributions from time to time out of any assets of the Partnership legally available for the payment of distributions at the Series A Distribution Rate per Series A Preferred Unit when, as, and if declared by the General Partner. Distributions, to the extent declared by the General Partner to be paid by the Partnership in accordance with this Section 16.3, shall be paid quarterly on each Series A Distribution Payment Date. Distributions shall accumulate in each Series A Distribution Period from and including the preceding Series A Distribution Payment Date (other than the initial Series A Distribution Period, which shall commence on and include the Series A Original Issue Date), to but excluding the next Series A Distribution Payment Date for such Series A Distribution Period; *provided* that distributions shall accrue on accumulated but unpaid Series A Distributions at the Series A Distribution Rate. If any Series A Distribution Payment

Date otherwise would occur on a date that is not a Business Day, declared Series A Distributions shall be paid on the immediately succeeding Business Day without the accumulation of additional distributions. Series A Distributions shall be payable based on a 360-day year consisting of four 90-day quarters. All Series A Distributions payable by the Partnership pursuant to this [Section 16.3](#) shall be payable without regard to income of the Partnership and shall be treated for federal income tax purposes as guaranteed payments for the use of capital under Section 707(c) of the Code.

(b) Not later than 5:00 p.m., New York City time, on each Series A Distribution Payment Date, the Partnership shall pay those Series A Distributions, if any, that shall have been declared by the General Partner to Series A Holders on the Record Date for the applicable Series A Distribution. The Record Date (the "*Series A Distribution Record Date*") for the payment of any Series A Distributions shall be as of the close of business on the first Business Day of the month of the applicable Series A Distribution Payment Date, except that in the case of payments of Series A Distributions in Arrears, the Series A Distribution Record Date with respect to a Series A Distribution Payment Date shall be such date as may be designated by the General Partner in accordance with this [Article XVI](#). So long as any Series A Preferred Units are Outstanding, no distribution shall be declared or paid or set aside for payment on any Junior Securities (other than a distribution payable solely in Junior Securities) unless full cumulative Series A Distributions have been or contemporaneously are being paid or set aside for payment on all Outstanding Series A Preferred Units (and distributions on any other Parity Securities) through the most recent respective Series A Distribution Payment Date (and distribution payment date with respect to such Parity Securities, if any). Accumulated Series A Distributions in Arrears for any past Series A Distribution Period may be declared by the General Partner and paid on any date fixed by the General Partner, whether or not a Series A Distribution Payment Date, to Series A Holders on the Record Date for such payment, which may not be less than 10 days before such payment date. Subject to the next succeeding sentence, if all accumulated Series A Distributions in Arrears on all Outstanding Series A Preferred Units and any other Parity Securities shall not have been declared and paid, or if sufficient funds for the payment thereof shall not have been set aside, payment of accumulated distributions in Arrears on the Series A Preferred Units and any such Parity Securities shall be made in order of their respective distribution payment dates, commencing with the earliest. If less than all distributions payable with respect to all Series A Preferred Units and any other Parity Securities are paid, any partial payment shall be made Pro Rata with respect to the Series A Preferred Units and any such other Parity Securities entitled to a distribution payment at such time in proportion to the aggregate distribution amounts remaining due in respect of such Series A Preferred Units and such other Parity Securities at such time. Subject to [Sections 12.4](#) and [16.5](#), Series A Holders shall not be entitled to any distribution, whether payable in cash, property or Partnership Securities, in excess of full cumulative Series A Distributions. Except insofar as distributions accrue on the amount of any accumulated and unpaid Series A Distributions as described in [Section 16.3\(a\)](#), no interest or sum of money in lieu of interest shall be payable in respect of any distribution payment which may be in Arrears on the Series A Preferred Units. So long as the Series A Preferred Units are held of record by the Depositary or its nominee, declared Series A Distributions shall be paid to the Depositary in same-day funds on each Series A Distribution Payment Date or other distribution payment date in the case of payments for Series A Distributions in Arrears.

(c) The “Series A Three-Month LIBOR” for each Series A Distribution Period during the Series A Floating Rate Period shall be determined by the Calculation Agent, as of the applicable Series A LIBOR Determination Date, in accordance with the following provisions:

(i) The Series A Three-Month LIBOR shall be the rate (expressed as a percentage per year) for deposits in U.S. dollars for a three-month period commencing on the first day of such Series A Distribution Period that appears on Reuters Page LIBOR01 as of 11:00 a.m. (London time) on the Series A LIBOR Determination Date.

(ii) If the Series A Three-Month LIBOR cannot be determined as described in Section 16.3(c)(i), the Partnership shall select four major banks in the London interbank market and request that the principal London offices of those four selected banks provide their offered quotations for deposits in U.S. dollars for a period of three months, commencing on the first day of the applicable Series A Distribution Period, to prime banks in the London interbank market at approximately 11:00 a.m. (London time) on the Series A LIBOR Determination Date for such Series A Distribution Period. Offered quotations must be based on a principal amount equal to an amount that, in the Partnership’s judgment, is representative of a single transaction in U.S. dollars in the London interbank market at the time. If two or more quotations are provided, the Series A Three-Month LIBOR for such Series A Distribution Period will be the arithmetic mean of the quotations. If fewer than two quotations are provided, the Series A Three-Month LIBOR for such Series A Distribution Period will be the arithmetic mean of the rates quoted on the Series A LIBOR Determination Date for such Series A Distribution Period by three major banks in New York City selected by the Partnership, for loans in U.S. dollars to leading European banks for a three-month period commencing on the first day of such Series A Distribution Period. The rates quoted must be based on an amount that, in the Partnership’s judgment, is representative of a single transaction in U.S. dollars in that market at the time. If fewer than three New York City banks selected by the Partnership are quoting rates in the manner described above, the Series A Three-Month LIBOR for the applicable Series A Distribution Period will be the same as for the immediately preceding Series A Distribution Period or, if the immediately preceding Series A Distribution Period was within the Series A Fixed Rate Period, the same as for the most recent quarter for which the Series A Three-Month LIBOR can be determined;

(iii) All percentages resulting from any of the above calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upwards and all dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one-half cent being rounded upwards).

SECTION 16.4 *Voting Rights.*

(a) Notwithstanding anything to the contrary in this Agreement, the Series A Preferred Units shall not have any voting rights except as set forth in Section 13.3(c), this Section 16.4 or as otherwise required by the Delaware Act.

(b) Without the affirmative vote or consent of the holders of at least 66 2/3% of the Outstanding Series A Preferred Units, voting as a separate class, the General Partner shall not adopt any amendment to this Agreement that would have a material adverse effect on the powers, preferences, duties or special rights of the Series A Preferred Units; *provided, however*, that (i) subject to Section 16.4(c), the issuance of additional Partnership Securities shall not be deemed to constitute such a material adverse effect for purposes of this Section 16.4(b) and (ii) for purposes of this Section 16.4(b), no amendment of this Agreement in connection with a merger or other transaction in which the Partnership is the surviving entity and the Series A Preferred Units remain Outstanding with the terms thereof materially unchanged in any respect adverse to the Series A Holders shall be deemed to materially and adversely affect the powers, preferences, duties or special rights of the Series A Preferred Units.

(c) Without the affirmative vote or consent of the holders of at least 66 2/3% of the Outstanding Series A Preferred Units voting as a class together with holders of any other Parity Securities upon which like voting rights have been conferred and are exercisable, the Partnership shall not (x) create or issue any Parity Securities if the cumulative distributions payable on Series A Preferred Units or any Parity Securities are in Arrears or (y) create or issue any Senior Securities.

(d) For any matter described in this Section 16.4 in which the Series A Holders are entitled to vote as a class (whether separately or together with the holders of any Parity Securities), such Series A Holders shall be entitled to one vote per Series A Preferred Unit. Any Series A Preferred Units held by the Partnership or any of its Subsidiaries or their controlled Affiliates shall not be entitled to vote.

(e) Notwithstanding Sections 16.4(b) and 16.4(c), no vote of the Series A Holders shall be required if, at or prior to the time when such action is to take effect, provision is made for the redemption of all Series A Preferred Units at the time Outstanding.

SECTION 16.5 *Optional Redemption; Series A Rating Event*

(a) The Partnership shall have the right (i) at any time, and from time to time, on or after December 15, 2021 or (ii) at any time within 120 days after the conclusion of any review or appeal process instituted by the Partnership following the occurrence of a Series A Rating Event or (iii) at any time within 120 days after the first date on which a Change of Control occurs, in each case, to redeem the Series A Preferred Units, which redemption may be in whole or in part (except with respect to a redemption pursuant to clause (ii) of this Section 16.5(a) which shall be in whole but not in part), using any source of funds legally available for such purpose. Any such redemption shall occur on a date set by the General Partner (the “*Series A Redemption Date*”). The Partnership shall effect any such redemption by paying cash for each Series A Preferred Unit to be redeemed equal to the Series A Liquidation Preference for such Series A Preferred Unit on such Series A Redemption Date plus an amount equal to all unpaid distributions thereon from the Series A Original Issue Date to, but not including, the Series A Redemption Date (whether or not such distributions shall have been declared) (the “*Series A Redemption Price*”); *provided* that in connection with a redemption in accordance with clause (ii) of this Section 16.5(a), the Series A Liquidation Preference per Series A Preferred Unit shall be deemed to be equal to \$25.50. So long as the Series A Preferred Units to be redeemed are held of record by the nominee of the Depository, the Series A Redemption Price shall be paid by the Paying Agent to the Depository on the Series A Redemption Date.

(b) The Partnership shall give notice of any redemption by mail, postage prepaid, not less than 30 days and not more than 60 days before the scheduled Series A Redemption Date to the Series A Holders (as of 5:00 p.m. New York City time on the Business Day next preceding the day on which notice is given) of any Series A Preferred Units to be redeemed as such Series A Holders' names appear on the books of the Transfer Agent and at the address of such Series A Holders shown therein. Such notice (the "Series A Redemption Notice") shall state, as applicable: (1) the Series A Redemption Date, (2) the number of Series A Preferred Units to be redeemed and, if less than all Outstanding Series A Preferred Units are to be redeemed, the number (and the identification) of Series A Preferred Units to be redeemed from such Series A Holder, (3) the Series A Redemption Price, (4) the place where any Series A Preferred Units in certificated form are to be redeemed and shall be presented and surrendered for payment of the Series A Redemption Price therefor and (5) that distributions on the Series A Preferred Units to be redeemed shall cease to accumulate from and after such Series A Redemption Date. For the avoidance of doubt, the Partnership may give the Series A Redemption Notice in advance of a Change of Control if a definitive agreement is in place for the Change of Control at the time of giving the Series A Redemption Notice.

(c) If the Partnership elects to redeem less than all of the Outstanding Series A Preferred Units, the number of Series A Preferred Units to be redeemed shall be determined by the General Partner, and such Series A Preferred Units shall be redeemed by such method of selection as the Depository shall determine, either Pro Rata or by lot, with adjustments to avoid redemption of fractional Series A Preferred Units. The aggregate Series A Redemption Price for any such partial redemption of the Outstanding Series A Preferred Units shall be allocated correspondingly among the redeemed Series A Preferred Units. The Series A Preferred Units not redeemed shall remain Outstanding and entitled to all the rights and preferences provided in this Article XVI.

(d) If the Partnership gives or causes to be given a Series A Redemption Notice, the Partnership shall deposit with the Paying Agent funds sufficient to redeem the Series A Preferred Units as to which such Series A Redemption Notice shall have been given, no later than 10:00 a.m. New York City time on the Series A Redemption Date, and shall give the Paying Agent irrevocable instructions and authority to pay the Series A Redemption Price to the Series A Holders whose Series A Preferred Units are to be redeemed upon surrender or deemed surrender (which shall occur automatically if the Certificate representing such Series A Preferred Units is issued in the name of the Depository or its nominee) of the Certificates therefor as set forth in the Series A Redemption Notice. If the Series A Redemption Notice shall have been given, from and after the Series A Redemption Date, unless the Partnership defaults in providing funds sufficient for such redemption at the time and place specified for payment pursuant to the Series A Redemption Notice, all Series A Distributions on such Series A Preferred Units to be redeemed shall cease to accumulate and all rights of holders of such Series A Preferred Units as Limited Partners with respect to such Series A Preferred Units to be redeemed shall cease, except the right to receive the Series A Redemption Price, and such Series A Preferred Units shall not thereafter be transferred on the books of the Transfer Agent or be deemed to be Outstanding for any purpose whatsoever. The Series A Holders shall have no claim to the interest income, if any,

earned on such funds deposited with the Paying Agent. Any funds deposited with the Paying Agent hereunder by the Partnership for any reason, including redemption of Series A Preferred Units, that remain unclaimed or unpaid after two years after the applicable Series A Redemption Date or other payment date, as applicable, shall be, to the extent permitted by law, repaid to the Partnership upon its written request, after which repayment the Series A Holders entitled to such redemption or other payment shall have recourse only to the Partnership. Notwithstanding any Series A Redemption Notice, there shall be no redemption of any Series A Preferred Units called for redemption until funds sufficient to pay the full Series A Redemption Price of such Series A Preferred Units shall have been deposited by the Partnership with the Paying Agent.

