

## Anti-Slavery and Human Trafficking Statement

Consistent with Section 54, Part 6 of the UK Modern Slavery Act 2015, NuStar is committed to ensuring slavery and human trafficking is not occurring in any part of our business or supply chain. NuStar's Code of Business Conduct and Ethics provides the foundation for our compliance culture and underscores our commitment to performance with honesty, integrity and respect. The Code also includes our responsibility and commitment to follow all applicable laws, as well as our internal policies, and to require our suppliers and contractors to comply with similar fundamental principles. While respecting human rights and environmental issues in the supply chain is ultimately our suppliers' responsibility, NuStar expects its suppliers to ensure that there are systems and processes to monitor, identify and assess potential risks, and mitigate and eliminate the risk of slavery and human trafficking.
