SECTION 5.06 Successor LMIR

(a) If the Administrative Agent determines (which determination shall be final and conclusive, absent manifest error) that either (i) (A) the circumstances set forth in Section 5.04 have arisen and are unlikely to be temporary, or (B) the circumstances set forth in Section 5.04 have not arisen but the applicable supervisor or administrator (if any) of LMIR or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying the specific date (the “LIBOR Notified Termination Date”) after which LMIR shall no longer be used for determining interest rates for loans, or (ii) a rate other than LMIR has become a widely recognized benchmark rate for newly originated loans in Dollars in the U.S. market, then the Administrative Agent may (in consultation with the Borrower) choose a replacement index for LMIR and make adjustments to applicable margins and related amendments to this Agreement as referred to below such that, to the extent practicable, the all-in Interest based on the replacement index will be substantially equivalent to the all-in Interest based on LMIR in effect prior to its replacement.

(b) The Administrative Agent and the Borrower shall enter into an amendment to this Agreement to reflect the replacement index, the adjusted margins and such other related amendments as may be appropriate, in the discretion of the Administrative Agent, for the implementation and administration of the replacement index-based rate. Notwithstanding anything to the contrary in this Agreement or the other Transaction Documents (including, without limitation, Section 14.01), such amendment shall become effective without any further action or consent of any other party to this Agreement at 5:00 p.m. New York City time on the tenth (10th) Business Day after the date a draft of the amendment is provided to the Group Agents, unless the Administrative Agent receives, on or before such tenth (10th) Business Day, a written notice from the Majority Group Agents stating that such Majority Group Agents object to such amendment.

(c) Selection of the replacement index, adjustments to the applicable margins, and amendments to this Agreement (i) will be determined with due consideration to the then-current market practices for determining and implementing a rate of interest for newly originated loans in the United States and loans converted from a rate based on LMIR to a replacement index-based rate, and (ii) may also reflect adjustments to account for (A) the effects of the transition from LMIR to the replacement index and (B) yield- or risk-based differences between LMIR and the replacement index.

(d) Until an amendment reflecting a new replacement index in accordance with this Section 5.06 is effective, each Portion of Capital accruing Interest with reference to LMIR will continue to bear interest with reference to LMIR, as applicable; provided however, that if the Administrative Agent (i) determines on any date (which determination shall be final and conclusive, absent manifest error) that the circumstances set forth in Section 5.04 have arisen and are unlikely to be temporary, or (ii) the LIBOR Notified Termination Date has occurred, then following such date, each Portion of Capital that would otherwise accrue Interest with reference to LMIR shall automatically begin accruing Interest with reference to the Base Rate until such time as an amendment reflecting a replacement index and related matters as described above is implemented.

(e) Notwithstanding anything to the contrary contained herein, if at any time the replacement index is less than zero, at such times, such index shall be deemed to be zero for purposes of this Agreement.”