(e) Any Series A Preferred Units that are redeemed or otherwise acquired by the Partnership shall be cancelled. If only a portion of the Series A Preferred Units represented by a Certificate shall have been called for redemption, upon surrender of the Certificate to the Paying Agent (which shall occur automatically if the Certificate representing such Series A Preferred Units is registered in the name of the Depositary or its nominee), the Partnership shall issue and the Paying Agent shall deliver to the Series A Holders a new Certificate (or adjust the applicable book-entry account) representing the number of Series A Preferred Units represented by the surrendered Certificate that have not been called for redemption.

(f) Notwithstanding anything to the contrary in this Article XVI, in the event that full cumulative distributions on the Series A Preferred Units and any Parity Securities shall not have been paid or declared and set aside for payment, the Partnership shall not be permitted to repurchase, redeem or otherwise acquire, in whole or in part, any Series A Preferred Units or Parity Securities except pursuant to a purchase or exchange offer made on the same relative terms to all Series A Holders and holders of any Parity Securities. Subject to Section 4.9, so long as any Series A Preferred Units are Outstanding, the Partnership shall not be permitted to redeem, repurchase or otherwise acquire any Common Units or any other Junior Securities unless full cumulative distributions on the Series A Preferred Units and any Parity Securities for all prior and the then-ending Series A Distribution Periods shall have been paid or declared and set aside for payment.

SECTION 16.6 *Rank.*

The Series A Preferred Units shall each be deemed to rank:

- (a) senior to any Junior Securities;
- (b) on a parity with any Parity Securities;
- (c) junior to any Senior Securities; and
- (d) junior to all existing and future indebtedness of the Partnership and other liabilities with respect to assets available to satisfy claims against the Partnership.

The Partnership may issue Junior Securities and, subject to any approvals required pursuant to Section 16.4(c), Section 17.4(c) and Section 18.4(c), Parity Securities from time to time in one or more classes or series without the consent of the Series A Holders. Pursuant to Section 5.6, the General Partner has the authority to determine the designations, preferences, rights, powers and duties of any such class or series before the issuance of any Partnership Interests of such class or series.

SECTION 16.7 *No Sinking Fund.*

The Series A Preferred Units shall not have the benefit of any sinking fund.

SECTION 16.8 *Record Holders.*

To the fullest extent permitted by applicable law, the General Partner, the Partnership, the Transfer Agent and the Paying Agent may deem and treat any Series A Holder as the true, lawful and absolute owner of the applicable Series A Preferred Units for all purposes, and neither the General Partner, the Partnership nor the Transfer Agent or the Paying Agent shall be affected by any notice to the contrary, except as otherwise provided by law or any applicable rule, regulation, guideline or requirement of any National Securities Exchange on which the Series A Preferred Units are listed or admitted to trading.

SECTION 16.9 *Notices.*

All notices or communications in respect of the Series A Preferred Units shall be sufficiently given if given in writing and delivered in person or by first class mail, postage prepaid, or if given in such other manner as may be permitted in this Article XVI, this Agreement or by applicable law.

SECTION 16.10 *Other Rights; Fiduciary Duties.*

The Series A Preferred Units and the Series A Holders shall not have any designations, preferences, rights, powers or duties, other than as set forth in this Agreement or as provided by applicable law. Notwithstanding anything to the contrary in this Agreement or any duty existing at law, in equity or otherwise, to the fullest extent permitted by applicable law, neither the General Partner nor any other Indemnitee shall owe any duties or have any liabilities to Series A Holders, other than the implied contractual covenant of good faith and fair dealing.

SECTION 16.11 *Change of Control.*

(a) Upon the occurrence of a Change of Control that occurs after the Series A Original Issue Date, each Series A Holder shall have the right (“*Series A Change of Control Conversion Right*”) to convert some or all of the Series A Preferred Units held by such Series A Holder on the Series A Change of Control Conversion Date into a number of Common Units per Series A Preferred Unit that is an amount equal to the Series A Conversion Ratio (such number of Common Units, the “*Series A Common Unit Conversion Consideration*”), unless the Partnership provides notice of its election to redeem Series A Preferred Units prior to the expiration of the Partnership’s redemption right contained in Section 16.5(a)(iii). The “*Series A Change of Control Conversion Date*” shall be the date fixed by the General Partner, in its sole discretion, as the date the Series A Preferred Units are entitled to be converted to Series A Conversion Common Units as provided in this Section 16.11. Such Series A Change of Control Conversion Date shall be a Business Day that is no fewer than 20 days nor more than 35 days from the date on which the Partnership provides the notice to Series A Holders of the Series A Change of Control Conversion Right under Section 16.11(b).

(b) No later than five days following the expiration of the Partnership's redemption right contained in Section 16.5(a)(iii) or, if earlier waived, the date of the Partnership's waiver of such right, the Partnership will provide written notice to the Series A Holders that describes the Series A Change of Control Conversion Right and states: (i) the events constituting the Change of Control; (ii) the date of the Change of Control; (iii) the date on which the Partnership's right to redeem the Outstanding Series A Preferred Units pursuant to Section 16.5(a)(iii) expired or was waived; (iv) the Series A Change of Control Conversion Date; (v) the last date on which the Series A Holders may exercise their Series A Change of Control Conversion Right; (vi) the method and period for calculating the Common Unit Price with respect to the Series A Preferred Units; (vii) if applicable, the type and amount of Series A Alternative Conversion Consideration entitled to be received per Series A Preferred Unit; (viii) the name and address of the Paying Agent; and (ix) the procedures that the Series A Holders must follow to exercise the Series A Change of Control Conversion Right.

(c) Subject to Section 5.9, the "*Series A Conversion Ratio*" shall be calculated as the lesser of: (i) the quotient obtained by dividing (x) the Series A Liquidation Preference as of the Series A Change of Control Conversion Date (unless the Series A Change of Control Conversion Date is after a Series A Distribution Record Date and prior to the corresponding Series A Distribution Payment Date, in which case any accumulated and unpaid distribution will be excluded from this amount) by (y) the Common Unit Price with respect to the Series A Preferred Units, and (ii) 1.0915 (the "*Series A Unit Cap*"). The General Partner shall make such adjustments to the Common Unit Price with respect to the Series A Preferred Units and the Series A Unit Cap as it determines to be equitable in view of any splits, combinations or distributions in the form of equity issuances or the payment of any Series A Alternative Conversion Consideration to the holders of the Common Units in connection with the Change of Control.

(d) In the case of a Change of Control pursuant to which Common Units will be converted into cash, securities or other property or assets (including any combination thereof) ("*Series A Alternative Conversion Consideration*"), each Series A Holder electing to exercise its Series A Change of Control Conversion Right will receive upon conversion of the Series A Preferred Units elected by such holder the kind and amount of such Series A Alternative Conversion Consideration on a per Series A Preferred Unit basis that such Series A Holder would have owned or been entitled to receive upon the Change of Control had such Series A Holder held a number of Common Units equal to the Series A Common Unit Conversion Consideration immediately prior to the effective time of the Change of Control; *provided, that*, if the holders of Common Units have the opportunity to elect the form of consideration to be received in such Change of Control, the consideration that the Series A Holders electing to exercise their Series A Change of Control Conversion Right will receive will be the form and proportion of the aggregate consideration elected by the holders of Common Units who participate in the determination (based on the weighted average of elections) and will be subject to any limitations to which all holders of Common Units are subject, including, without limitation, pro rata reductions applicable to any portion of the consideration payable in the Change of Control. No fractional Common Units will be issued upon the conversion of the Series A Preferred Units. Instead, the Partnership shall pay the cash value of such fractional Common Units.

(e) Notwithstanding anything to the contrary in this Agreement, if prior to the expiration of the Partnership's redemption right contained in Section 16.5(a)(iii), the Partnership provides notice of its election to redeem Series A Preferred Units pursuant to Section 16.5, Series A Holders shall not have any right to convert the Series A Preferred Units that the Partnership has elected to redeem, and any Series A Preferred Units subsequently selected for redemption that have been tendered for conversion shall be redeemed on the Series A Redemption Date instead of converted on the Series A Change of Control Conversion Date.

(f) The Partnership shall issue a press release for publication through a news or press organization as is reasonably expected to broadly disseminate the relevant information to the public, or post notice on the website of the Partnership, in any event prior to the opening of business on the first Business Day following any date on which the Partnership (or a third party with its prior written consent) provides the notice described in Section 16.11(b) to the Series A Holders.

(g) Each Series A Holder electing to exercise its Series A Change of Control Conversion Right will be required prior to the close of business on the third Business Day preceding the Series A Change of Control Conversion Date, to notify the Partnership of the number of Series A Preferred Units to be converted pursuant to the Series A Change of Control Conversion Right and otherwise to comply with any applicable procedures contained in the notice described in Section 16.11(b) or otherwise required by the Depository for effecting the conversion.

(h) Upon conversion, the rights of such participating Series A Holder as a holder of the Series A Preferred Units shall cease with respect to such converted Series A Preferred Units, and such Person shall continue to be a Partner and have the rights of a holder of Common Units under this Agreement. Each Series A Preferred Unit shall, upon its Series A Change of Control Conversion Date, be deemed to be transferred to, and cancelled by, the Partnership in exchange for the issuance of the Series A Conversion Common Units.

(i) The Partnership shall pay any documentary, stamp or similar issue or transfer taxes or duties relating to the issuance or delivery of Series A Conversion Common Units. However, the participating Series A Holder shall pay any tax or duty that may be payable relating to any transfer involving the issuance or delivery of Series A Conversion Common Units in a name other than such Series A Holder's name. The Transfer Agent may refuse to reflect the notation of book entry (or the issuance of a Certificate) for Common Units being issued in a name other than the Series A Holder's name until the Transfer Agent receives a sum sufficient to pay any tax or duties that will be due because the Common Units are to be issued in a name other than the Series A Holder's name. Nothing herein shall preclude any tax withholding required by law or regulation.

(j) The Partnership shall comply with all applicable securities laws regulating the offer and delivery of any Series A Conversion Common Units and, if the Common Units are then listed or quoted on a National Securities Exchange or other market, shall list or cause to have quoted and keep listed and quoted the Series A Conversion Common Units to the extent permitted or required by the rules of such exchange or market.

(k) Notwithstanding anything herein to the contrary, nothing herein shall give to any Series A Holder any rights as a creditor in respect of its right to conversion of Series A Preferred Units.

ARTICLE XVII
SERIES B FIXED-TO-FLOATING RATE CUMULATIVE REDEEMABLE PERPETUAL
PREFERRED UNITS

SECTION 17.1 *Designations.*

A series of Preferred Units designated as “7.625% Series B Fixed-to-Floating Rate Cumulative Redeemable Perpetual Preferred Units” is hereby designated and created, and the preferences, rights, powers and duties of the holders of the Series B Preferred Units are set forth herein, including this Article XVII. Each Series B Preferred Unit shall be identical in all respects to every other Series B Preferred Unit, except as to the respective dates from which the Series B Liquidation Preference shall increase or from which Series B Distributions may begin accruing, to the extent such dates may differ. The Series B Preferred Units represent perpetual equity interests in the Partnership and, except as set forth in Sections 17.5 and 17.11, shall not give rise to a claim by the Partnership or a Series B Holder for redemption or the conversion thereof, as applicable, at a particular date.

SECTION 17.2 *Series B Preferred Units.*

(a) The authorized number of Series B Preferred Units shall be unlimited. Series B Preferred Units that are purchased or otherwise acquired by the Partnership shall be cancelled.

(b) The Series B Preferred Units shall be represented by one or more global Certificates registered in the name of the Depositary or its nominee, and no Series B Holder shall be entitled to receive a definitive Certificate evidencing its Series B Preferred Units, unless otherwise required by law or the Depositary gives notice of its intention to resign or is no longer eligible to act as such with respect to the Series B Preferred Units and the Partnership shall have not selected a substitute Depositary within 60 calendar days thereafter. So long as the Depositary shall have been appointed and is serving with respect to the Series B Preferred Units, payments and communications made by the Partnership to Series B Holders shall be made by making payments to, and communicating with, the Depositary.

SECTION 17.3 *Distributions.*

(a) Distributions on each Series B Preferred Unit shall be cumulative and shall accumulate at the applicable Series B Distribution Rate from and including the Series B Original Issue Date (or, for any subsequently issued and newly Outstanding Series B Preferred Units, from and including the Series B Distribution Payment Date immediately preceding the issue date of such Series B Preferred Units) until such time as the Partnership pays the Series B Distribution or redeems such Series B Preferred Unit in accordance with Section 17.5 or such

Series B Preferred Unit is converted in accordance with Section 17.11, whether or not such Series B Distributions shall have been declared. Series B Holders shall be entitled to receive Series B Distributions from time to time out of any assets of the Partnership legally available for the payment of distributions at the Series B Distribution Rate per Series B Preferred Unit when, as, and if declared by the General Partner. Distributions, to the extent declared by the General Partner to be paid by the Partnership in accordance with this Section 17.3, shall be paid quarterly on each Series B Distribution Payment Date. Distributions shall accumulate in each Series B Distribution Period from and including the preceding Series B Distribution Payment Date (other than the initial Series B Distribution Period, which shall commence on and include the Series B Original Issue Date), to but excluding the next Series B Distribution Payment Date for such Series B Distribution Period; *provided* that distributions shall accrue on accumulated but unpaid Series B Distributions at the Series B Distribution Rate. If any Series B Distribution Payment Date otherwise would occur on a date that is not a Business Day, declared Series B Distributions shall be paid on the immediately succeeding Business Day without the accumulation of additional distributions. Series B Distributions shall be payable based on a 360-day year consisting of four 90-day quarters. All Series B Distributions payable by the Partnership pursuant to this Section 17.3 shall be payable without regard to income of the Partnership and shall be treated for federal income tax purposes as guaranteed payments for the use of capital under Section 707(c) of the Code.

(b) Not later than 5:00 p.m., New York City time, on each Series B Distribution Payment Date, the Partnership shall pay those Series B Distributions, if any, that shall have been declared by the General Partner to Series B Holders on the Record Date for the applicable Series B Distribution. The Record Date (the “*Series B Distribution Record Date*”) for the payment of any Series B Distributions shall be as of the close of business on the first Business Day of the month of the applicable Series B Distribution Payment Date, except that in the case of payments of Series B Distributions in Arrears, the Series B Distribution Record Date with respect to a Series B Distribution Payment Date shall be such date as may be designated by the General Partner in accordance with this Article XVII. So long as any Series B Preferred Units are Outstanding, no distribution shall be declared or paid or set aside for payment on any Junior Securities (other than a distribution payable solely in Junior Securities) unless full cumulative Series B Distributions have been or contemporaneously are being paid or set aside for payment on all Outstanding Series B Preferred Units (and distributions on any other Parity Securities) through the most recent respective Series B Distribution Payment Date (and distribution payment date with respect to such Parity Securities, if any). Accumulated Series B Distributions in Arrears for any past Series B Distribution Period may be declared by the General Partner and paid on any date fixed by the General Partner, whether or not a Series B Distribution Payment Date, to Series B Holders on the Record Date for such payment, which may not be less than 10 days before such payment date. Subject to the next succeeding sentence, if all accumulated Series B Distributions in Arrears on all Outstanding Series B Preferred Units and any other Parity Securities shall not have been declared and paid, or if sufficient funds for the payment thereof shall not have been set aside, payment of accumulated distributions in Arrears on the Series B Preferred Units and any such Parity Securities shall be made in order of their respective distribution payment dates, commencing with the earliest. If less than all distributions payable with respect to all Series B Preferred Units and any other Parity Securities are paid, any partial payment shall be made Pro Rata with respect to the Series B Preferred Units and any such other Parity Securities entitled to a distribution payment at such time in proportion to the aggregate

distribution amounts remaining due in respect of such Series B Preferred Units and such other Parity Securities at such time. Subject to Sections 12.4 and 17.5, Series B Holders shall not be entitled to any distribution, whether payable in cash, property or Partnership Securities, in excess of full cumulative Series B Distributions. Except insofar as distributions accrue on the amount of any accumulated and unpaid Series B Distributions as described in Section 17.3(a), no interest or sum of money in lieu of interest shall be payable in respect of any distribution payment which may be in Arrears on the Series B Preferred Units. So long as the Series B Preferred Units are held of record by the Depositary or its nominee, declared Series B Distributions shall be paid to the Depositary in same-day funds on each Series B Distribution Payment Date or other distribution payment date in the case of payments for Series B Distributions in Arrears.

(c) The “*Series B Three-Month LIBOR*” for each Series B Distribution Period during the Series B Floating Rate Period shall be determined by the Calculation Agent, as of the applicable Series B LIBOR Determination Date, in accordance with the following provisions:

(i) The Series B Three-Month LIBOR shall be the rate (expressed as a percentage per year) for deposits in U.S. dollars for a three-month period commencing on the first day of such Series B Distribution Period that appears on Reuters Page LIBOR01 as of 11:00 a.m. (London time) on the Series B LIBOR Determination Date.

(ii) If the Series B Three-Month LIBOR cannot be determined as described in Section 17.3(c)(i), the Partnership shall select four major banks in the London interbank market and request that the principal London offices of those four selected banks provide their offered quotations for deposits in U.S. dollars for a period of three months, commencing on the first day of the applicable Series B Distribution Period, to prime banks in the London interbank market at approximately 11:00 a.m. (London time) on the Series B LIBOR Determination Date for such Series B Distribution Period. Offered quotations must be based on a principal amount equal to an amount that, in the Partnership’s judgment, is representative of a single transaction in U.S. dollars in the London interbank market at the time. If two or more quotations are provided, the Series B Three-Month LIBOR for such Series B Distribution Period will be the arithmetic mean of the quotations. If fewer than two quotations are provided, the Series B Three-Month LIBOR for such Series B Distribution Period will be the arithmetic mean of the rates quoted on the Series B LIBOR Determination Date for such Series B Distribution Period by three major banks in New York City selected by the Partnership, for loans in U.S. dollars to leading European banks for a three-month period commencing on the first day of such Series B Distribution Period. The rates quoted must be based on an amount that, in the Partnership’s judgment, is representative of a single transaction in U.S. dollars in that market at the time. If fewer than three New York City banks selected by the Partnership are quoting rates in the manner described above, the Series B Three-Month LIBOR for the applicable Series B Distribution Period will be the same as for the immediately preceding Series B Distribution Period or, if the immediately preceding Series B Distribution Period was within the Series B Fixed Rate Period, the same as for the most recent quarter for which the Series B Three-Month LIBOR can be determined;

(iii) All percentages resulting from any of the above calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upwards and all dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one-half cent being rounded upwards).

SECTION 17.4 *Voting Rights.*

(a) Notwithstanding anything to the contrary in this Agreement, the Series B Preferred Units shall not have any voting rights except as set forth in Section 13.3(c), this Section 17.4 or as otherwise required by the Delaware Act.

(b) Without the affirmative vote or consent of the holders of at least 66 2/3% of the Outstanding Series B Preferred Units, voting as a separate class, the General Partner shall not adopt any amendment to this Agreement that would have a material adverse effect on the powers, preferences, duties or special rights of the Series B Preferred Units; *provided, however*, that (i) subject to Section 17.4(c), the issuance of additional Partnership Securities shall not be deemed to constitute such a material adverse effect for purposes of this Section 17.4(b) and (ii) for purposes of this Section 17.4(b), no amendment of this Agreement in connection with a merger or other transaction in which the Partnership is the surviving entity and the Series B Preferred Units remain Outstanding with the terms thereof materially unchanged in any respect adverse to the Series B Holders shall be deemed to materially and adversely affect the powers, preferences, duties or special rights of the Series B Preferred Units.

(c) Without the affirmative vote or consent of the holders of at least 66 2/3% of the Outstanding Series B Preferred Units voting as a class together with holders of any other Parity Securities upon which like voting rights have been conferred and are exercisable, the Partnership shall not (x) create or issue any Parity Securities if the cumulative distributions payable on Series B Preferred Units or any Parity Securities are in Arrears or (y) create or issue any Senior Securities.

(d) For any matter described in this Section 17.4 in which the Series B Holders are entitled to vote as a class (whether separately or together with the holders of any Parity Securities), such Series B Holders shall be entitled to one vote per Series B Preferred Unit. Any Series B Preferred Units held by the Partnership or any of its Subsidiaries or their controlled Affiliates shall not be entitled to vote.

(e) Notwithstanding Sections 17.4(b) and 17.4(c), no vote of the Series B Holders shall be required if, at or prior to the time when such action is to take effect, provision is made for the redemption of all Series B Preferred Units at the time Outstanding.

SECTION 17.5 *Optional Redemption; Series B Rating Event*

(a) The Partnership shall have the right (i) at any time, and from time to time, on or after June 15, 2022 or (ii) at any time within 120 days after the conclusion of any review or appeal process instituted by the Partnership following the occurrence of a Series B Rating Event or (iii) at any time within 120 days after the first date on which a Change of Control occurs, in each case, to redeem the Series B Preferred Units, which redemption may be in whole or in part (except with respect to a redemption pursuant to clause (ii) of this Section 17.5(a), which shall be in whole but not in part), using any source of funds legally available for such purpose. Any such

redemption shall occur on a date set by the General Partner (the “*Series B Redemption Date*”). The Partnership shall effect any such redemption by paying cash for each Series B Preferred Unit to be redeemed equal to the Series B Liquidation Preference for such Series B Preferred Unit on such Series B Redemption Date plus an amount equal to all unpaid distributions thereon from the Series B Original Issue Date to, but not including, the Series B Redemption Date (whether or not such distributions shall have been declared) (the “*Series B Redemption Price*”); *provided* that in connection with a redemption in accordance with clause (ii) of this [Section 17.5\(a\)](#), the Series B Liquidation Preference per Series B Preferred Unit shall be deemed to be equal to \$25.50. So long as the Series B Preferred Units to be redeemed are held of record by the nominee of the Depositary, the Series B Redemption Price shall be paid by the Paying Agent to the Depositary on the Series B Redemption Date.

(b) The Partnership shall give notice of any redemption by mail, postage prepaid, not less than 30 days and not more than 60 days before the scheduled Series B Redemption Date to the Series B Holders (as of 5:00 p.m. New York City time on the Business Day next preceding the day on which notice is given) of any Series B Preferred Units to be redeemed as such Series B Holders’ names appear on the books of the Transfer Agent and at the address of such Series B Holders shown therein. Such notice (the “*Series B Redemption Notice*”) shall state, as applicable: (1) the Series B Redemption Date, (2) the number of Series B Preferred Units to be redeemed and, if less than all Outstanding Series B Preferred Units are to be redeemed, the number (and the identification) of Series B Preferred Units to be redeemed from such Series B Holder, (3) the Series B Redemption Price, (4) the place where any Series B Preferred Units in certificated form are to be redeemed and shall be presented and surrendered for payment of the Series B Redemption Price therefor and (5) that distributions on the Series B Preferred Units to be redeemed shall cease to accumulate from and after such Series B Redemption Date. For the avoidance of doubt, the Partnership may give the Series B Redemption Notice in advance of a Change of Control if a definitive agreement is in place for the Change of Control at the time of giving the Series B Redemption Notice.

(c) If the Partnership elects to redeem less than all of the Outstanding Series B Preferred Units, the number of Series B Preferred Units to be redeemed shall be determined by the General Partner, and such Series B Preferred Units shall be redeemed by such method of selection as the Depositary shall determine, either Pro Rata or by lot, with adjustments to avoid redemption of fractional Series B Preferred Units. The aggregate Series B Redemption Price for any such partial redemption of the Outstanding Series B Preferred Units shall be allocated correspondingly among the redeemed Series B Preferred Units. The Series B Preferred Units not redeemed shall remain Outstanding and entitled to all the rights and preferences provided in this [Article XVII](#).

(d) If the Partnership gives or causes to be given a Series B Redemption Notice, the Partnership shall deposit with the Paying Agent funds sufficient to redeem the Series B Preferred Units as to which such Series B Redemption Notice shall have been given, no later than 10:00 a.m. New York City time on the Series B Redemption Date, and shall give the Paying Agent irrevocable instructions and authority to pay the Series B Redemption Price to the Series B Holders whose Series B Preferred Units are to be redeemed upon surrender or deemed surrender (which shall occur automatically if the Certificate representing such Series B Preferred Units is issued in the name of the Depositary or its nominee) of the Certificates therefor as set

forth in the Series B Redemption Notice. If the Series B Redemption Notice shall have been given, from and after the Series B Redemption Date, unless the Partnership defaults in providing funds sufficient for such redemption at the time and place specified for payment pursuant to the Series B Redemption Notice, all Series B Distributions on such Series B Preferred Units to be redeemed shall cease to accumulate and all rights of holders of such Series B Preferred Units as Limited Partners with respect to such Series B Preferred Units to be redeemed shall cease, except the right to receive the Series B Redemption Price, and such Series B Preferred Units shall not thereafter be transferred on the books of the Transfer Agent or be deemed to be Outstanding for any purpose whatsoever. The Series B Holders shall have no claim to the interest income, if any, earned on such funds deposited with the Paying Agent. Any funds deposited with the Paying Agent hereunder by the Partnership for any reason, including redemption of Series B Preferred Units, that remain unclaimed or unpaid after two years after the applicable Series B Redemption Date or other payment date, as applicable, shall be, to the extent permitted by law, repaid to the Partnership upon its written request, after which repayment the Series B Holders entitled to such redemption or other payment shall have recourse only to the Partnership. Notwithstanding any Series B Redemption Notice, there shall be no redemption of any Series B Preferred Units called for redemption until funds sufficient to pay the full Series B Redemption Price of such Series B Preferred Units shall have been deposited by the Partnership with the Paying Agent.

(e) Any Series B Preferred Units that are redeemed or otherwise acquired by the Partnership shall be cancelled. If only a portion of the Series B Preferred Units represented by a Certificate shall have been called for redemption, upon surrender of the Certificate to the Paying Agent (which shall occur automatically if the Certificate representing such Series B Preferred Units is registered in the name of the Depositary or its nominee), the Partnership shall issue and the Paying Agent shall deliver to the Series B Holders a new Certificate (or adjust the applicable book-entry account) representing the number of Series B Preferred Units represented by the surrendered Certificate that have not been called for redemption.

(f) Notwithstanding anything to the contrary in this Article XVII, in the event that full cumulative distributions on the Series B Preferred Units and any Parity Securities shall not have been paid or declared and set aside for payment, the Partnership shall not be permitted to repurchase, redeem or otherwise acquire, in whole or in part, any Series B Preferred Units or Parity Securities except pursuant to a purchase or exchange offer made on the same relative terms to all Series B Holders and holders of any Parity Securities. Subject to Section 4.9, so long as any Series B Preferred Units are Outstanding, the Partnership shall not be permitted to redeem, repurchase or otherwise acquire any Common Units or any other Junior Securities unless full cumulative distributions on the Series B Preferred Units and any Parity Securities for all prior and the then-ending Series B Distribution Periods shall have been paid or declared and set aside for payment.

SECTION 17.6 *Rank.*

The Series B Preferred Units shall each be deemed to rank:

- (a) senior to any Junior Securities;
- (b) on a parity with any Parity Securities;

(c) junior to any Senior Securities; and

(d) junior to all existing and future indebtedness of the Partnership and other liabilities with respect to assets available to satisfy claims against the Partnership.

The Partnership may issue Junior Securities and, subject to any approvals required pursuant to Section 16.4(c), Section 17.4(c) and Section 18.4(c), Parity Securities from time to time in one or more classes or series without the consent of the Series B Holders. Pursuant to Section 5.6, the General Partner has the authority to determine the designations, preferences, rights, powers and duties of any such class or series before the issuance of any Partnership Interests of such class or series.

SECTION 17.7 *No Sinking Fund.*

The Series B Preferred Units shall not have the benefit of any sinking fund.

SECTION 17.8 *Record Holders.*

To the fullest extent permitted by applicable law, the General Partner, the Partnership, the Transfer Agent and the Paying Agent may deem and treat any Series B Holder as the true, lawful and absolute owner of the applicable Series B Preferred Units for all purposes, and neither the General Partner, the Partnership nor the Transfer Agent or the Paying Agent shall be affected by any notice to the contrary, except as otherwise provided by law or any applicable rule, regulation, guideline or requirement of any National Securities Exchange on which the Series B Preferred Units are listed or admitted to trading.

SECTION 17.9 *Notices.*

All notices or communications in respect of the Series B Preferred Units shall be sufficiently given if given in writing and delivered in person or by first class mail, postage prepaid, or if given in such other manner as may be permitted in this Article XVII, this Agreement or by applicable law.

SECTION 17.10 *Other Rights; Fiduciary Duties.*

The Series B Preferred Units and the Series B Holders shall not have any designations, preferences, rights, powers or duties, other than as set forth in this Agreement or as provided by applicable law. Notwithstanding anything to the contrary in this Agreement or any duty existing at law, in equity or otherwise, to the fullest extent permitted by applicable law, neither the General Partner nor any other Indemnitee shall owe any duties or have any liabilities to Series B Holders, other than the implied contractual covenant of good faith and fair dealing.

SECTION 17.11 *Change of Control.*

(a) Upon the occurrence of a Change of Control that occurs after the Series B Original Issue Date, each Series B Holder shall have the right ("*Series B Change of Control Conversion Right*") to convert some or all of the Series B Preferred Units held by such Series B

Holder on the Series B Change of Control Conversion Date into a number of Common Units per Series B Preferred Unit that is an amount equal to the Series B Conversion Ratio (such number of Common Units, the “*Series B Common Unit Conversion Consideration*”), unless the Partnership provides notice of its election to redeem Series B Preferred Units prior to the expiration of the Partnership’s redemption right contained in [Section 17.5\(a\)\(iii\)](#). The “*Series B Change of Control Conversion Date*” shall be the date fixed by the General Partner, in its sole discretion, as the date the Series B Preferred Units are entitled to be converted to Series B Conversion Common Units as provided in this [Section 17.11](#). Such Series B Change of Control Conversion Date shall be a Business Day that is no fewer than 20 days nor more than 35 days from the date on which the Partnership provides the notice to Series B Holders of the Series B Change of Control Conversion Right under [Section 17.11\(b\)](#).

(b) No later than five days following the expiration of the Partnership’s redemption right contained in [Section 17.5\(a\)\(iii\)](#) or, if earlier waived, the date of the Partnership’s waiver of such right, the Partnership will provide written notice to the Series B Holders that describes the Series B Change of Control Conversion Right and states: (i) the events constituting the Change of Control; (ii) the date of the Change of Control; (iii) the date on which the Partnership’s right to redeem the Outstanding Series B Preferred Units pursuant to [Section 17.5\(a\)\(iii\)](#) expired or was waived; (iv) the Series B Change of Control Conversion Date; (v) the last date on which the Series B Holders may exercise their Series B Change of Control Conversion Right; (vi) the method and period for calculating the Common Unit Price with respect to the Series B Preferred Units; (vii) if applicable, the type and amount of Series B Alternative Conversion Consideration entitled to be received per Series B Preferred Unit; (viii) the name and address of the Paying Agent; and (ix) the procedures that the Series B Holders must follow to exercise the Series B Change of Control Conversion Right.

(c) Subject to [Section 5.9](#), the “*Series B Conversion Ratio*” shall be calculated as the lesser of: (i) the quotient obtained by dividing (x) the Series B Liquidation Preference as of the Series B Change of Control Conversion Date (unless the Series B Change of Control Conversion Date is after a Series B Distribution Record Date and prior to the corresponding Series B Distribution Payment Date, in which case any accumulated and unpaid distribution will be excluded from this amount) by (y) the Common Unit Price with respect to the Series B Preferred Units, and (ii) 1.04297 (the “*Series B Unit Cap*”). The General Partner shall make such adjustments to the Common Unit Price with respect to the Series B Preferred Units and the Series B Unit Cap as it determines to be equitable in view of any splits, combinations or distributions in the form of equity issuances or the payment of any Series B Alternative Conversion Consideration to the holders of the Common Units in connection with the Change of Control.

(d) In the case of a Change of Control pursuant to which Common Units will be converted into cash, securities or other property or assets (including any combination thereof) (“*Series B Alternative Conversion Consideration*”), each Series B Holder electing to exercise its Series B Change of Control Conversion Right will receive upon conversion of the Series B Preferred Units elected by such holder the kind and amount of such Series B Alternative Conversion Consideration on a per Series B Preferred Unit basis that such Series B Holder would have owned or been entitled to receive upon the Change of Control had such Series B Holder held a number of Common Units equal to the Series B Common Unit Conversion

Consideration immediately prior to the effective time of the Change of Control; *provided, that*, if the holders of Common Units have the opportunity to elect the form of consideration to be received in such Change of Control, the consideration that the Series B Holders electing to exercise their Series B Change of Control Conversion Right will receive will be the form and proportion of the aggregate consideration elected by the holders of Common Units who participate in the determination (based on the weighted average of elections) and will be subject to any limitations to which all holders of Common Units are subject, including, without limitation, pro rata reductions applicable to any portion of the consideration payable in the Change of Control. No fractional Common Units will be issued upon the conversion of the Series B Preferred Units. Instead, the Partnership shall pay the cash value of such fractional Common Units.

(e) Notwithstanding anything to the contrary in this Agreement, if prior to the expiration of the Partnership's redemption right contained in [Section 17.5\(a\)\(iii\)](#), the Partnership provides notice of its election to redeem Series B Preferred Units pursuant to [Section 17.5](#), Series B Holders shall not have any right to convert the Series B Preferred Units that the Partnership has elected to redeem, and any Series B Preferred Units subsequently selected for redemption that have been tendered for conversion shall be redeemed on the Series B Redemption Date instead of converted on the Series B Change of Control Conversion Date.

(f) The Partnership shall issue a press release for publication through a news or press organization as is reasonably expected to broadly disseminate the relevant information to the public, or post notice on the website of the Partnership, in any event prior to the opening of business on the first Business Day following any date on which the Partnership (or a third party with its prior written consent) provides the notice described in [Section 17.11\(b\)](#) to the Series B Holders.

(g) Each Series B Holder electing to exercise its Series B Change of Control Conversion Right will be required prior to the close of business on the third Business Day preceding the Series B Change of Control Conversion Date, to notify the Partnership of the number of Series B Preferred Units to be converted pursuant to the Series B Change of Control Conversion Right and otherwise to comply with any applicable procedures contained in the notice described in [Section 17.11\(b\)](#) or otherwise required by the Depository for effecting the conversion.

(h) Upon conversion, the rights of such participating Series B Holder as a holder of the Series B Preferred Units shall cease with respect to such converted Series B Preferred Units, and such Person shall continue to be a Partner and have the rights of a holder of Common Units under this Agreement. Each Series B Preferred Unit shall, upon its Series B Change of Control Conversion Date, be deemed to be transferred to, and cancelled by, the Partnership in exchange for the issuance of the Series B Conversion Common Units.

(i) The Partnership shall pay any documentary, stamp or similar issue or transfer taxes or duties relating to the issuance or delivery of Series B Conversion Common Units. However, the participating Series B Holder shall pay any tax or duty that may be payable relating to any transfer involving the issuance or delivery of Series B Conversion Common Units in a name other than such Series B Holder's name. The Transfer Agent may refuse to reflect the

notation of book entry (or the issuance of a Certificate) for Common Units being issued in a name other than the Series B Holder's name until the Transfer Agent receives a sum sufficient to pay any tax or duties that will be due because the Common Units are to be issued in a name other than the Series B Holder's name. Nothing herein shall preclude any tax withholding required by law or regulation.

(j) The Partnership shall comply with all applicable securities laws regulating the offer and delivery of any Series B Conversion Common Units and, if the Common Units are then listed or quoted on a National Securities Exchange or other market, shall list or cause to have quoted and keep listed and quoted the Series B Conversion Common Units to the extent permitted or required by the rules of such exchange or market.

(k) Notwithstanding anything herein to the contrary, nothing herein shall give to any Series B Holder any rights as a creditor in respect of its right to conversion of Series B Preferred Units.

ARTICLE XVIII
SERIES C FIXED-TO-FLOATING RATE CUMULATIVE REDEEMABLE PERPETUAL
PREFERRED UNITS

SECTION 18.1 *Designations.*

A series of Preferred Units designated as "9.00% Series C Fixed-to-Floating Rate Cumulative Redeemable Perpetual Preferred Units" is hereby designated and created, and the preferences, rights, powers and duties of the holders of the Series C Preferred Units are set forth herein, including this Article XVIII. Each Series C Preferred Unit shall be identical in all respects to every other Series C Preferred Unit, except as to the respective dates from which the Series C Liquidation Preference shall increase or from which Series C Distributions may begin accruing, to the extent such dates may differ. The Series C Preferred Units represent perpetual equity interests in the Partnership and, except as set forth in Sections 18.5 and 18.11, shall not give rise to a claim by the Partnership or a Series C Holder for redemption or the conversion thereof, as applicable, at a particular date.

SECTION 18.2 *Series C Preferred Units.*

(a) The authorized number of Series C Preferred Units shall be unlimited. Series C Preferred Units that are purchased or otherwise acquired by the Partnership shall be cancelled.

(b) The Series C Preferred Units shall be represented by one or more global Certificates registered in the name of the Depositary or its nominee, and no Series C Holder shall be entitled to receive a definitive Certificate evidencing its Series C Preferred Units, unless otherwise required by law or the Depositary gives notice of its intention to resign or is no longer eligible to act as such with respect to the Series C Preferred Units and the Partnership shall have not selected a substitute Depositary within 60 calendar days thereafter. So long as the Depositary shall have been appointed and is serving with respect to the Series C Preferred Units, payments and communications made by the Partnership to Series C Holders shall be made by making payments to, and communicating with, the Depositary.

(a) Distributions on each Series C Preferred Unit shall be cumulative and shall accumulate at the applicable Series C Distribution Rate from and including the Series C Original Issue Date (or, for any subsequently issued and newly Outstanding Series C Preferred Units, from and including the Series C Distribution Payment Date immediately preceding the issue date of such Series C Preferred Units) until such time as the Partnership pays the Series C Distribution or redeems such Series C Preferred Unit in accordance with [Section 18.5](#) or such Series C Preferred Unit is converted in accordance with [Section 18.11](#), whether or not such Series C Distributions shall have been declared. Series C Holders shall be entitled to receive Series C Distributions from time to time out of any assets of the Partnership legally available for the payment of distributions at the Series C Distribution Rate per Series C Preferred Unit when, as, and if declared by the General Partner. Distributions, to the extent declared by the General Partner to be paid by the Partnership in accordance with this [Section 18.3](#), shall be paid quarterly on each Series C Distribution Payment Date. Distributions shall accumulate in each Series C Distribution Period from and including the preceding Series C Distribution Payment Date (other than the initial Series C Distribution Period, which shall commence on and include the Series C Original Issue Date), to but excluding the next Series C Distribution Payment Date for such Series C Distribution Period; *provided* that distributions shall accrue on accumulated but unpaid Series C Distributions at the Series C Distribution Rate. If any Series C Distribution Payment Date otherwise would occur on a date that is not a Business Day, declared Series C Distributions shall be paid on the immediately succeeding Business Day without the accumulation of additional distributions. Series C Distributions shall be payable based on a 360-day year consisting of four 90-day quarters. All Series C Distributions payable by the Partnership pursuant to this [Section 18.3](#) shall be payable without regard to income of the Partnership and shall be treated for federal income tax purposes as guaranteed payments for the use of capital under Section 707(c) of the Code.

(b) Not later than 5:00 p.m., New York City time, on each Series C Distribution Payment Date, the Partnership shall pay those Series C Distributions, if any, that shall have been declared by the General Partner to Series C Holders on the Record Date for the applicable Series C Distribution. The Record Date (the “*Series C Distribution Record Date*”) for the payment of any Series C Distributions shall be as of the close of business on the first Business Day of the month of the applicable Series C Distribution Payment Date, except that in the case of payments of Series C Distributions in Arrears, the Series C Distribution Record Date with respect to a Series C Distribution Payment Date shall be such date as may be designated by the General Partner in accordance with this [Article XVIII](#). So long as any Series C Preferred Units are Outstanding, no distribution shall be declared or paid or set aside for payment on any Junior Securities (other than a distribution payable solely in Junior Securities) unless full cumulative Series C Distributions have been or contemporaneously are being paid or set aside for payment on all Outstanding Series C Preferred Units (and distributions on any other Parity Securities) through the most recent respective Series C Distribution Payment Date (and distribution payment date with respect to such Parity Securities, if any). Accumulated Series C Distributions in Arrears for any past Series C Distribution Period may be declared by the General Partner and paid on any date fixed by the General Partner, whether or not a Series C Distribution Payment Date, to Series C Holders on the Record Date for such payment, which may not be less than 10 days before such payment date. Subject to the next succeeding sentence, if all accumulated

Series C Distributions in Arrears on all Outstanding Series C Preferred Units and any other Parity Securities shall not have been declared and paid, or if sufficient funds for the payment thereof shall not have been set aside, payment of accumulated distributions in Arrears on the Series C Preferred Units and any such Parity Securities shall be made in order of their respective distribution payment dates, commencing with the earliest. If less than all distributions payable with respect to all Series C Preferred Units and any other Parity Securities are paid, any partial payment shall be made Pro Rata with respect to the Series C Preferred Units and any such other Parity Securities entitled to a distribution payment at such time in proportion to the aggregate distribution amounts remaining due in respect of such Series C Preferred Units and such other Parity Securities at such time. Subject to Sections 12.4 and 18.5, Series C Holders shall not be entitled to any distribution, whether payable in cash, property or Partnership Securities, in excess of full cumulative Series C Distributions. Except insofar as distributions accrue on the amount of any accumulated and unpaid Series C Distributions as described in Section 18.3(a), no interest or sum of money in lieu of interest shall be payable in respect of any distribution payment which may be in Arrears on the Series C Preferred Units. So long as the Series C Preferred Units are held of record by the Depositary or its nominee, declared Series C Distributions shall be paid to the Depositary in same-day funds on each Series C Distribution Payment Date or other distribution payment date in the case of payments for Series C Distributions in Arrears.

(c) The “*Series C Three-Month LIBOR*” for each Series C Distribution Period during the Series C Floating Rate Period shall be determined by the Calculation Agent, as of the applicable Series C LIBOR Determination Date, in accordance with the following provisions:

(i) The Series C Three-Month LIBOR shall be the rate (expressed as a percentage per year) for deposits in U.S. dollars for a three-month period commencing on the first day of such Series C Distribution Period that appears on Reuters Page LIBOR01 as of 11:00 a.m. (London time) on the Series C LIBOR Determination Date.

(ii) If the Series C Three-Month LIBOR cannot be determined as described in Section 18.3(c)(i), the Partnership shall select four major banks in the London interbank market and request that the principal London offices of those four selected banks provide their offered quotations for deposits in U.S. dollars for a period of three months, commencing on the first day of the applicable Series C Distribution Period, to prime banks in the London interbank market at approximately 11:00 a.m. (London time) on the Series C LIBOR Determination Date for such Series C Distribution Period. Offered quotations must be based on a principal amount equal to an amount that, in the Partnership’s judgment, is representative of a single transaction in U.S. dollars in the London interbank market at the time. If two or more quotations are provided, the Series C Three-Month LIBOR for such Series C Distribution Period will be the arithmetic mean of the quotations. If fewer than two quotations are provided, the Series C Three-Month LIBOR for such Series C Distribution Period will be the arithmetic mean of the rates quoted on the Series C LIBOR Determination Date for such Series C Distribution Period by three major banks in New York City selected by the Partnership, for loans in U.S. dollars to leading European banks for a three-month period commencing on the first day of such Series C Distribution Period. The rates quoted must be based on an amount that, in the Partnership’s judgment, is representative of a single transaction in U.S. dollars in that market at the time. If fewer than three New York City banks selected by the

Partnership are quoting rates in the manner described above, the Series C Three-Month LIBOR for the applicable Series C Distribution Period will be the same as for the immediately preceding Series C Distribution Period or, if the immediately preceding Series C Distribution Period was within the Series C Fixed Rate Period, the same as for the most recent quarter for which the Series C Three-Month LIBOR can be determined. Notwithstanding the foregoing, if the Calculation Agent determines on the applicable Series C LIBOR Determination Date that the Series C Three-Month LIBOR has been discontinued, then the Calculation Agent will use a substitute or successor base rate that it has determined in its sole discretion is most comparable to the Series C Three-Month LIBOR, provided that if the Calculation Agent determines there is an industry-accepted substitute or successor base rate, then the Calculation Agent shall use such substitute or successor base rate; and if the Calculation Agent has determined a substitute or successor base rate in accordance with the foregoing, the Calculation Agent in its sole discretion may determine what business day convention to use, the definition of business day, the distribution determination date to be used and any other relevant methodology for calculating such substitute or successor base rate, including any adjustment factor needed to make such substitute or successor base rate comparable to the Series C Three-Month LIBOR, in a manner that is consistent with industry-accepted practices for such substitute or successor base rate.

(iii) All percentages resulting from any of the above calculations will be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upwards and all dollar amounts used in or resulting from such calculations will be rounded to the nearest cent (with one-half cent being rounded upwards).

SECTION 18.4 *Voting Rights.*

(a) Notwithstanding anything to the contrary in this Agreement, the Series C Preferred Units shall not have any voting rights except as set forth in Section 13.3(c), this Section 18.4 or as otherwise required by the Delaware Act.

(b) Without the affirmative vote or consent of the holders of at least 66 2/3% of the Outstanding Series C Preferred Units, voting as a separate class, the General Partner shall not adopt any amendment to this Agreement that would have a material adverse effect on the powers, preferences, duties or special rights of the Series C Preferred Units; *provided, however*, that (i) subject to Section 18.4(c), the issuance of additional Partnership Securities shall not be deemed to constitute such a material adverse effect for purposes of this Section 18.4(b) and (ii) for purposes of this Section 18.4(b), no amendment of this Agreement in connection with a merger or other transaction in which the Partnership is the surviving entity and the Series C Preferred Units remain Outstanding with the terms thereof materially unchanged in any respect adverse to the Series C Holders shall be deemed to materially and adversely affect the powers, preferences, duties or special rights of the Series C Preferred Units.

(c) Without the affirmative vote or consent of the holders of at least 66 2/3% of the Outstanding Series C Preferred Units voting as a class together with holders of any other Parity Securities upon which like voting rights have been conferred and are exercisable, the

Partnership shall not (x) create or issue any Parity Securities if the cumulative distributions payable on Series C Preferred Units or any Parity Securities are in Arrears or (y) create or issue any Senior Securities.

(d) For any matter described in this Section 18.4 in which the Series C Holders are entitled to vote as a class (whether separately or together with the holders of any Parity Securities), such Series C Holders shall be entitled to one vote per Series C Preferred Unit. Any Series C Preferred Units held by the Partnership or any of its Subsidiaries or their controlled Affiliates shall not be entitled to vote.

(e) Notwithstanding Sections 18.4(b) and 18.4(c), no vote of the Series C Holders shall be required if, at or prior to the time when such action is to take effect, provision is made for the redemption of all Series C Preferred Units at the time Outstanding.

SECTION 18.5 *Optional Redemption; Series C Rating Event*

(a) The Partnership shall have the right (i) at any time, and from time to time, on or after December 15, 2022 or (ii) at any time within 120 days after the conclusion of any review or appeal process instituted by the Partnership following the occurrence of a Series C Rating Event or (iii) at any time within 120 days after the first date on which a Change of Control occurs, in each case, to redeem the Series C Preferred Units, which redemption may be in whole or in part (except with respect to a redemption pursuant to clause (ii) of this Section 18.5(a) which shall be in whole but not in part), using any source of funds legally available for such purpose. Any such redemption shall occur on a date set by the General Partner (the "*Series C Redemption Date*"). The Partnership shall effect any such redemption by paying cash for each Series C Preferred Unit to be redeemed equal to the Series C Liquidation Preference for such Series C Preferred Unit on such Series C Redemption Date plus an amount equal to all unpaid distributions thereon from the Series C Original Issue Date to, but not including, the Series C Redemption Date (whether or not such distributions shall have been declared) (the "*Series C Redemption Price*"); *provided* that in connection with a redemption in accordance with clause (ii) of this Section 18.5(a), the Series C Liquidation Preference per Series C Preferred Unit shall be deemed to be equal to \$25.50. So long as the Series C Preferred Units to be redeemed are held of record by the nominee of the Depositary, the Series C Redemption Price shall be paid by the Paying Agent to the Depositary on the Series C Redemption Date.

(b) The Partnership shall give notice of any redemption by mail, postage prepaid, not less than 30 days and not more than 60 days before the scheduled Series C Redemption Date to the Series C Holders (as of 5:00 p.m. New York City time on the Business Day next preceding the day on which notice is given) of any Series C Preferred Units to be redeemed as such Series C Holders' names appear on the books of the Transfer Agent and at the address of such Series C Holders shown therein. Such notice (the "*Series C Redemption Notice*") shall state, as applicable: (1) the Series C Redemption Date, (2) the number of Series C Preferred Units to be redeemed and, if less than all Outstanding Series C Preferred Units are to be redeemed, the number (and the identification) of Series C Preferred Units to be redeemed from such Series C Holder, (3) the Series C Redemption Price, (4) the place where any Series C Preferred Units in certificated form are to be redeemed and shall be presented and surrendered for payment of the Series C Redemption Price therefor and (5) that distributions on the Series C Preferred Units to be

redeemed shall cease to accumulate from and after such Series C Redemption Date. For the avoidance of doubt, the Partnership may give the Series C Redemption Notice in advance of a Change of Control if a definitive agreement is in place for the Change of Control at the time of giving the Series C Redemption Notice.

(c) If the Partnership elects to redeem less than all of the Outstanding Series C Preferred Units, the number of Series C Preferred Units to be redeemed shall be determined by the General Partner, and such Series C Preferred Units shall be redeemed by such method of selection as the Depository shall determine, either Pro Rata or by lot, with adjustments to avoid redemption of fractional Series C Preferred Units. The aggregate Series C Redemption Price for any such partial redemption of the Outstanding Series C Preferred Units shall be allocated correspondingly among the redeemed Series C Preferred Units. The Series C Preferred Units not redeemed shall remain Outstanding and entitled to all the rights and preferences provided in this Article XVIII.

(d) If the Partnership gives or causes to be given a Series C Redemption Notice, the Partnership shall deposit with the Paying Agent funds sufficient to redeem the Series C Preferred Units as to which such Series C Redemption Notice shall have been given, no later than 10:00 a.m. New York City time on the Series C Redemption Date, and shall give the Paying Agent irrevocable instructions and authority to pay the Series C Redemption Price to the Series C Holders whose Series C Preferred Units are to be redeemed upon surrender or deemed surrender (which shall occur automatically if the Certificate representing such Series C Preferred Units is issued in the name of the Depository or its nominee) of the Certificates therefor as set forth in the Series C Redemption Notice. If the Series C Redemption Notice shall have been given, from and after the Series C Redemption Date, unless the Partnership defaults in providing funds sufficient for such redemption at the time and place specified for payment pursuant to the Series C Redemption Notice, all Series C Distributions on such Series C Preferred Units to be redeemed shall cease to accumulate and all rights of holders of such Series C Preferred Units as Limited Partners with respect to such Series C Preferred Units to be redeemed shall cease, except the right to receive the Series C Redemption Price, and such Series C Preferred Units shall not thereafter be transferred on the books of the Transfer Agent or be deemed to be Outstanding for any purpose whatsoever. The Series C Holders shall have no claim to the interest income, if any, earned on such funds deposited with the Paying Agent. Any funds deposited with the Paying Agent hereunder by the Partnership for any reason, including redemption of Series C Preferred Units, that remain unclaimed or unpaid after two years after the applicable Series C Redemption Date or other payment date, as applicable, shall be, to the extent permitted by law, repaid to the Partnership upon its written request, after which repayment the Series C Holders entitled to such redemption or other payment shall have recourse only to the Partnership. Notwithstanding any Series C Redemption Notice, there shall be no redemption of any Series C Preferred Units called for redemption until funds sufficient to pay the full Series C Redemption Price of such Series C Preferred Units shall have been deposited by the Partnership with the Paying Agent.

(e) Any Series C Preferred Units that are redeemed or otherwise acquired by the Partnership shall be cancelled. If only a portion of the Series C Preferred Units represented by a Certificate shall have been called for redemption, upon surrender of the Certificate to the Paying Agent (which shall occur automatically if the Certificate representing such Series C Preferred Units is registered in the name of the Depository or its nominee), the Partnership shall issue and

the Paying Agent shall deliver to the Series C Holders a new Certificate (or adjust the applicable book-entry account) representing the number of Series C Preferred Units represented by the surrendered Certificate that have not been called for redemption.

(f) Notwithstanding anything to the contrary in this Article XVIII, in the event that full cumulative distributions on the Series C Preferred Units and any Parity Securities shall not have been paid or declared and set aside for payment, the Partnership shall not be permitted to repurchase, redeem or otherwise acquire, in whole or in part, any Series C Preferred Units or Parity Securities except pursuant to a purchase or exchange offer made on the same relative terms to all Series C Holders and holders of any Parity Securities. Subject to Section 4.9, so long as any Series C Preferred Units are Outstanding, the Partnership shall not be permitted to redeem, repurchase or otherwise acquire any Common Units or any other Junior Securities unless full cumulative distributions on the Series C Preferred Units and any Parity Securities for all prior and the then-ending Series C Distribution Periods shall have been paid or declared and set aside for payment.

SECTION 18.6 *Rank.*

The Series C Preferred Units shall each be deemed to rank:

- (a) senior to any Junior Securities;
- (b) on a parity with any Parity Securities;
- (c) junior to any Senior Securities; and
- (d) junior to all existing and future indebtedness of the Partnership and other liabilities with respect to assets available to satisfy claims against the Partnership.

The Partnership may issue Junior Securities and, subject to any approvals required pursuant to Section 16.4(c), Section 17.4(c) and Section 18.4(c), Parity Securities from time to time in one or more classes or series without the consent of the Series C Holders. Pursuant to Section 5.6, the General Partner has the authority to determine the designations, preferences, rights, powers and duties of any such class or series before the issuance of any Partnership Interests of such class or series.

SECTION 18.7 *No Sinking Fund.*

The Series C Preferred Units shall not have the benefit of any sinking fund.

SECTION 18.8 *Record Holders.*

To the fullest extent permitted by applicable law, the General Partner, the Partnership, the Transfer Agent and the Paying Agent may deem and treat any Series C Holder as the true, lawful and absolute owner of the applicable Series C Preferred Units for all purposes, and neither the General Partner, the Partnership nor the Transfer Agent or the Paying Agent shall be affected by any notice to the contrary, except as otherwise provided by law or any applicable rule, regulation, guideline or requirement of any National Securities Exchange on which the Series C Preferred Units are listed or admitted to trading.

SECTION 18.9 *Notices.*

All notices or communications in respect of the Series C Preferred Units shall be sufficiently given if given in writing and delivered in person or by first class mail, postage prepaid, or if given in such other manner as may be permitted in this Article XVIII, this Agreement or by applicable law.

SECTION 18.10 *Other Rights; Fiduciary Duties.*

The Series C Preferred Units and the Series C Holders shall not have any designations, preferences, rights, powers or duties, other than as set forth in this Agreement or as provided by applicable law. Notwithstanding anything to the contrary in this Agreement or any duty existing at law, in equity or otherwise, to the fullest extent permitted by applicable law, neither the General Partner nor any other Indemnitee shall owe any duties or have any liabilities to Series C Holders, other than the implied contractual covenant of good faith and fair dealing.

SECTION 18.11 *Change of Control.*

(a) Upon the occurrence of a Change of Control that occurs after the Series C Original Issue Date, each Series C Holder shall have the right ("*Series C Change of Control Conversion Right*") to convert some or all of the Series C Preferred Units held by such Series C Holder on the Series C Change of Control Conversion Date into a number of Common Units per Series C Preferred Unit that is an amount equal to the Series C Conversion Ratio (such number of Common Units, the "*Series C Common Unit Conversion Consideration*"), unless the Partnership provides notice of its election to redeem Series C Preferred Units prior to the expiration of the Partnership's redemption right contained in Section 18.5(a)(iii). The "*Series C Change of Control Conversion Date*" shall be the date fixed by the General Partner, in its sole discretion, as the date the Series C Preferred Units are entitled to be converted to Series C Conversion Common Units as provided in this Section 18.11. Such Series C Change of Control Conversion Date shall be a Business Day that is no fewer than 20 days nor more than 35 days from the date on which the Partnership provides the notice to Series C Holders of the Series C Change of Control Conversion Right under Section 18.11(b).

(b) No later than five days following the expiration of the Partnership's redemption right contained in Section 18.5(a)(iii) or, if earlier waived, the date of the Partnership's waiver of such right, the Partnership will provide written notice to the Series C Holders that describes the Series C Change of Control Conversion Right and states: (i) the events constituting the Change of Control; (ii) the date of the Change of Control; (iii) the date on which the Partnership's right to redeem the Outstanding Series C Preferred Units pursuant to Section 18.5(a)(iii) expired or was waived; (iv) the Series C Change of Control Conversion Date; (v) the last date on which the Series C Holders may exercise their Series C Change of Control Conversion Right; (vi) the method and period for calculating the Common Unit Price with respect to the Series C Preferred Units; (vii) if applicable, the type and amount of Series C Alternative Conversion Consideration entitled to be received per Series C Preferred Unit;

(viii) the name and address of the Paying Agent; and (ix) the procedures that the Series C Holders must follow to exercise the Series C Change of Control Conversion Right.

(c) Subject to Section 5.9, the “*Series C Conversion Ratio*” shall be calculated as the lesser of: (i) the quotient obtained by dividing (x) the Series C Liquidation Preference as of the Series C Change of Control Conversion Date (unless the Series C Change of Control Conversion Date is after a Series C Distribution Record Date and prior to the corresponding Series C Distribution Payment Date, in which case any accumulated and unpaid distribution will be excluded from this amount) by (y) the Common Unit Price with respect to the Series C Preferred Units, and (ii) 1.7928 (the “*Series C Unit Cap*”). The General Partner shall make such adjustments to the Common Unit Price with respect to the Series C Preferred Units and the Series C Unit Cap as it determines to be equitable in view of any splits, combinations or distributions in the form of equity issuances or the payment of any Series C Alternative Conversion Consideration to the holders of the Common Units in connection with the Change of Control.

(d) In the case of a Change of Control pursuant to which Common Units will be converted into cash, securities or other property or assets (including any combination thereof) (“*Series C Alternative Conversion Consideration*”), each Series C Holder electing to exercise its Series C Change of Control Conversion Right will receive upon conversion of the Series C Preferred Units elected by such holder the kind and amount of such Series C Alternative Conversion Consideration on a per Series C Preferred Unit basis that such Series C Holder would have owned or been entitled to receive upon the Change of Control had such Series C Holder held a number of Common Units equal to the Series C Common Unit Conversion Consideration immediately prior to the effective time of the Change of Control; *provided, that*, if the holders of Common Units have the opportunity to elect the form of consideration to be received in such Change of Control, the consideration that the Series C Holders electing to exercise their Series C Change of Control Conversion Right will receive will be the form and proportion of the aggregate consideration elected by the holders of Common Units who participate in the determination (based on the weighted average of elections) and will be subject to any limitations to which all holders of Common Units are subject, including, without limitation, pro rata reductions applicable to any portion of the consideration payable in the Change of Control. No fractional Common Units will be issued upon the conversion of the Series C Preferred Units. Instead, the Partnership shall pay the cash value of such fractional Common Units.

(e) Notwithstanding anything to the contrary in this Agreement, if prior to the expiration of the Partnership’s redemption right contained in Section 18.5(a)(iii), the Partnership provides notice of its election to redeem Series C Preferred Units pursuant to Section 18.5, Series C Holders shall not have any right to convert the Series C Preferred Units that the Partnership has elected to redeem, and any Series C Preferred Units subsequently selected for redemption that have been tendered for conversion shall be redeemed on the Series C Redemption Date instead of converted on the Series C Change of Control Conversion Date.

(f) The Partnership shall issue a press release for publication through a news or press organization as is reasonably expected to broadly disseminate the relevant information to the public, or post notice on the website of the Partnership, in any event prior to the opening of

business on the first Business Day following any date on which the Partnership (or a third party with its prior written consent) provides the notice described in [Section 18.11\(b\)](#), to the Series C Holders.

(g) Each Series C Holder electing to exercise its Series C Change of Control Conversion Right will be required prior to the close of business on the third Business Day preceding the Series C Change of Control Conversion Date, to notify the Partnership of the number of Series C Preferred Units to be converted pursuant to the Series C Change of Control Conversion Right and otherwise to comply with any applicable procedures contained in the notice described in [Section 18.11\(b\)](#) or otherwise required by the Depositary for effecting the conversion.

(h) Upon conversion, the rights of such participating Series C Holder as a holder of the Series C Preferred Units shall cease with respect to such converted Series C Preferred Units, and such Person shall continue to be a Partner and have the rights of a holder of Common Units under this Agreement. Each Series C Preferred Unit shall, upon its Series C Change of Control Conversion Date, be deemed to be transferred to, and cancelled by, the Partnership in exchange for the issuance of the Series C Conversion Common Units.

(i) The Partnership shall pay any documentary, stamp or similar issue or transfer taxes or duties relating to the issuance or delivery of Series C Conversion Common Units. However, the participating Series C Holder shall pay any tax or duty that may be payable relating to any transfer involving the issuance or delivery of Series C Conversion Common Units in a name other than such Series C Holder's name. The Transfer Agent may refuse to reflect the notation of book entry (or the issuance of a Certificate) for Common Units being issued in a name other than the Series C Holder's name until the Transfer Agent receives a sum sufficient to pay any tax or duties that will be due because the Common Units are to be issued in a name other than the Series C Holder's name. Nothing herein shall preclude any tax withholding required by law or regulation.

(j) The Partnership shall comply with all applicable securities laws regulating the offer and delivery of any Series C Conversion Common Units and, if the Common Units are then listed or quoted on a National Securities Exchange or other market, shall list or cause to have quoted and keep listed and quoted the Series C Conversion Common Units to the extent permitted or required by the rules of such exchange or market.

(k) Notwithstanding anything herein to the contrary, nothing herein shall give to any Series C Holder any rights as a creditor in respect of its right to conversion of Series C Preferred Units.

ARTICLE XIX GENERAL PROVISIONS

SECTION 19.1 *Addresses and Notices.*

Except as otherwise provided in [Section 16.9](#), [Section 17.9](#) and [Section 18.9](#) in relation to the Preferred Units, any notice, demand, request, report or proxy materials required or permitted to be given or made to a Partner or Assignee under this Agreement shall be in writing and shall

Any notice, payment or report to be given or made to a Partner or Assignee hereunder shall be deemed conclusively to have been given or made, and the obligation to give such notice or report or to make such payment shall be deemed conclusively to have been fully satisfied, upon sending of such notice, payment or report to the Record Holder of such Partnership Securities at his address as shown on the records of the Transfer Agent or as otherwise shown on the records of the Partnership, regardless of any claim of any Person who may have an interest in such Partnership Securities by reason of any assignment or otherwise. An affidavit or certificate of making of any notice, payment or report in accordance with the provisions of this Section 19.1 executed by the General Partner, the Transfer Agent or the mailing organization shall be prima facie evidence of the giving or making of such notice, payment or report. If any notice, payment or report addressed to a Record Holder at the address of such Record Holder appearing on the books and records of the Transfer Agent or the Partnership is returned by the United States Postal Service marked to indicate that the United States Postal Service is unable to deliver it, such notice, payment or report and any subsequent notices, payments and reports shall be deemed to have been duly given or made without further mailing (until such time as such Record Holder or another Person notifies the Transfer Agent or the Partnership of a change in his address) if they are available for the Partner or Assignee at the principal office of the Partnership for a period of one year from the date of the giving or making of such notice, payment or report to the other Partners and Assignees. Any notice to the Partnership shall be deemed given if received by the General Partner at the principal office of the Partnership designated pursuant to Section 2.3. SECTION 19.5 *Creditors.*

None of the provisions of this Agreement shall be for the benefit of, or shall be enforceable by, any creditor of the Partnership.

SECTION 19.6 *Waiver.*

No failure by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute waiver of any such breach of any other covenant, duty, agreement or condition.

SECTION 19.7 *Counterparts.*

This Agreement may be executed in counterparts, all of which together shall constitute an agreement binding on all the parties hereto, notwithstanding that all such parties are not signatories to the original or the same counterpart. Each party shall become bound by this Agreement immediately upon affixing its signature hereto or, in the case of a Person acquiring a Unit, upon accepting the certificate evidencing such Unit or executing and delivering a Transfer Application as herein described, independently of the signature of any other party.

SECTION 19.8 *Applicable Law.*

If a claim under Section 15(a) or 15(b) is not paid in full by the Company within 60 calendar days after a written claim has been received by the Company, except in the case of a claim for an advancement of expenses, in which case the applicable period shall be 20 calendar days, the Indemnitee may at any time thereafter bring suit against the Company to recover the unpaid amount of the claim. If successful in whole or in part in any such suit, or in a suit brought by the Company to recover an advancement of expenses pursuant to the terms of an Undertaking, the Indemnitee shall be entitled to be paid also the expense of prosecuting or defending such suit. In (i) any suit brought by the Indemnitee to enforce a right to indemnification hereunder (but not in a suit brought by the Indemnitee to enforce a right to an advancement of expenses) it shall be a defense that, and (ii) any suit brought by the Company to recover such expenses upon a Final Adjudication that, the Indemnitee has not met any applicable standard for indemnification set forth in the Act. Neither the failure of the Company (including its Board of Directors, independent legal counsel or its Member) to have made a determination prior to the commencement of such suit that indemnification of the Indemnitee is proper in the circumstances because the Indemnitee has met the applicable standard of conduct set forth in the Act, nor an actual determination by the Company (including its Board of Directors, independent legal counsel or its Member) that the Indemnitee has not met such applicable standard of conduct, shall create a presumption that the Indemnitee has not met the applicable standard of conduct or, in the case of such a suit brought by the Indemnitee, be a defense to such suit. If any suit brought by the Indemnitee to enforce a right to indemnification or to an advancement of expenses hereunder, or brought by the Company to recover an advancement of expenses pursuant to the terms of an Undertaking, the burden of proving that the Indemnitee is not entitled to be indemnified, or to such advancement of expenses, under this Section 15 or otherwise shall be on the Company.

(d) Non-Exclusivity of Rights. The rights to indemnification and to the advancement of expenses conferred in this Section 15 shall not be exclusive of any other right which any person may have or hereafter acquire under any statute, this Agreement, vote of members or disinterested directors or otherwise.

(e) Insurance. The Company may maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Company or another corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss, whether or not the Company would have the power to indemnify such person against such expense, liability or loss under the Act.

(f) Indemnification of Employees and Agents of the Company. The Company may, to the extent authorized from time to time by the Board of Directors, grant rights to indemnification and to the advancement of expenses to any employee or agent of the Company to the fullest extent of the provisions of this Section 15 with respect to the indemnification and advancement of expenses of directors and officers of the Company.

(g) No Amendment, Modification or Repeal. No amendment, modification or repeal of this Section 15 or any provision hereof shall in any manner terminate, reduce or impair the right of any past, present or future Indemnitee to be indemnified by the Company or the obligations of the Company to indemnify any such Indemnitee under and in accordance with the provisions of this Section 15 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

(h) Ordering of Liability. To the maximum extent permitted by law, as between the Company, on the one hand, and the General Partner and the Partnership or its subsidiaries (the "**Other Parties**") on the other hand, this Section 15 shall be interpreted to reflect an ordering of liability for potentially overlapping or duplicative indemnification or advance of expenses payments, with the Other Parties having primary liability and the Company having only secondary liability. The possibility that an Indemnitee may receive indemnification or advancement of expenses payments from the Other Parties shall not restrict the Company from making payments under this Section 15 to an Indemnitee that is otherwise eligible for such payments, but such payments by the Company are not intended to relieve the Other Parties thereof from any liability that they would otherwise have to make indemnification and advance payments to such Indemnitee and, if an Indemnitee that has received indemnification or advancement payments from the Company actually receives duplicative payments from the Other Parties (including from any insurance policy maintained by such Other Parties), such Indemnitee shall repay the Company to the extent of such duplicative payments.

16. CONSTRUCTION.

Unless the context requires otherwise: (a) any pronoun used in this Agreement shall include the corresponding masculine, feminine or neuter forms, and the singular form of nouns, pronouns and verbs shall include the plural and vice versa; (b) references to sections refer to sections of this Agreement, unless otherwise indicated; and (c) the term "*include*" or "*includes*" means includes, without limitation, and "*including*" means including, without limitation.

17. AMENDMENT.

Subject to Section 15, this Agreement may be amended or restated only by a written instrument executed by the Member.

IN WITNESS WHEREOF, the undersigned has caused this Agreement to be duly executed as of the day and year first above written.

NOW THEREFORE, in consideration of the foregoing and the mutual representations, warranties, covenants and agreements herein contained, and intending to be legally bound hereby, the parties hereto agree as follows:

ARTICLE II

VOTING

Section 2.1 *Agreement to Vote*. Each Unitholder hereby irrevocably and unconditionally agrees that, during the term of this Agreement, at the NSH Meeting and at any other meeting of the NSH Unitholders, however called, including any adjournment or postponement thereof, and in connection with any written consent of the NSH Unitholders relating to the Merger or an Acquisition Proposal, each Unitholder shall to the fullest extent that the Subject Units are entitled to vote thereon or consent thereto:

any action, agreement or transaction that would or would reasonably be expected to impede, interfere with, delay, postpone, discourage, frustrate the purposes of or adversely affect the Merger or the other transactions contemplated by the Merger Agreement.

Nothing in this Section 2.1 shall require Mr. Greehey to take any action inconsistent with his applicable fiduciary or contractual obligations as a director of NSH or NuStar GP.

Section 2.2 *No Inconsistent Agreements*. The Unitholders hereby covenant and agree that, except for this Agreement and the Conditional Irrevocable Proxy of WLG Holdings (the “**Conditional Proxy**”), dated October 30, 2015, the Unitholders (a) have not entered into, and shall not enter into at any time while this Agreement remains in effect, any voting agreement or voting trust governing the Subject Units that remains in effect, (b) have not granted, and shall not grant at any time while this Agreement remains in effect, a proxy, consent or power of attorney with respect to voting the Subject Units that remains in effect (other than a proxy or proxies to vote the Subject Units in a manner consistent with this Agreement) and (c) shall not knowingly take any action at any time while this Agreement remains in effect that would make any representation or warranty of either Unitholder contained herein untrue or incorrect in any material respect or have the effect of preventing or disabling either Unitholder from performing any of its obligations under this Agreement in any material respect.

Section 2.3 *Proxy*. In order to secure the obligations set forth herein, each Unitholder hereby irrevocably appoints during the term of this Agreement as its proxy and attorney-in-fact, as the case may be each of Bradley C. To the fullest extent permitted by law, this proxy is coupled with an interest and shall be irrevocable, and each Unitholder will take such further action or execute such other instruments as may be necessary to effectuate the intent of this proxy and each Unitholder hereby revokes any proxy it previously granted with respect to the Subject Units to the extent that such proxy is inconsistent with the provisions of this Agreement. In furtherance of the foregoing, NSH and WLG Holdings hereby agree that, notwithstanding anything to the contrary contained in the Conditional Proxy, to the extent the proxy granted by WLG Holdings set forth in the Conditional Proxy becomes effective in accordance with the terms thereof during the term of this Agreement, the proxy set forth in the Conditional Proxy shall not be exercised (and it shall cause the Authorized Officers (as defined in the Conditional Proxy) not to exercise such proxy) and the Grantees shall be entitled to exercise the proxy set forth therein in accordance with the terms hereof. NuStar GP (acting with the consent of the NuStar GP Conflicts Committee) may terminate this proxy with respect to any Unitholder at any time at its sole election by written notice provided to any such Unitholder.

Notwithstanding anything to the contrary contained in this Agreement: (i) none of the provisions of this Agreement shall be construed to prohibit, limit or restrict Mr. Greehey, who is a director of NSH and NuStar GP, from exercising his applicable fiduciary or contractual duties to NSH or the Partnership by voting or taking any other action whatsoever in his capacity as a director, including with respect to the Merger Agreement and the transactions contemplated thereby; and (ii) no action taken by NSH or the Partnership in respect of the Merger Agreement and the transactions contemplated thereby shall serve as the basis of a claim that Mr. Greehey is in breach of his obligations hereunder notwithstanding the fact that Mr. Greehey, in his capacity as a director of NSH or NuStar GP, has provided advice or assistance to NSH or NuStar GP in connection therewith.

Section 5.5 *Interpretation.* The words “hereof,” “herein” and “hereunder” and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement, and Section references are to this Agreement unless otherwise specified. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.” The meanings given to terms defined herein shall be equally applicable to both the singular and plural forms of such terms. The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. This Agreement is the product of negotiation by the parties having the assistance of counsel and other advisers. It is the intention of the parties that this Agreement not be construed more strictly with regard to one party than with regard to the others.

Section 5.6 *Counterparts.* This Agreement may be executed by facsimile and in counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each of the parties and delivered to the other parties, it being understood that all parties need not sign the same counterpart.

Section 5.7 *Entire Agreement.* This Agreement and, to the extent referred to herein, the Merger Agreement embody the complete agreement and understanding among the parties hereto with respect to the subject matter hereof and supersede and preempt any prior understandings, agreements or representations by or among the parties, written and oral, that may have related to the subject matter hereof in any way.

Section 5.8 *Governing Law; Consent to Jurisdiction; Waiver of Jury Trial.*

(a) This Agreement shall be governed by, and interpreted in accordance with, the Laws of the State of Delaware, without regard to the conflict of law principles thereof (except to the extent that mandatory provisions of federal or Delaware law govern). The parties agree that irreparable damage would occur and that the parties would not have any adequate remedy at law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in the Court of Chancery of the State of Delaware in New Castle County (and any appellate court of the State of Delaware)

or, if the Court of Chancery of the State of Delaware does not have jurisdiction thereof, the Federal courts of the United States of America located in the State of Delaware, this being in addition to any other remedy to which they are entitled at law or in equity. In addition, each of the parties hereto (i) consents to submit itself to the personal jurisdiction of the Court of Chancery of the State of Delaware in New Castle County (and any appellate court of the State of Delaware) and, if the Court of Chancery of the State of Delaware does not have jurisdiction thereof, the Federal courts of the United States of America located in the State of Delaware in the event any dispute arises out of this Agreement or the transactions contemplated by this Agreement, (ii) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court and (iii) agrees that it will not bring any action relating to this Agreement or the transactions contemplated by this Agreement in any court other than the Court of Chancery of the State of Delaware or a Federal court of the United States of America located in the State of Delaware. Without limiting the foregoing, each party agrees that service of process on such party as provided in Section 5.4 shall be deemed effective service of process on such party.

(b) EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY SUIT, ACTION OR OTHER PROCEEDING ARISING OUT OF THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. EACH PARTY HERETO (I) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH PARTY WOULD NOT, IN THE EVENT OF ANY ACTION, SUIT OR PROCEEDING, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT, BY, AMONG OTHER THINGS, THE MUTUAL WAIVER AND CERTIFICATIONS IN THIS SECTION 5.8.

Section 5.9 *Amendment; Waiver.* This Agreement may not be amended except by an instrument in writing signed by the Partnership, Merger Sub and each Unitholder. Each party may waive any right of such party hereunder by an instrument in writing signed by such party and delivered to the Partnership, Merger Sub and each Unitholder.

Section 5.10 *Remedies.*

(a) Each party hereto acknowledges that monetary damages would not be an adequate remedy in the event that any covenant or agreement in this Agreement is not performed in accordance with its terms, and it is therefore agreed that, in addition to and without limiting any other remedy or right it may have, a non-breaching party will have the right to an injunction, temporary restraining order or other equitable relief in any court of competent jurisdiction enjoining any such breach and enforcing specifically the terms and provisions hereof. Each party hereto agrees not to oppose the granting of such relief in the event a court determines that such a breach has occurred, and to waive any requirement for the securing or posting of any bond in connection with such remedy.

(b) All rights, powers and remedies provided under this Agreement or otherwise available in respect hereof at law or in equity shall be cumulative and not alternative, and the exercise or beginning of the exercise of any thereof by any party shall not preclude the simultaneous or later exercise of any other such right, power or remedy by such party.

Section 5.11 *Severability*. Any term or provision of this Agreement which is determined by a court of competent jurisdiction to be invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction, and if any provision of this Agreement is determined to be so broad as to be unenforceable, the provision shall be interpreted to be only so broad as is enforceable, in all cases so long as neither the economic nor legal substance of the transactions contemplated hereby is affected in any manner adverse to any party or its equityholders, as applicable. Upon any such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties as closely as possible and to the end that the transactions contemplated hereby shall be fulfilled to the maximum extent possible.

Section 5.12 *Action by the Partnership or Merger Sub*. No waiver, consent or other action by or on behalf of the Partnership or Merger Sub pursuant to or as contemplated by this Agreement shall have any effect unless such waiver, consent or other action is expressly approved by the NuStar GP Conflicts Committee.

Section 5.13 *Successors and Assigns; Third Party Beneficiaries*. Neither this Agreement nor any of the rights or obligations of any party under this Agreement shall be assigned, in whole or in part (by operation of law or otherwise), by any party without the prior written consent of the other parties hereto. Subject to the foregoing, this Agreement shall bind and inure to the benefit of and be enforceable by the parties hereto and their respective successors and permitted assigns. Nothing in this Agreement, express or implied, is intended to confer on any Person other than (a) the parties hereto or (b) the parties' respective successors and permitted assigns any rights, remedies, obligations or liabilities under or by reason of this Agreement.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be signed (where applicable, by their respective officers or other authorized Person thereunto duly authorized) as of the date first written above.

Other information regarding the participants in the proxy solicitation and a description of their direct and indirect interests, by security holdings or otherwise, will be contained in the proxy statement/prospectus and other relevant materials to be filed with the SEC when they become available.

This presentation includes “forward-looking statements” as defined by the SEC. Statements contained in this presentation other than statements of historical fact are forward-looking statements. While these forward-looking statements, and any assumptions upon which they are based, are made in good faith and reflect NS’s and NSH’s current judgment regarding the direction of its business, actual results will likely vary, sometimes materially, from any estimates, predictions, projections, assumptions or other future performance metrics presented or suggested in this presentation. These forward-looking statements can generally be identified by words such as “anticipates,” “believes,” “expects,” “plans,” “intends,” “estimates,” “forecasts,” “budgets,” “projects,” “could,” “should,” “may,” “preliminary” and similar expressions. These statements reflect NS’s and NSH’s current views with regard to future events and are subject to various risks, uncertainties and assumptions that may cause actual results to differ materially, including the possibility that the merger will not be completed prior to the August 8, 2018 outside termination date, the possibility that NSH will not obtain the required approvals by NSH unitholders, the possibility that the anticipated benefits from the proposed merger cannot be fully realized, the possibility that costs or difficulties related to the merger will be greater than expected and other risk factors included in the reports filed with the SEC by NS and NSH. Investors are cautioned not to place undue reliance on these forward-looking statements, which speak only as of their dates. Except as required by law, neither NS or NSH intend to update or revise its forward-looking statements, whether as a result of new information, future events or otherwise.

We use financial measures in this presentation that are not calculated in accordance with generally accepted accounting principles (“non-GAAP”) and our reconciliations of non-GAAP financial measures to GAAP financial measures are located in the appendix to this presentation. These non-GAAP financial measures should not be considered an alternative to GAAP financial measures.

Transaction Summary: Creates Single \$7.9 Billion Enterprise Value Partnership; Lowers Cost of Funding

NuStar's simplification of its partnership structure, elimination of Incentive Distribution Rights ("IDRs") and enhanced distribution coverage repositions NuStar within the MLP space by improving its capital structure and access to capital markets, facilitating sustainable, long-term growth

Merger of NS and NSH

- **NuStar Energy L.P. (NS) and NuStar GP Holdings, LLC (NSH) to combine via merger**
 - NSH unitholders to exchange all of their outstanding units for 0.55 NS units per NSH unit
 - All 43 million of NSH's outstanding units will be exchanged for 23.6 million NS units
 - 23.6 million NS units replaces 10.2 million NS units previously owned by NSH
 - Represents a 1.7% premium to NSH unitholders
- **Combination permanently eliminates IDRs and 2% general partner interest converted to a non-economic interest**
- **Upon completion of the merger, former NSH unitholders will own approximately 22% of the combined entity**

Reset of NS Distributions

- **Concurrent with the merger, NS will reduce its distribution to \$0.60 per unit quarterly beginning in Q1 2018 (\$2.40 annualized)**
 - Expected to allow NS to cover estimated 2018 distributions by approximately 1.20x, higher thereafter

Subsequent Actions

- **Continue to pursue disciplined growth strategy focused on high-quality/high-return projects**
- **Pursue alternatives to achieve growth and manage leverage:**
 - Potential to access capital markets or issue additional equity or debt
 - Identifying non-strategic assets for sale

Timing

- **Transaction is expected to close in Q2 2018**
- **Requires approval from NSH unitholders**
 - William E. Greehey has agreed to vote the NSH units he controls (approximately 21%) in favor of the transaction

Reduced Cost of Capital

- **Lowers NuStar's cost of capital through the elimination of IDRs**
 - Allows NuStar to compete with a greater number of MLPs when pursuing growth opportunities

Improved Coverage / Debt Metrics

- **Expected 2018 distribution coverage in the range of 1.10x to 1.20x with long-term target of 1.30x to 1.40x**
 - Additional coverage to be utilized to internally fund growth capital expenditures reducing the need to raise capital

Increased Growth Outlook

- **As early as 2019, allows NuStar to grow annual distributions in the mid to high single digit percent range for the foreseeable future**
 - Ability to finance current growth opportunities with reduced cost of capital and to pursue additional high-quality growth opportunities in a disciplined manner

Valuation Impact

- **Aligns economic returns and incentives between NS and NSH unitholders**
- **Improved trading yield and anticipated distribution growth**

Reconciliation of Non-GAAP Financial Information

NuStar Energy L.P. utilizes financial measures, such as earnings before interest, taxes, depreciation and amortization (EBITDA), distributable cash flow (DCF) and distribution coverage ratio, which are not defined in U.S. generally accepted accounting principles (GAAP). Management believes these financial measures provide useful information to investors and other external users of our financial information because (i) they provide additional information about the operating performance of the partnership's assets and the cash the business is generating, (ii) investors and other external users of our financial statements benefit from having access to the same financial measures being utilized by management and our board of directors when making financial, operational, compensation and planning decisions and (iii) they highlight the impact of significant transactions.

Our board of directors and management use EBITDA and/or DCF when assessing the following: (i) the performance of our assets, (ii) the viability of potential projects, (iii) our ability to fund distributions, (iv) our ability to fund capital expenditures and (v) our ability to service debt. In addition, our board of directors uses a distribution coverage ratio, which is calculated based on DCF, as one of the factors in its determination of the company-wide bonus and the vesting of performance units awarded to management. DCF is a widely accepted financial indicator used by the master limited partnership (MLP) investment community to compare partnership performance. DCF is used by the MLP investment community, in part, because the value of a partnership unit is partially based on its yield, and its yield is based on the cash distributions a partnership can pay its unitholders.

None of these financial measures are presented as an alternative to net income, or for any period presented reflecting discontinued operations, income from continuing operations. They should not be considered in isolation or as substitutes for a measure of performance prepared in accordance with GAAP. For purposes of segment reporting, we do not allocate general and administrative expenses to our reported operating segments because those expenses relate primarily to the overall management at the entity level. Therefore, EBITDA reflected in the segment or project reconciliations exclude any allocation of general and administrative expenses consistent with our policy for determining segmental operating income, the most directly comparable GAAP measure.

The following are reconciliations of projected net income to projected EBITDA to projected DCF (in thousands of dollars, except ratio data):
